Hajj & Umrah from A to Z Mamdouh N. Mohamed,1996

A Guide to Hajj and Umrah Anis Matthews,Daud Matthews,2014-04-24 The authors have drawn on their own experience of living in Saudi Arabia for 23 years to write A Guide for Hajj and Umrah It is an enlightening spiritual and practical guide for the sacred journeys of Hajj and Umrah Its a guided tour through a number of very meaningful emotional and religious experiences But its also so much more It is a journey of self discovery as well as the discovery of Islam Its a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story telling The text itself is well written and simple getting straight to the heart of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime The photographs displayed near the end of the book are astounding and original especially for readers from Non Muslim countries who have in all probability never before seen such sights as the spellbinding pure as snow brightness of Masjid Nabawi at night or the sober splendor of the Prophet s Mosque Interspersed with the practical maps tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah the Most Powerful and Compassionate as well as a thrilling narration of Islam s early history and lore Particularly moving and evocative is the beautifully retold beginning of sa ee the struggle as an act of absolute trust in Allah as displayed by a desperate and lonely Hajar Especially touching and profound is the authors recommendation to work hard on understanding the du as recited as a pilgrim instead of simply carrying pamphlets and reciting them in blind fashion without understanding their meaning Such a warning is a necessity as casualness might well impair the sincerity of the appeal which should come straight from the pilgrim s heart In short this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam
