□□□□□□□□ □□□□□□ □□□□ Roberta Kalechofsky,1993 **Judaism and Vegetarianism** Richard H. Schwartz,2001 From God's first injunction Behold I have given you every herb yielding seed which is upon the face of all the earth and every tree in which is the fruit of a tree yielding seed to you it shall be for food Gen 1 29 The Hebrew Bible offers countless examples of how God intends a compassionate and caring attitude toward animals our health and the health of the planet This attitude as Richard Schwartz shows in his pioneering work now fully revised has been a constant theme throughout Judaism to the present day Indeed Judaism's particular concern for tikkun olam a healing of the world has never been more urgent today given the current state of world hunger environmental degradation and the horror of factory farms Dr Schwartz shows not only how Judaism is particularly well suited to solving these problems but how doing so can revitalize one's Jewish faith

People Promoting and People Opposing Animal Rights John M. Kistler,2002-11-30 What is the difference between animal rights and animal welfare What inspires people to take on the different causes of non human animals How do people vary in their views on the rights of animals Students will be encouraged to think critically as they discover there are no black and white answers to these and other questions This fascinating collection of profiles is written by and about those who are actively involved in the pro con aspects of the animal rights and animal welfare movements Over 35 individual stories written by those who are on the frontlines fighting for what they believe bring the controversies surrounding animal rights and welfare into sharp focus The same interview questions were asked of each participant Readers will enjoy the personal element of these profiles while discovering the similarities and differences among those involved in these movements An introduction to the volume provides students with the definitions and background information they need to clearly understand the entries that follow and to encourage them to question what they read and to draw their own conclusions

Ochs,2020-03-17 The life and times of a treasured book read by generations of Jewish families at the seder table Every year at Passover Jews around the world gather for the seder a festive meal where family and friends come together to sing pray and enjoy traditional food while retelling the biblical story of the Exodus The Passover Haggadah provides the script for the meal and is a religious text unlike any other It is the only sacred book available in so many varieties from the Maxwell House edition of the 1930s to the countercultural Freedom Seder and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service The Haggadah is also the only religious book given away for free at grocery stores as a promotion Vanessa Ochs tells the story of this beloved book from its emergence in antiquity as an oral practice to its vibrant proliferation today Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah She discusses the book s origins in biblical and rabbinical literature its flourishing in illuminated manuscripts in the medieval period and its mass production with the advent of the printing press She looks at Haggadot created on the kibbutz those reflecting the Holocaust feminist and LGBTQ themed Haggadot and even one featuring a popular television show The Marvelous Mrs Maisel Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all
