Gypsy Traveller Students in Secondary Schools Chris Derrington, Sally Kendall, 2004 This book presents the findings from the first British national longitudinal study of Gypsy Traveller students in secondary schools This unique phenomenological study sponsored by the Nuffield Foundation documents the educational experience of 44 Gypsy Travellers in secondary schools since 2000

Gypsy and Traveller Girls Geetha Marcus, 2019-01-25 This book presents the untold stories of Gypsy and Traveller girls living in Scotland Drawing on accounts of the girls lives and offering space for their voices to be heard the author addresses contemporary and traditional stereotypes and racialised misconceptions of Gypsies and Travellers Marcus explores how the stubborn persistence of these negative views appears to contribute to policies and practices of neglect inertia or intervention that often aim to civilise and further assimilate these communities into the mainstream settled population It is against this backdrop that the book exposes the girls racialised and gendered experiences which impact on their struggles as young people to realise their potential and future prospects Their narratives reveal the strengths of a distinct community and the complexity of their silence and agency within the patriarchal structures that pervade the private spaces of home and the public spaces of education This study also invites the reader to reflect on how the experiences of Gypsy and Traveller girls compares with young women from other social backgrounds and questions if there is more that binds us than divides us as women in the modern world *Gypsy and Traveller Girls* will be of interest to students and scholars across a range of disciplines including sociology education gender studies and social policy

Migration, Education and Socio-Economic Mobility Nitya Rao, 2014-06-11 The primacy of education in development agendas is unquestioned With the gradual acknowledgement of the potential benefits that migration can hold for development the relationship between migration and education is a growing area of research *Migration Education and Socio Economic Mobility* explores how the decisions people make in terms of both their migration choices and educational investments mediated as they are by gender class caste and nationality can potentially contribute to earning incomes building social and symbolic capital or reshaping gender relations all elements contributing to the process of economic and social mobility Much of the existing literature examining the links between migration and education focuses either on the investment of migrant remittances in the education of their children back home or on brain drain that refers to the migration of skilled workers from the developing to the developed world Most of these discussions are firmly rooted in materialist arguments and while undeniably important tend to underplay the social processes through which migration and education interact to shape people s lives identities and status in society Along with economic security people also aspire to social mobility and status enhancement The ideas presented in this book take a more varied and nuanced view of the relationship between education and migration This book was originally published as a special issue of *Compare A Journal of Comparative and International Education*

Traveller, Nomadic and Migrant Education Patrick Alan Danaher, Máirín Kenny, Judith Remy Leder, 2009-04-10 This edited collection

explores the challenges and innovations in providing education for mobile communities across the world While obstacles such as negative stereotypes and centuries old prejudice remain problematic the book also shows how educational innovations such as online education and mobile schools are bringing mobility and schooling together Gypsies and Travellers in Housing Smith, David M.,Greenfields, Margaret,2013-07-17 This original and timely text is the first published research from the UK to address the neglected topic of the increasing and largely enforced settlement of Gypsies and Travellers in conventional housing It highlights the complex and emergent tensions and dynamics inherent when policy and popular discourse combine to frame ethnic populations within a narrative of movement The authors have extensive knowledge of the communities and experience as policy practitioners and researchers and consider the changing culture and dynamics experienced by ethnic Gypsies and Travellers They explore the gendered social health and economic impacts of settlement and demonstrate the tenacity of cultural formations and their adaptability in the face of policy driven constraints that are antithetical to traditional lifestyles The groundbreaking book is essential reading for policy makers professionals and practitioners working with housed Gypsies and Travellers It will also be of interest to sociologists anthropologists social policy and housing specialists and anybody interested in the experiences and responses of marginalized communities in urban and rural settings Royalties for this book are to be divided equally between the Gypsy Council and Travellers Aid Trust

Critical Pedagogies of Discomfort in Practice and Professional Education Fiona Cullen,Mike Seal,Michael Whelan,2025-06-12 This book explores the scope for discomfiting pedagogies within practice and professional education contexts in order to consider the ethical challenges associated with exploring complex and sensitive areas of practice and everyday life Questions explored include How is discomfort handled within professional training What spaces remain for critical reflection dialogue and compassionate challenge within practice and professional education spaces What are the ethical implications of critical pedagogic practice in University based professional education and other training settings How does compassion and care intersect with developing critical pedagogical approaches on thorny and sensitive issues How do identities and investments play out in education and training spaces and to what effect What are the limits of safe space within professional education contexts Bringing together scholars practitioners and students who draw on themes of social justice in their pedagogical practice the contributors unpack the debates around how to reflect on challenge and explore critical and sensitive issues in social justice education in professional contexts Consideration is given to how decisions in relation to notions of safety and discomfort should be made and who is empowered to make these decisions **Mobile Learning Communities** Patrick Alan Danaher,Beverley Moriarty,Geoff Danaher,2009-06-01 Mobile Learning Communities explores the diverse ways in which traveling groups experience learning on the run This book provides empirical evidence that draws on the authors 17 years of continuing research with international occupational Travelers It engages with themes such as workplace learning globalization multiliteracies and emerging technologies which impinge on the ways mobile

