*Fabulous Furphies* Edward Wybergh Docker, Lynette Ramsay Silver, 1997      **Lasseter's Reef** Bill Decarli, Kristin Lee, 2021-09-02 Fact or myth Harold Bell Lasseter and his claim of finding a vast gold bearing reef in Central Australia has continually been surrounded in mystery Yet his ill fated death in the Australian outback where the land is unforgiving to the careless and the foolhardy is relatively undisputed Despite Lasseter taking secrets to a lonely desert grave in 1931 the story of the elusive gold reef has become a holy grail for explorers from near and far One such explorer is Vietnam veteran Bill Decarli who has spent the best part of forty years unravelling one of Australia s greatest mysteries On his maiden voyage to the outback in 1991 instead of heading towards Western Australia like other diehard explorers Bill reversed his map and headed east towards Queensland It was there that he struck upon the infamous gold reef one that Lasseter had never laid eyes on yet some how had been made aware of its existence Based on significant new insights and with a further nine trips to the reef the key to putting all the pieces together for Bill was a man who barely left any trace of his own existence until now A story of adventurous hearts honesty and resolve in this new twist Bill unearths how Lasseter s claim was another man s story the exact location of the reef and how the reef stands to have a bright future      [National Library of Australia News](#), 1997      **History**, 1996      **Australian Books in Print 1999** K G Saur Books, 1999-04 Excellent coverage essential to worldwide bibliographic coverage American Reference Books Annual This comprehensive reference provides current finding ordering information on more than 123 000 in print books published in Australia You ll also find brief profiles of more than 12 000 publishers distributors whose titles are represented as well as information on trade associations local agents of overseas publishers literary awards more From Thorpe      **Gold and Civilisation** Tom Stannage, Charles Thomas Stannage, 2001 The exhibition explores how the discovery of gold in Australia from 1851 had a profound impact on Australias social and political development by creating enormous wealth and triggering an unprecedented wave of immigration and social change Personal narratives photographs and memorabilia will present the stories of those who came to live and work in the goldfields including artists goldsmiths prospectors ex convict diggers entertainers participants in the Eureka Stockade uprising Chinese miners bankers Aboriginal people women children and explorers Revealing the powerful place of gold in the human imagination Gold and Civilisation draws on gold artefacts from 35 countries including Austria China Denmark France Indonesia Ireland Israel Italy Mexico Poland Russia Switzerland Spain Turkey the United Kingdom and The Vatican which represent the highest artistic standards of their culture      *The Journal of Commonwealth Literature*, 2000 One number each year includes Annual bibliography of Commonwealth literature      **Myths and Legends of the Australian Aborigines** W. this colorful compilation of oral traditions readers can savor the tales as they were told by their aboriginal narrators Footnotes throughout the text clarify occasional obscurities providing background on aboriginal life and customs as the need for explanation arises For the most part however the author allows the myths to speak for themselves without any attempt to support or disprove anthropological theories The myths range in nature and tone from reverent recountings of the origins of the world and human life to legends about the roots of religious and social customs to fanciful and humorous animal fables Unabridged republication of *Myths and Legends of the Australian Aboriginals* Ballantyne Press Spottiswoode Ballantyne Co Ltd London n d ca 1930 Index 63 black and white illustrations *Myths & Legines of the Australian Aboriginals* William Ramsay Smith,1930 **Some Myths and Legends of the Australian Aborigines** W.
