Half Finished Heaven The Social Gospel In American Literature:

Half Finished Heaven William C. Graham,1995 The five best selling novels of the Social Gospel Movement 1865 1920 are examined in this comprehensive text Their force is not just in promulgating but also in developing the movement Graham delves deep into how these novels were instrumental in shaping theology directing popular interest and promoting peaceful progress Contents Mission and Methods Themes and Giants of the Movement Right and Center Josiah Strong The Right Wing Walter Rauschenbusch the Movement s Center God s Special Work In Charles Sheldon s Step Sheldon and Individual Redemption Fiction s Vision Josiah Holland and Edward Bellamy Prepare the Way From Lowly Earth to Vaulted Skies Josiah Holland s Agenda for the Developing Social Gospel Edward Bellamy Preparing Fertile Ground Beyond Charity to Justice with Harold Bell Wright and Winston Churchill Harold Bell Wright A Mirror for Readers Winston Churchill Fiction s Best Expression of the Social Gospel A Story Away from the Kingdom

Half Finished Heaven William C. Graham,1993 The Search for Social Salvation Gary Scott Smith,2000-01-01 In their studies of social Christianity scholars of American religion have devoted critical attention to a group of theologically liberal pastors primarily in the Northeast Gary Scott Smith attempts to paint a more complete picture of the movement Smith s ambitious and thorough study amply demonstrates how social Christianity which included blacks women Southerners and Westerners worked to solve industrial political and urban problems reduce racial discrimination increase the status of women curb drunkenness and prostitution strengthen the family upgrade public schools and raise the quality of public health In his analysis of the available scholarship and case studies of individuals organizations and campaigns central to the movement Smith makes a convincing case that social Christianity was the most widespread long lasting and influential religious social reform movement in American history

Encyclopedia of the Gilded Age and Progressive Era John D. Buenker,Joseph Buenker,2021-04-14 Spanning the era from the end of Reconstruction 1877 to 1920 the entries of this reference were chosen with attention to the people events inventions political developments organizations and other forces that led to significant changes in the U S in that era Seventeen initial stand alone essays describe as many themes

American Hungers Gavin Jones,2009-10-12 Social anxiety about poverty surfaces with startling frequency in American literature Yet as Gavin Jones argues poverty has been denied its due as a critical and ideological framework in its own right despite recent interest in representations of the lower classes and the marginalized These insights lay the groundwork for American Hungers in which Jones uncovers a complex and controversial discourse on the poor that stretches from the antebellum era through the Depression Reading writers such as Herman Melville Theodore Dreiser Edith Wharton James Agee and Richard Wright in their historical contexts Jones explores why they succeeded where literary critics have fallen short These authors acknowledged a poverty that was as aesthetically and culturally significant as it was socially and materially real They confronted the ideological dilemmas of approaching poverty while giving language to the marginalized poor the beggars tramps sharecroppers and factory workers who form a persistent segment of American

society Far from peripheral poverty emerges at the center of national debates about social justice citizenship and minority identity And literature becomes a crucial tool to understand an economic and cultural condition that is at once urgent and elusive because it cuts across the categories of race gender and class by which we conventionally understand social difference Combining social theory with literary analysis **American Hungers** masterfully brings poverty into the mainstream critical idiom

Nineteenth-Century American Women Write Religion Mary McCartin Wearn, 2016-05-06 Nineteenth century American women s culture was immersed in religious experience and female authors of the era employed representations of faith to various cultural ends Focusing primarily on non canonical texts this collection explores the diversity of religious discourse in nineteenth century women s literature The contributors examine fiction political writings poetry and memoirs by professional authors social activists and women of faith including Elizabeth Stuart Phelps Angelina and Sarah Grimk Louisa May Alcott Rebecca Harding Davis Harriet E Wilson Sarah Piatt Julia Ward Howe Julia A J Foote Lucy Mack Smith Rebecca Cox Jackson and Fanny Newell Embracing the complexities of lived religion in women s culture both its repressive and its revolutionary potential **Nineteenth Century American Women Write Religion** articulates how American women writers adopted the language of religious sentiment for their own cultural political or spiritual ends

A Protestant Church in Communist China John Craig William Keating, 2012-02-16 Freedom of religious belief is guaranteed under the constitution of the People s Republic of China but the degree to which this freedom is able to be exercised remains a highly controversial issue Much scholarly attention has been given to persecuted underground groups such as Falun but one area that remains largely unexplored is the relationship between officially registered churches and the communist government This study investigates the history of one such official church Moore Memorial Church in Shanghai This church was founded by American Methodist missionaries By the time of the 1949 revolution it was the largest Protestant church in East Asia running seven day a week programs As a case study of one individual church operating from an historical rather than theological perspective this study examines the experience of people at this church against the backdrop of the turbulent politics of the Mao and Deng eras It asks and seeks to answer questions such as were the people at the church pleased to see the foreign missionaries leave Were people forced to sign the so called Christian manifesto Once the church doors were closed in 1966 did worshipers go underground Why was this particular church especially chosen to be the first re opened in Shanghai in 1979 What explanations are there for its phenomenal growth since then A considerable proportion of the data for this study is drawn from Chinese language sources including interviews personal correspondence statistics internal church documents and archives many of which have never previously been published or accessed by foreign researchers The main focus of this study is on the period from 1949 to 1989 a period in which the church experienced many ups and downs restrictions and limitations The Mao era in particular remains one of the least understood and seldom written about periods in the history of Christianity in China This study therefore makes a significant contribution to our evolving

understanding of the delicate balancing act between compromise co operation and compliance that categorizes church state relations in modern China

