Departamento Diocesano de Catequesis de Sevilla, 1996 Catechists guide **Hablamos Con Nuestro Padre Dios Libro Del Profesor** Amador Menudo Sivianes, 1988-06-01 El Buen Pastor y el niño Sofia Cavalletti, 2021-04-01 This is a revised and updated version of a classic introduction to the Catechesis of the Good Shepherd's approach to nurturing the child's spiritual life First published in 1993 this revised work 20 years later reflects the wisdom and insight gained throughout these years from working directly with children It is not only for catechists of the Good Shepherd but for parents and educators who wish to learn more about how to understand and gently encourage the child's natural spiritual development As was said about the first edition The constant message of this book is that children's natural openness to and

wonder of God's presence can be nurtured by caring adults who listen, pray and journey with them in faith. It is through hearing and learning with the heart about the story and the image of the Good Shepherd that children can be led to the joy of the Good News. *Criterio*, 1976 **Revista de educación nº 67**, *LEV*, 1999 **Bibliografía de la lengua valenciana** José Ribelles Comín, 1929 **Revista de Educación**, 1957
