Fables Of Spiritual Wisdom From Around The World:

Fables of Spiritual Wisdom Ben Alex, 2003-05 A collection of 26 great fables from Aesop until today Great illustrations

One Hundred Wisdom Stories from Around the World, 2003 This vivid and varied collection of stories with a spiritual message is gathered together by Margaret Silf from a wide range of time periods and cultures around the world Stories can be a powerful means of communication each of these stories has at its heart a spiritual message that reflects Christian values which means that they can be read at different levels They're ideal for personal use and enjoyment and will also be a valuable source for church leaders and school teachers The book is divided into 8 thematic sections The Created Universe Human Relationships Rites of Passage A World in Pieces Suffering Healing Growth The Journey to the True Self The Road to Transformation and The Dream Fulfilled

The Spiritual Dimension of Business Ethics and Sustainability Management László Zsolnai, 2014-12-01 This book discloses the spiritual dimension in business ethics and sustainability management Spirituality is understood as a multiform search for meaning which connects people with all living beings and God or Ultimate Reality In this sense spirituality is a vital source in social and economic life The volume examines the spiritual orientations to nature and business in different cultural traditions Christianity Judaism Islam Sufism Hinduism Buddhism and Taoism It studies how spirituality and ecology can contribute to transforming contemporary management theory and praxis It discusses new leadership roles and business models that emerge for sustainability in business and shows how entrepreneurship can be inspired by nature and spirituality in a meaningful way

Understanding Spirituality and the Sacred in Social Work Practice Mary Jo McVeigh,Joel Hollier,Jioji Ravulo,2025-03-31 Social work is constantly epistemically evolving and embracing diverse bodies of knowledge to inform its ontology and practice frameworks Over the years the impact of feminist post colonial and queer theory for example has broadened the social work lens and invited a welcome departure from dominant Westernised patriarchal and positivist paradigms However the separation of the spiritual realm from casework clinical community and group work traditions of social work remained steadfast The last decade or so has seen forages into

the issues of social work and spirituality This examination into spirituality and social work has shown that for many service users spiritual practices be they religious or non religious are important in their lives and their way out of difficulties Concurrently relationships between socio political movements and global religions have grown increasingly complex To create a truly holistic approach to the needs of service users it is important that social work policy and practice give voice to these complexities and understand the place of spirituality within service delivery This book critically reflects upon and discusses the intersecting role of spirituality in the lives of people who access social work services By gathering contributions from people with lived experience practitioners and academics this book will explore a comprehensive range of issues opening the area of spirituality to current critical socio political and cultural thought It will be of interest to all social work scholars students and practitioners