groups make sense of themselves as learning communities International in focus this book deals with an issue of increasing global significance and shows the complexities of the lives and learning experiences of such mobile cultures and their strategies for earning learning and living thus challenging simplistic and stereotypical images of traveling groups still found in mainstream media and popular culture Mobile Learning Communities brings together for the first time mobilities and learning communities into a single and comprehensive focus It provides a detailed analysis of how mobile groups position themselves and how they are positioned by others This text will appeal to scholars in the field of distance education and educational technology and to researchers in education cultural studies and sociology It will also be of interest to educational instructors policy makers and administrators as well as teacher educators and pre service teachers It paints a vivid picture of the experience of mobility through the words of the mobile learners themselves but also critiques existing notions of learning and suggests ways of creating new educational futures for all learners and educators **Bottom Set Citizen** Paula

Ambrossi,2024-03-19 While research evidence shows the negative impact of ability grouping on children this book suggests that the reason the practice is still embraced is the unspoken allegiance to the values of empire that governments schools and many parents still uphold promoting competition and hierarchies over and above ethical principles on the education of society s most vulnerable our children The practice which happens across social class humiliates children deemed less academically able by rounding them up in front and in opposition to their better intellectual peers Wielding knowledge as a weapon of humiliation warps children s relationship to organized forms of knowledge making them antagonistic or indifferent towards it This book responds to Michael Young s The Rise of the Meritocracy by focusing on the plight of those who are educationally placed in opposition to the intellectual elites the bottom set citizen rich or poor and ready to vote This book will appeal to anyone concerned with democracy and children s rights in education including the rich on whom I shine the light of deficit for a change Thus Donald Trump and Nigel Farage exemplify the bottom set citizen in all his facilitated glory Other more vulnerable BSCs are not as lucky *Comparative Public Policy* Anneliese Dodds,2018-03-29 The second edition of this

popular textbook combines coverage of public policies in different countries with the conceptual and methodological frameworks for analysing them This new edition pays particular attention to the international contexts of ideas interests and institutions in which decision makers operate In addition it considers the bilateral multilateral and transnational aspects of policy making in today s interconnected world This is a core text for introductory modules on undergraduate and postgraduate public policy public management and public administration programmes In addition it will be useful for those courses that take a comparative approach to specific policy areas such as welfare health and education With a focus on enabling students to draw their own comparisons it is the ideal choice for lecturers across the world New to this Edition New and improved chapter structure places conceptual discussion before the empirical analysis leading to a stronger emphasis on big picture questions throughout Increased attention to contemporary relevant policy issues such as migration climate

change and security Quantitative and descriptive data has been systematically updated *Gypsies and Travellers* Joanna Richardson, Andrew Richard Ryder, 2012 This title brings together some of the top experts in their fields to help the reader to understand Gypsy and traveller identity

Teaching and Learning in Diverse and Inclusive Classrooms Gill Richards, Felicity Armstrong, 2010-10-18 How can you develop effective teaching strategies so that all the children in your classroom are included in meaningful and enriching learning experiences What can you do to help young people from diverse backgrounds achieve their full potential Addressing the wide variety of issues of diversity and inclusion routinely encountered in today's classrooms this comprehensive text provides both a theoretical background and practical strategies Chapters from leading figures on inclusive education present and analyse the latest debates research studies and current initiatives including considerations for teaching and learning and concluding with key questions for reflection and additional resources Moving beyond simple theory about diversity to what this means for real teachers practice the contributions focus on issues relating to values and professional practice for teachers emphasising inclusive approaches and the importance of understanding the perspectives of learners Topics discussed include understanding inclusive education ethnic and cultural diversity challenging behaviour bullying gender identity and sexuality gifted and talented learners traveller children special educational needs collaborative working in schools the perspective of parents Designed to stimulate and strengthen teachers professional understanding the book also reflects on legislative duties personal values and the importance of listening to the voice of individuals who experience disadvantage in educational settings Teaching and Learning in Diverse and Inclusive Classrooms is a key resource for teachers supporting their learning throughout their initial training and early professional development It will also be of interest to more experienced teachers interested in diversity and inclusion particularly those mentoring NQTs through their induction and Masters level studies

Confronting Obstacles to Inclusion Richard Rose, 2010-07-08 Confronting Obstacles to Inclusion uniquely and comprehensively addresses interpretations of inclusive education by drawing upon the experiences and expertise of leading writers and academics who have direct experience of teaching and researching this area around the world This landmark publication combines theoretical chapters with practical material demonstrating how the theories can be put in to action in the classroom The contributors who all have regular contact with pupils and teachers in inclusive settings provide a broad spectrum of ideas examine a number of key themes and interpret these in an international context such as the causes of exclusion the obstacles to inclusion and how these can be overcome supporting families how we can learn from students professional development enhancing teaching and learning support in the classroom This authoritative text will be of immense interest and use to practitioners policy makers researchers and campaigners who are working towards a more equitable and inclusive society Through a synthesis of theory and practice the book offers readers an opportunity to explore local national and international perspectives and raises questions with regards to our current understanding of inclusion Whilst the interrogation of the concept of inclusion is in itself important the book provides examples of professional approaches to the key questions which are currently challenging the education of a diverse range of learners

