**As a Kite Falls** Richard Tyler, 2024-06-27 We have become fixated on ascent in our lives achieving more being quicker and rising up But what if we are missing the richest life lessons by repressing the difficulties we experience Both ascent and descent are vital in life Yet whilst we are educated on how best to ascend it is rare we are supported as we descend Instead we are encouraged to hide those times from ourselves and others Richard's descent was epic From playing lead roles on West End stages to receiving a diagnosis of three months to live with a rare cancer In this heartfelt and moving story Richard offers a glimpse into his year of monumental descent He invites us to accompany him as he navigates loss grief and heartache in a tale of the beauty and the ugliness of the human condition How when illness struck unexpected love and compassion became the secret healer Something Richard was determined to share by setting up a charity for others with blood cancer As a Kite Falls offers food for thought and medicine for the soul Richard's humility humour and grace shine through on every page He uses the flow of the seasons and the deceptively simple art of haiku to bring us closer to the importance of space and pause in our lives Richard's training in psychotherapy adds a deeper layer of understanding of what it means to be human while acknowledging that none of us can truly make sense of the load others carry In a world drowning in noise As a Kite Falls gifts us a place of quietening down to listen to our own whispers **Women Workers in Hawaii's Pineapple Industry** University of Hawaii at Manoa. **The Woman Without a Hole - & Other Risky Themes from Old Japanese Poems** Robin D. Gill, 2007 17 syllabet Japanese poems about human foibles sans season i.e. not haiku were introduced a half century ago by RH Blyth in two books Edo Satirical Verse Anthologies and Japanese Life and Character in Senryu Blyth regretted having to introduce not the best senryu but only the best that were clean enough to pass the censors In this anthology compiled translated and essayed by Robin D Gill like Blyth a renowned translator of thousands of haiku we find 1 300 of the senryu and zappai that would once have been dangerous to publish The book is not just an anthology of dirty poems such as Legman's classic Limericks or

Burford's delightful Bawdy Verse but probing essays of thirty themes representative of the eros both real and imaginary of Edo at the time the world's largest city Japanese themselves use senryu for historical documentation of social attitudes and cultural practices thousands of senryu and the related zappai including many poems we might consider obscene serve as examples in the Japanese equivalent of the OED nipponkokugodajiten The specialized argot obscure allusions and ellipsis that make reading dirty senryu a delightful riddle for one who knows just enough to be challenged yet not defeated make them impenetrable to outsiders so this educational yet entertaining resource has not been accessible to most students of Japanese and the limited translations prove that even professors have difficulty with it This book tries to accomplish the impossible it includes all the information original poems pronunciation explanation glossary needed to help specialists improve their senryu reading skills while refraining from full citations to leave plenty of room for the curious monolingual to skip about the eclectic goodies Published simultaneously with two titles as an experiment     *A Portrait of the Self as Nation: New and Selected Poems* Marilyn Chin, 2018-10-16 Dark playful incisive and heartbreaking San Diego Union Tribune

Spanning thirty years of dazzling work from luminous early love lyrics to often anthologized Asian American identity anthems from political and subversive hybrid forms to feminist manifestos *A Portrait of the Self as Nation* is a selection from one of America's most original and vital voices Marilyn Chin's passionate polyphonic poetry is deeply engaged with the complexities of cultural assimilation feminism and the Asian American experience she spins precise beautiful metaphors as she illuminates hard hitting truths
