Excerpt from Gustavus Adolphus And the Struggle of Protestantism for Existence The following account of the life of King Gustavus Adolphus the national hero of Sweden demands little preface It makes no pretensions to be based upon original research and I cannot claim have read even all the modern authorities on the subject My knowledge of the Swedish language is by no means independent of the assistance of a dictionary nor can I hope to have escaped that tendency to partiality for which the natural fascination of such a subject is the only excuse The work was undertaken and the material partly gathered before I was aware that it was to have the honour of forming one of a series of biographies The difficulty of accommodating its proportions to that object has not been inconsiderable I am on the one hand debarred from giving the references which in many places I should have desired to give and on the other hand obliged to include accounts of many things of which I had made no special study The military history of the Thirty Years War is in itself a case in point About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Gustavus Adolphus and the Struggle of Protestantism for Existence Charles Robert Leslie Fletcher,1890 [History of the Christian Church: The reformation : I. On the continent](#) John Fletcher Hurst,1900 **Muscovy and Sweden in the Thirty Years' War 1630-1635** B. F. Porshnev,1995-12-07 This is an English translation of important writings on the Thirty Years War by the great Soviet historian B F Porshnev Little is known of the Muscovite contribution to the conflict and Paul Dukes arguably Britain s senior historian of ancien regime Russia has selected the most valuable areas of Porshnev s unparalleled archival research to fill a crucial gap in the literature of the seventeenth century In placing this work in the context of Porshnev s larger undertaking Professor Dukes substantial introduction assesses Porshnev s critics and evaluates his contribution to our understanding of the Thirty Years War and of relations between Eastern and Western Europe at the time A significant reinterpretation of a fascinating period the book will interest both Russian specialists and those working more generally in seventeenth century European history *Samuel Rawson Gardiner and the Idea of History* Mark Nixon,2011 Samuel Rawson Gardiner 1829 1902 is the colossus of seventeenth century historiography His twenty volume history of Britain from 1603 to 1656 and his many editions of key texts still serve to underpin almost all study of the Civil Wars and of the Commonwealth and Protectorate Yet despite his importance his work has often been reduced by historians of historiography to simple caricature in which his personal politics and his denominational allegiances got the better of his

worthy empiricism This book seeks to challenge the inadequate view of him and his work offering a rich contextualisation by locating his writings within a wide range of literary and philosophical milieux British and continental European In so doing it not only suggests new ways of looking at Victorian historiography in general but also proposes a new approach to the growing history of historical writing **The Nassau Literary Magazine** ,1890 The Academy and Literature ,1890

The academy ,1890 **Gustavus v Wallenstein** John Pike,2024-05-30 Explore the epic conflict and contrasting leadership styles of King Gustavus Adolphus of Sweden and Albrecht von Wallenstein Duke of Friedland two titanic figures in the Thirty Years War whose strategic brilliance and dramatic deaths shaped the course of modern warfare analyzed in vivid detail by the author The conflict personal rivalry and contrast in personality generalship and command between the two iconic commanders in the Thirty Years War King Gustavus Adolphus of Sweden for the Protestant powers and Albrecht von Wallenstein Duke of Friedland More than just commanders at the tactical level they were statesmen military organizers and strategists on a continental scale Both commanders represented the 17th century military revolution in action The writing is vivid graphic and detailed without overloading and readers can feel involved in the action from strategic planning to battlefield tactics and even the melee Both generals are titanic figures come and their respective deaths Gustavus heroically in battle and Wallenstein murdered with the Emperor s compliance were dramatic highpoints in the long war This is no hagiography and the author analyses the contrasting reputations of two of the greatest military figures in modern history and analyses mistakes as well their triumphs Both commanders understanding of the role of the modern state and finance as vital factors in the military revolution and modern warfare A major contrast was Gustavus s constant search for the tactical and strategic initiative compared to Wallenstein s caution and patience and development of counter punch defensive tactics Exceptional for the period a young warrior like an Alexander Gustavus excelled in inspired battlefield leadership even at huge risk Despite his death at Lutzen in 1632 he and his steadfast chancellor Oxenstierna had decisively defeated the Emperor s attempt to subjugate the Empire and introduce the Catholic counter reformation Gustavus contributed hugely to the ending of Habsburg supremacy while advancing new concepts in modern war His death ushered in his acolytes including generals Baner Saxe Weimar and Torstensson Gustavus or Wallenstein the greater of the two The reader must judge but Napoleon included Gustavus in his list of ten greats with Julius Caesar Hannibal Barca and Alexander the Great
