Daniels,2020-05-19 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1 18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made [SHE Teen](#) Rebecca St. James,Lynda Hunter Bjorklund,2005 Grammy Award winning artist St James and co author Bjorklund offer this eye catching full color bookzine that hits all the hot issues girls are dealing with sex and purity body image and eating disorders boundaries and purpose and encourages them to be all God made them to be [The Bible True, Relevant or a Fairy Tale?](#) Robert J. Cottle,2017-03-28 The Bible is constantly condemned as outdated legalistic and irrelevant yet it s widely owned and cherished worldwide Despite ownership it often lies unread and scarcely believed even by Christians The reason it s not accepted as the infallible word of God but worse many reject it as fictitious and immaterial This book directly addresses the truth and relevance of the Bible and questions issues such as Was there really a talking snake in the Garden of Eden How

could Moses possibly write a factual account of creation 2 500 years after the event Are abortion and homosexuality ok Are Heaven and Hell real places Are God and Allah the same God What is the Trinity Robert skilfully demonstrates the answers through direct scripture quotation with little writer s bias Paul tells Timothy all scripture is God breathed and in Genesis we read God breathed into his nostrils the breath of life and the man became a living being If the followers of Jesus inhale the God breathed scriptures their souls will truly abound with life This book sets out to inspire Christians to believe God at his word
