literature through 1994 with a new 2003 postscript including such recent phenomenons as J K Rowling and Philip Pullman
Written for Children traces the development of children s literature from its origins through the beginnings of the multimedia
revolution In effortless and entertaining style Townsend a world renowned authority in the field examines the changing
attitudes toward children and their literature and analyzes the various strands that make up this important field While
examining many well known American classics Townsend also looks at British works that American audiences may have
overlooked With illustrations and bibliography
