beneficiaries to craft policy Next it delivers insights derived from a forensic analysis of Woodrow Wilson s perception of race and his decision to intervene in Haiti Attitudes enabling United States military leaders to implement a policy of occupation are provided through a study of Admiral William Caperton s role in the intervention The focus then telescopes out to inspect the role played by the press especially as booster for commercial opportunities In short the project answers the questions of why who and how American empire was undertaken through the case study of Haiti and its occupation in 1915 **Between Two Worlds** Celucien L.