God in the Landscape Kerrie Handasyde, 2021-07-15 This book shows how creative writing gives voice to the drama and nuance of religious experience in a way that is rarely captured by sermons reports and the minutes of church meetings The author explores the history of religious Dissent and Evangelicalism in Australia through a variety of literary responses to landscape from both men and women lay and ordained The book explores transnational themes along with themes of migration and travel across the Australian continent The author gives insight into the literature of Protestant Dissent concerned as it is with travel belonging and the intersection of national and religious identity Much of the writing is situated on the road a soldier returning from the Great War a child on a lone adventure a night time journey through urban slums all of these are in some way dependent on the theme of walking with Jesus as the Holy Land travelogues make explicit God in the Landscape draws the links between landscape literature and spirituality with imagination and insight and is an important contribution to the historical study of religion and the environment

The Word and Its Witness Gregory S. Jackson, 2009-03-15 This book explores the history of evangelical culture that began during the Great Awakening revealing its profound impact on the development of media in America

Spirituality, Inc. Lake Lambert III, 2009-11-01 For many Americans spirituality and business seem to be polar opposites one is concerned with lofty questions of ultimate significance the other with mundane matters of the daily grind Yet over the last two decades the two have become increasingly linked and as the barriers between them are broken down many see this as a revolutionary shift in American business culture Lake Lambert III provides a comprehensive examination of the workplace spirituality movement and explores how it is both shaping and being shaped by American business culture Situating the phenomenon in an historical context Lambert surveys the role of spirituality in business from medieval guilds to industrial company towns right up to current trends in the ever changing contemporary business environment Using case studies from specific businesses such as Chick fil A and Hobby Lobby he analyzes the enhanced benefits and support that workplace spirituality offers to employees while exposing the conflicts it engenders including diversity religious freedom and discrimination issues The American workplace today is experiencing dramatic upheaval and change Spirituality Inc offers important insights into the role of religion in this transformation With employees seeking new ways to strike a proper life work balance and find meaning in their everyday lives spirituality in the workplace is a trend that will become increasingly important in the American business landscape Spirituality Inc provides a critical overview of this phenomenon that does not ignore the movement s many positive contributions to the workplace yet does not overlook the potential for abuse

Common Good, Uncommon Questions, 2014

Dimensions of Curiosity Nancy Workman, Therese Jones, 2004-02-09 This book is a celebration of the 50th anniversary of the Lewis University College of Arts and Sciences Editors Nancy Workman and Therese Jones bring together a variety of Lewis University educators and administrators to examine the purpose history and practice of liberal learning while

preparing for the future of education **Religion and Literature** Robert Detweiler, David Jasper, 2000-01-01 Featuring a selection from over 80 key texts this anthology aims to help the reader to understand the common origins of religious expression and of literature The texts included cover classical literature the Bible English and European classics and contemporary works Here Comes Everybody William C. Graham, 2009 Some of these essays were first delivered as lectures in the Here Comes Everybody series to inaugurate the establishment of the Braegelman Program of Catholic Studies at The College of St Scholastica in Duluth Minnesota The authors gathered here begin to suggest something of the depth and breadth of the living Catholic Intellectual Tradition They are leading the way in new and important discussions These programs are about more than Catholic institutions exploring and asserting their identity Surely those involved seek rigorous engagement with the Catholic Intellectual Tradition examining religious ideas and ideals and participating in the study of Catholic thought and culture They seek dialogue with Catholics of all mind sets with Christians from other denominations believers from other faith traditions and all who seek the truth Book Jacket **Listening** , 2001 **What Would Jesus Read?** Erin A. Smith, 2015-04-13 Since the late nineteenth century religiously themed books in America have been commercially popular yet scorned by critics Working at the intersection of literary history lived religion and consumer culture Erin A Smith considers the largely unexplored world of popular religious books examining the apparent tension between economic and religious imperatives for authors publishers and readers Smith argues that this literature served as a form of extra ecclesiastical ministry and credits the popularity and longevity of religious books to their day to day usefulness rather than their theological correctness or aesthetic quality Drawing on publishers records letters by readers to authors promotional materials and interviews with contemporary religious reading groups Smith offers a comprehensive study that finds surprising overlap across the religious spectrum Protestant Catholic and Jewish liberal and conservative Smith tells the story of how authors publishers and readers reconciled these books dual function as best selling consumer goods and spiritually edifying literature What Would Jesus Read will be of interest to literary and cultural historians students in the field of print culture and scholars of religious studies The Arizona Quarterly , 2004 **America, History and Life** , 1997 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide The Catholic Periodical and Literature Index , 1995 Sacred Adventure William C. Graham, 2006-04-07 Sacred Adventure is an initial consideration of Christianity God s call and the human response The contributors are not catechists but theologians who after St Anselm see theology as faith seeking understanding The text targets those who seek to understand Christianity and its theology The essays highlight the interconnectedness and distinct features of religion as they seek to hear and respond to God s call The authors are well known theological thinkers and writers including Cardinal Avery Dulles SJ and younger emerging scholars The book discusses issues of faith religion and theology from the scripture perspectives Thomas s proofs of the existence of God the early church liberation theology and
