Virginia Browne, Linda Hamner, 2000-11-12 Tyrone Never but never come when your name is called In fact the moment you hear your name compress your body into the size of an olive become as still and invisible as a

salesperson at Bloomingdale s and go back to sleep Cleo then my daddy got to the check in desk and announced in a loud stentorian voice that his stupid cat was constipated Hey buddy could you say it a little louder I don t think the folks in Ames Iowa heard you From dreaming of catnip fields and tummy rubs to driving their mommies crazy Cleo and Tyrone keep a busy schedule But they take time out to correspond and share their thoughts polemics really about dogs fashion real estate medical science fine dining cinema poetry haiku included and the pitiful state of their owners social lives More than treatises on the feline and human condition this is also a love story Cleo and Tyrone often dramatically ok melodramatically compare themselves to Romeo and Juliet blaming their evil owners for keeping them apart Cleo and Tyrone can each be vain self centered and manipulative but somehow in spite of all their scheming ways they still manage to wrap their furry little paws around your heart and hold on for a lifetime      **Haiku-Noir** Nick Archer,2019-11-07 A thriller like nothing you ve read before A girl runs for her life whilst across town moonlighting noodle van owner Tetsuo Smith accepts an offer he should have refused For both of them the night will bring adventure blood shed and thrills Haiku Noir is a thriller told in the style of you guessed it haiku poetry Does it work Found out for yourself      **Creating with Mobile Media** Marsha Berry,2017-09-29 This book investigates the convergence between locative mobile and social media in order to show how people use mobile media for their creative practice creative writing photography video and filmmaking The central thematic focus of this book explores how mobile media has created new opportunities and contexts for creative practitioners It draws together creative practice research with non representational theory and digital ethnography to provide a fresh perspective on the place mobile media has in our everyday creative lives Fictionalized and semi fictional vignettes are used to present empirical material taken from fieldnotes and interviews to demonstrate how new forms and genres of art making have arisen because of the affordances of mobile media The chapters in this volume have been arranged into a sequence according to the kinds of actions that make up various creative practices      **A Charm of Finches** Richard Stevenson,2004 With A Charm of Finches Richard Stevenson continues the project he began with Hot Flashes illuminating his own experience through the skillful use of Japanese poetic forms Once again he distills the essence of a time and place through his own participation as witness and chronicler to an ongoing human story      *Twenty-First-Century Symbolism* Nikolaj Lübecker,2022-04-15 Twenty First Century Symbolism was the winner of the 2023 R Gapper Book Prize How do the writings of Verlaine Baudelaire and Mallarm speak to our time Why should we continue to read these poets today How might a contemporary reading of their poetry differ from readings delivered in previous centuries Twenty First Century Symbolism argues that Verlaine Baudelaire and Mallarm prefigure a view of human subjectivity that is appropriate for our times we cannot be separated from the worlds in which we live and evolve human beings both mediate and are mediations of the environments we traverse and that traverse us whether these are natural urban linguistic or technological environments The ambition of the book is therefore twofold on the one hand it aims to offer new readings of the three poets demonstrating their continued relevance for

contemporary debates putting them into dialogue with a philosophical corpus that has not yet played a role in the study of nineteenth century French poetry on the other the book relies on the three poets to establish an understanding of human subjectivity that is in tune with our twenty first century concerns *Oregon Eco-Friendly Wine* Clive S.

Michelsen,2008-10-01 Filled with intimate profiles of Oregon s ecologically responsible wineries and winemakers this is the first book to spotlight green pioneers of the wine industry Richly photographed the book takes the reader into Oregon s famed vineyards and shows the work involved in sustainable viticulture as well as the satisfaction of making some the world s best pinot noirs while being proper stewards of the land Wine recommendation and a complete winery directory are also included **Screen Production Research** Craig Batty,Susan Kerrigan,2017-12-19 Aimed at students and educators across

all levels of Higher Education this agenda setting book defines what screen production research is and looks like and by doing so celebrates creative practice as an important pursuit in the contemporary academic landscape Drawing on the work of international experts as well as case studies from a range of forms and genres including screenwriting fiction filmmaking documentary production and mobile media practice the book is an essential guide for those interested in the rich relationship between theory and practice It provides theories models tools and best practice examples that students and researchers can follow and expand upon in their own screen production projects Travellers' Visions Akane Kawakami,2005-01-01
