heart of Japanese culture and must see places from a uniquely Japanese perspective First visit Kyoto where you will discover 1 000 years of history from the ancient love story the Tale of Genji to the traditional tea ceremony Then head to Tokyo to experience Japan's cutting edge capital where the 21st century kawaii culture collides with landmarks like the Kabuki za Theater and the Imperial Palace For a different perspective venture outside the city to the serene towns of Tohoku the region largely affected by the 2011 tsunami disaster Informative entertaining and useful this book is an ideal introduction for any traveler looking for a deeper understanding of Japanese culture past and present Richard Wright's Travel Writings Virginia Whatley Smith, 2012-01-31 Attracted to remote lands by his interest in the postcolonial struggle Richard Wright 1908-1960 became one of the few African Americans of his time to engage in travel writing He went to emerging nations not as a sightseer but as a student of their cultures learning the politics and the processes of social transformation When Wright fled from the United States in 1946 to live as an expatriate in Paris he was exposed to intellectual thoughts and challenges that transcended his social and political education in America Three events broadened his world view his introduction to French existentialism the rise of the Pan Africanist movement to decolonize Africa and Indonesia's declaration of independence from colonial rule in 1945 During the 1950s as he traveled to emerging nations his encounters produced four travel narratives Black Power 1953 The Color Curtain 1956 Pagan Spain 1956 and White Man Listen 1957 Upon his death in 1960 he left behind an unfinished book on French West Africa which exists only in notes outlines and a draft Written by multinational scholars this collection of essays exploring Wright's travel writings shows how in his hands the genre of travel writing resisted adapted or modified the forms and formats practiced by white authors Enhanced by nine photographs taken by Wright during his travels the essays focus on each of Wright's four separate narratives as well as upon his unfinished book and reveal how Wright drew on such non-Western influences as the African American slave narrative and Asian literature of protest and resistance The essays critique Wright's representation of customs and people and employ a broad range of interpretive modes including the theories of formalism feminism and postmodernism among others Wright's travel books are proved here to be innovative narratives that laid down the roots of such later genres as postcolonial literature contemporary travel writing and resistance literature Virginia Whatley Smith is an associate professor of English at the University of Alabama Birmingham Her work has appeared in African American Review Mississippi Quarterly and MLA Approaches to Teaching Wright's Native Son **The Year of My Life, Second Edition**, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1960 **A to Zoo** Carolyn W.
