**Halls of Fame** David Blevins, 2004 The hall of fame concept once limited primarily to sports is growing rapidly as more groups organizations and associations are building shrines to honor their past highlight their heroes and display their artifacts and memorabilia It is estimated that there are at least 500 physical halls of fame throughout the world a vast majority of them located in the United States Whatever the actual number this work documents more than 450 of them in more than 45 states and 15 countries In addition to the halls of fame that most readers would expect to find such as the National Baseball Hall of Fame Rock and Roll Hall of Fame and the World Golf Hall of Fame this work includes many more obscure halls of fame such as the American Furniture Hall of Fame Burlesque Hall of Fame Cartoon Hall of Fame Casino Legends Hall of Fame Chicago Gay and Lesbian Hall of Fame Crayola Hall of Fame Quackery Hall of Fame and the World Kite Museum and Hall of Fame The entries provide contact information including the hall's address and telephone number and in most instances its fax number website and email address and hours of operation The entries also alert readers to admission charges and provide a brief history of the hall and a list of notable inductees The Hall of Fame for Great Americans Sheila Gerami, 2024-05-17 This book provides the first institutional and social history of America's first hall of fame the Hall of Fame for Great Americans from its dynamic opening in 1901 through its protracted decline in the late twentieth century and brief return to relevancy in 2017 when in response to the violent demonstrations in Charlottesville Virginia Governer Andrew Cuomo called for the removal of the Hall's busts of Lee and Stonewall Jackson Sheila Gerami examines in depth what is arguably the least studied project of Stanford White one of the most distinguished architects of the Gilded Age Originally designed for New York University's new campus in the Bronx the Hall once housed ninety eight bronze busts of men and women deemed great Americans within its elegant colonnade including the likes of George Washington Nathaniel Hawthorne Booker T Washington Susan B Anthony and Robert E Lee Gerami argues that the rise and fall of this public art memorial mirrors the nation's changing conception of what comprises a hero and what it means to be great in America Provided by publisher The Sports Hall of Fame Encyclopedia Dave Blevins, 2011-12-23 In 1936 the Baseball Hall of Fame was established to honor the legends of the sport The first inductees were some of the greatest names of the dugout including Ty Cobb and Babe Ruth Less than ten years later in 1945 the Hockey Hall of Fame inducted its first members The Soccer Hall of Fame was established in 1950 followed by the Basketball Hall of Fame in 1959 and the Football Hall of Fame in 1963 In all more than 1 400 inductees players teams and behind the scenes personnel have been enshrined in these five halls of fame The Sports Hall of Fame Encyclopedia is a comprehensive listing of each inductee elected into one or more of these major sports halls of fame From Hank Aaron to Fred Zollner this book contains biographical information sport and position s played and career statistics when applicable of each of the more than 1 400 honorees The book also includes specific appendixes for each shrine in which inductees are listed alphabetically and by year of induction Also included are
