

those necessary changes which are inseparable from all attempts to mold ideas conceived in one language into the forms required by the idiom and genius of another.

The biographical sketch which precedes the volume is abridged from a life of the author by his son. It presents little of incident or interest, except as it is connected with Biernatzki's life as a Hallig preacher, and it has therefore been restricted to such facts as properly belong to literary history.

The work before us may be regarded as in its facts an autobiography of that portion of his life which most commends him to the affection and respect of men, and there is good reason to believe that in his pastoral relation to his humble flock, he more nearly realized the ideal he had sketched in his picture of Hold's professional life than his own modesty allowed him to suppose.
