Pastrami on Rye Ted Merwin,2015-10-06 The history of an iconic culinary institution Winner of the 2015 National Jewish Book Award in Education and Jewish Identity from the Jewish Book Council For much of the twentieth century the New York Jewish deli was an iconic establishment in both Jewish and American life As a social space it rivaled and in some ways surpassed the synagogue as the primary gathering place for the Jewish community In popular culture it has been the setting for classics like When Harry Met Sally And today after a long

period languishing in the trenches of the hopelessly old fashioned it is experiencing a nostalgic resurgence Pastrami on Rye is the first full length history of the New York Jewish deli The deli argues Ted Merwin reached its full flowering not in the immigrant period as some might assume but in the interwar era when the children of Jewish immigrants celebrated the first flush of their success in America by downing sandwiches and cheesecake in theater district delis But it was the kosher deli that followed Jews as they settled in the outer boroughs of the city and that became the most tangible symbol of their continuing desire to maintain a connection to their heritage Ultimately upwardly mobile American Jews discarded the deli as they transitioned from outsider to insider status in the middle of the century Now contemporary Jews are returning the deli to cult status as they seek to reclaim their cultural identities Richly researched and compellingly told Pastrami on Rye gives us the surprising story of a quintessential New York institution *100 Must-read Classic Novels* Nick Rennison,2009-01-01 Want to become a classic novel buff or expand your reading of some of the finest novels ever published With 100 of the best titles fully reviewed and a further 500 recommended you ll quickly set out on a journey of discovery Media and Performance in the Musical Raymond Knapp,Mitchell Morris,Stacy Wolf,2018-09-04 Media and Performance in the Musical explores the American musical both from the standpoint of media in which musicals have been created and from the people who do the work to bring a musical to life **The Bloodhounds of Broadway and Other Stories** Damon Runyon,1981
