Hal In The Classroom Science Fiction Films:

Hal in the Classroom Ralph J. Amelio,1974 **Science Fiction Film Directors, 1895-1998** Dennis Fischer,2011-12-14

This enormous and exhaustive reference book has entries on every major and minor director of science fiction films from the inception of cinema circa 1895 through 1998 For each director there is a complete filmography including television work a career summary a critical assessment and behind the scenes production information Seventy nine directors are covered in especially lengthy entries and a short history of the science fiction film genre is also included **Inside Science Fiction** James Gunn,2006-03-21 James Gunn has had a long and distinguished career in science fiction In addition to his stories and novels he has written extensively about the reading writing and criticism of science fiction Many of these essays were published in *The Science of Science Fiction Writing* Scarecrow 2002 A second collection of essays *Inside Science Fiction* was originally published in 1992 and is now available in this revised updated and expanded edition With the addition of five new articles written since 1992 *Inside Science Fiction* represents Gunn s latest thoughts about the genre The book is divided into four major sections that tackle various aspects of the genre *Getting Inside Science Fiction* in which Gunn discusses his relationship with the genre *Science Fiction and the Teacher* illustrates various approaches to teaching science fiction *Science Fiction on Film and Television* deals with the film industry s approaches to science fiction in particular Gunn s experiences of seeing his novel *The Immortals* turned into a made for television movie and subsequent series *Science Fiction and the Real World* examines the impact of science fiction on the world and what the future holds for the genre *Inside Science Fiction* offers a complete overview of science fiction for readers and viewers from an author reader and teacher who has seen it from all sides for more than seventy years **Film and the Nuclear Age** Toni A. Perrine,2019-01-22 Just as we generally pay scant attention to the potential dangers of nuclear power and nuclear war until quite recently scholars have made limited critical attempts to understand the cultural manifestations of the nuclear status quo Films that feature nuclear issues most often simplify and trivialize the subject They also convey a sense of the ambivalence and anxiety that pervades cultural responses to our nuclear capability The production of popular narrative films with nuclear topics largely conforms to periods of heightened nuclear awareness or fear such as the fear of fallout from nuclear testing manifested in the atomic creatures in science fiction movies of the late 1950s By their very numbers and through a set of recurring stylistic and narrative conventions nuclear films reflect a deep seated cultural anxiety This study includes detailed textual analysis of films that depict nuclear issues including the development and use of the first atomic bombs nuclear testing and the fear of fallout nuclear power the Cold War arms race loose nukes and future nuclear war and its aftermath Includes bibliographic references index filmography choronology Illustrated Science-fiction Studies ,1993 *Retrofitting Blade Runner* Judith Kerman,1991 This book of essays looks at the multitude of texts and influences which converge in Ridley Scott s film *Blade Runner* especially the film s relationship to its source novel Philip K Dick s *Do Androids Dream of Electric Sheep* The film s

implications as a thought experiment provide a starting point for important thinking about the moral issues implicit in a hypertechnological society Yet its importance in the history of science fiction and science fiction film rests equally on its mythically and psychologically resonant creation of compelling characters and an exciting story within a credible science fiction setting These essays consider political moral and technological issues raised by the film as well as literary filmic technical and aesthetic questions Contributors discuss the film's psychological and mythic patterns important political issues and the roots of the film in Paradise Lost Frankenstein detective fiction and previous science fiction cinema

Resources in Education, 1975 **Film Genre Reader III** Barry Keith Grant, 2003-12-01 More than 30 essays by some of film's most distinguished critics are included in this volume which presents the latest developments in genre study including teen films

genre hybridity neo noir genre in the age of globalization an up to date bibliography **Alien Zone II** Annette Kuhn, 1999-12-17 Alien Zone II presents some of the exciting new voices in the current debates It continues to pursue the critical and theoretical issues opened up in the earlier book and energetically explores fresh territory **Keep Watching the Skies!** Bill Warren, 2017-01-12 Bill Warren's Keep Watching the Skies was originally published in two volumes in 1982 and 1986 It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film In addition to a detailed plot synopsis full cast and credit listings and an overview of the critical reception of each film Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making The book contains 273 photographs many rare 35 in color has seven useful appendices and concludes with an enormous index This book is also available in hardcover format ISBN 978 0 7864 4230 0

