Phil Driscoll Deeper Still Janice Woodrum, 2018-04-17 In the almost unimaginably horrendous atmosphere and circumstances within the Nazi prison camps of Germany during WWII Betsie ten Boom was known to comfort her sister Corrie with the brief statement there is no pit so deep that He is not deeper still The cover of this book attempts to depict Jesus within that deep dark place

ONE SCARCE MAN: LOOSED IN HIS HANDS Jimmy Scott, 2024-03-07 Do you know or can you think of a type of person or item that is currently in short supply If you can then you can say that this type of person or item is scarce or exists only in limited quantities Think about this Are you experiencing some type of scarcity in your life today Are you lacking purpose love hope or peace for example If so how will you find and have abundance in these areas instead To find abundance we must first discover where it comes from and from whom it comes No it doesn t come from big bank accounts or seeking luxurious lifestyles as many espouse today No an abundant life comes from being a scarce man or woman who seeks God with all their heart soul mind and strength In this book you will discover what makes a scarce man or woman Yes the truth will set you free

Holy Writ Arie-Jan Kwak, 2016-04-22 It has often been remarked that law and religion have much in common One of the most conspicuous elements is that both law and religion frequently refer to a text that has authority over the members of a community In the case of religion this text is deemed to be holy in the case of law some such as the American constitution are widely held as sacred In both examples priests and judges exert a duty to tell the community what the founding document

has to say about contemporary problems This therefore involves an element of interpretation of the relevant authoritative texts and this book focuses on such methods of interpretation in the fields of law and religion As its starting point scholars from different disciplines discuss the textualist approach presented here by American Supreme Court Judge and academic scholar Justice Antonin Scalia not only from the perspective of law but also from that of theology The result is a lively discussion which presents a range of diverse perspectives and arguments with regard to interpretation in law and religion
