**What Were They Thinking?** David Hofstede, 2004 TV is never short of bad ideas as demonstrated in a guide to one hundred of television's most memorable blunders and bloopers arranged in a count down format and including information on each incident that seeks to answer the question of Why did this happen Original Lippincott's Monthly Magazine, 1906

The Seductive Image K. Lloyd Billingsley, 1999-07-30 Discusses the impact and influence of television and film on society  
*Directed by Allen Smithee* Jeremy Braddock, Stephen Hock, 2001 Allen Smithee specializes in the mediocre He is versatile He is prolific And he doesn't exist From 1969 until 1999 Allen Smithee was the pseudonym adopted by Hollywood directors when they wished not to be associated with films ostensibly of their making Encompassing over fifty films of various stripes B movies sequels music videos made for TV movies Smithee's three decades of work affords the authors of this volume a unique opportunity to reassess the claims of auteurism both in its traditional guise and in the more commodified form it currently assumes Sometimes treating Smithee as an auteur in much the same way critics and scholars have treated directors as diverse as Douglas Sirk Abbas Kiarostami and Quentin Tarantino the contributors reclaim new possibilities for auteurist filmmaking and film studies even as they show what an empty display it has recently become In accounting for this change the essays in this volume employ innovative theories of authorship to recapture the subversive effect that auteurism once enjoyed Thus the Smithee name becomes part of a larger discussion of the economics and history of pseudonyms in filmmaking notably in the blacklist of the 1950s as well as an opportunity to employ Jacques Derrida's theory of the signature to recover obscured economic and historic contexts within Smithee's films Unique in its focus innovative in its approach  
*Directed by Allen Smithee* argues that it is precisely through throwaway films such as Smithee's that recent Hollywood cinema can best be studied *The Clay Girl* Tucker, Heather, 2016-10-11 A stunning and lyrical debut novel Vincent Appleton smiles at his daughters raises a gun and blows off his head For the Appleton sisters life had unravelled many times before This time it explodes Eight year old Harriet known to all as Ari is dispatched to Cape Breton and her Aunt Mary who is purported to eat little girls But Mary and her partner Nia offer an unexpected refuge to Ari and her steadfast companion Jasper an imaginary seahorse Yet the respite does not last and Ari is torn from her aunts and forced back to her twisted mother and fractured sisters Her new stepfather Len and his family offer hope but as Ari grows to adore them she's severed violently from them too when her mother moves in with the brutal Dick Irwin Through the sexual revolution and drug culture of the 1960s Ari struggles with her father's legacy and her mother's addictions testing limits with substances that numb and men who show her kindness Ari spins through a chaotic decade of loss and love the devilish and divine with wit tenacity and the astonishing balance unique to seahorses *The Clay Girl* is a beautiful tour de force about a child sculpted by kindness

cruelty and the extraordinary power of imagination and her families the one she s born in to and the one she creates