Educational Binds of Poverty Ceri Brown, 2014-12-17 Shortlisted for BBC Radio 4's Thinking Allowed's second Ethnography Awards in partnership with the British Sociological Association *Educational Binds of Poverty* tackles the assumptions made by many recent social and educational policy initiatives suggesting that the best way to improve educational prospects of children in poverty is through an increased emphasis upon a culture of control discipline regulation and accountability In this book Ceri Brown presents these assumptions against a review of the research literature and an original ethnographic longitudinal study into the lives of children in poverty in order to highlight the gap between policy discourses and the lived experiences of children themselves Through the theoretical concept of a set of binds against educational success the book explores four key areas that children in poverty have to navigate if they are to be successful in school These are material deprivation the cultural contexts of school home and the community friendship and social capital the effects of student mobility through atypical school changes In seeking to characterise and explain what life is like for young school children this book questions why policy makers have a radically different frame of reference in purporting to understand how their policies will change the behaviour of those living in poverty This leads onto a consideration of what lessons may be learned in order to contribute towards a more appropriate policy agenda that attends to the multiple binds that children in poverty have to negotiate

American Roma Melanie R. Covert, 2018-05-31 *American Roma* A Modern Investigation of Lived Experiences and Media Portrayals explores the representation of American Roma from the nineteenth century to today by examining portrayals in newsprint television movies and social media The lived experiences of American Roma are considered through the lens of twenty three Roma men and women who live across the United States Their stories highlight experiences across almost a

hundred years of life in the United States and are compared with narratives collected from European Roma lives Their narratives catalogue the extreme prejudice they have encountered in America and the struggles they have faced economically socially and educationally Their narratives highlight their involvement in the civil rights movement a history of fighting for equality under discriminatory laws and unfair treatment by law enforcement The role of Roma women in the fight for equality is also highlighted as readers come to understand their position at the intersection of ethnicity and gender This book is a new look at Roma ethnicity explored from the perspective of the American Roma about American Roma *Hearing the voices of Gypsy, Roma and Traveller communities* Ryder, Andrew, Cemlyn, Sarah, Acton, Thomas, 2014-10-08 Over the past decade interest in Gypsies Roma and Travellers GRT has risen up the political and media agendas but they remain relatively unknown This topical book is the first to chart the history and contemporary developments in GRT community activism and the community and voluntary organisations and coalitions which support it Underpinned by radical community development and equality theories it describes the communities struggle for rights against a backdrop of intense intersectional discrimination across Europe and critiques the ambivalent role of community development in fostering these campaigns Much of it co written by community activists it is a vehicle for otherwise marginalised voices and an essential resource and inspiration for practitioners lecturers researchers and members of GRT communities

Social and Economic Vulnerability of Roma People Maria Manuela Mendes, Olga Magano, Stefánia Toma, 2021-02-08 This open access volume provides an understanding of the different aspects of success school continuity and social mobility among European Roma including the motives justifying the high rates of school dropout and failure among this group It offers a critical and reflexive perspective about social reality from a multidisciplinary and transversal point of view sharing knowledge and practices in different countries about the articulations between Roma families individuals school and public policies Over time there has been an increase in the educational attainment of European citizens but there are still persistent inequalities between Roma and non Roma including gender inequalities which greatly affect Roma women The volume explores the issue of Roma education and includes chapters from Western European South and Central and Eastern European researchers using different theoretical and methodological perspectives The intersection of this diversity and plurality of standpoints makes possible to obtain a comprehensive view on the education and schooling of European Roma

Traveller Education in the Mainstream Brian Foster, Anne Walker, 2015-08-24 Ethnic monitoring of Gypsy Roma Travellers since 2003 has resulted in their education becoming a national priority supported by the National Strategies and the OFSTED inspection framework A national network of Traveller Education Support Services works to enable Gypsy Roma Travellers to become active participants in their children s education schools and local authorities to respond to their needs and pupils to have continuity of education through transitions and when mobile This book aims to provide the basic background information for anyone involved in supporting this process The information is organised in accessible cross referenced sections so readers can go

straight to the section most relevant to their needs Racial Discrimination Masoud Kamali,2010-08-18 This multidisciplinary text identifies and investigates the variety of practices that make up the complex phenomena of racism and xenophobia In systematically analyzing these problems Kamali contributes to a deeper understanding of the forces underlying xenophobia and racism and to generating more effective anti racial and integrative policy making **NFER News** ,2003
