Kenyon, 2018-08-29 [Hall Caine](#) C. Fred Kenyon, 2015-07-18 Excerpt from *Hall Caine The Man and the Novelist* In preparing this monograph on Mr Hall Caine I have devoted much more attention to his earlier life than to those years during which he has been before the public as a novelist The reasons for this are obvious the chief one being that the early life of a famous man with its struggles against circumstance and its slow oft impeded progress towards success is of much more interest to the general reader than that part of his life which is passed immediately under the gaze of all interested in him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Hall Caine, the Man and the Novelist** C Fred 1879-1926 Kenyon, 2016-05-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or