Alien Zone Annette Kuhn, 1990-05-17 A collection of essays bringing science fiction cinema into the ambit of film and cultural theory **Sex, Politics, and Religion in Star Wars** Douglas Brode, Leah Deyneka, 2012-07-02 In 1977 Star Wars blazed across the screen to become one of the highest grossing and most beloved movies of all time spawning an unprecedented merchandising phenomenon It was followed by two sequels and three prequels all of which became blockbusters Comic books novels graphic novels and magazines devoted to the films added to the mythology of George Lucas's creation Despite the impact of the franchise on popular culture however discussion of the films from a scholarly perspective has not kept pace with the films In Sex Politics and Religion in Star Wars An Anthology Douglas Brode and Leah Deyneka have assembled a provocative collection of essays exploring some of the more intriguing aspects of the Star Wars phenomenon Contributors to the volume tackle such hot topics as race and racism in the Star Wars galaxy Judeo Christian and Eastern religious themes homosexual romance and philosophical and political implications both earthbound and otherworldly These essays interpret the Star Wars universe from a variety of perspectives including feminist and Freudian offering insights from writers who bring a new passion to the subject A companion volume to Myth Media and Culture in Star Wars Sex Politics and Religion in Star Wars is an authoritative anthology incorporating scholarly analysis with engaging

insights It will engross readers both fans and scholars alike **Guide to Classroom Use of Film/video** Deborah Davidson Boutchard,1981 *Susan Sontag* Leland Poague,Kathy A. Parsons,2021-12-12 Susan Sontag An Annotated Bibliography catalogues the works of one of America s most prolific and important 20th century authors Known for her philosophical writings on American culture topics left untouched by Sontag s writings are few and far between This volume is an exhaustive collection that includes her novels essays reviews films and interviews Each entry is accompanied by an annotated bibliography *Screening Space* Vivian Carol Sobchack,1997 This text attempts to shape definitions of the American science fiction film studying the connection between the films and social preconceptions It covers many classic films and discusses their import seeking to rescue the genre from the neglect of film theorists The book should appeal to both film buff and fans of science fiction *Projections* Lou Anders,2004 Examines the history and people the science and the society the lives times and themes the cultural impact and the critical response of the dynamic genre that is speculative fiction *Youth Culture in Global Cinema* Timothy Shary,Alexandra Seibel,2009-01-27 Coming of age is a pivotal experience for everyone So it is no surprise that filmmakers around the globe explore the experiences of growing up in their work From blockbuster U S movies such as the Harry Potter series to thought provoking foreign films such as Bend It Like Beckham and Whale Rider films about youth delve into young people s attitudes styles sexuality race families cultures class psychology and ideas These cinematic representations of youth also reflect perceptions about youth in their respective cultures as well as young people s worth to the larger society Indeed as the contributors to this volume make plain films about young people open a very revealing window on the attitudes and values of cultures across the globe Youth Culture in Global Cinema offers the first comprehensive investigation of how young people are portrayed in film around the world Eighteen established film scholars from eleven different national backgrounds discuss a wide range of films that illuminate the varied conditions in which youth live The essays are grouped thematically around the issues of youthful resistance and rebellion cultural and national identity including religion and politics and sexual maturation including gender distinctions and coming of age queer Some essays engage in close readings of films while others examine the advertising and reception of films or investigate psychological issues The volume concludes with filmographies of over 700 youth related titles arranged by nation and theme *The Macmillan Film Bibliography: Index* George Rehrauer,1982 **Resources in Education** ,1975 *Them Or Us* Patrick Lucanio,1987 Fans of the old Spook Shows of the 1940 s will be amazed by this book It s packed with vintage posters and lobby cards you can t find anywhere else as well as a great history
