Extreme Weather Christopher C. Burt, 2004 Extensively illustrated with color photographs of some of the most extreme weather ever captured on camera dozens of color maps and tables of weather records for more than 300 U S cities this book is both an entertainment and an indispensable reference

The Fight of the Century Thomas R. Hietala, 2002 A look at race relations in the US during the first half of the 20th century through the first two African American heavyweight boxing champions Jack Johnson and Joe Louis Using the Black press of the time the author explores how their public careers and private lives define and explain national issues from the early 1900s to the late 1940s

It Didn't Start with Roswell Philip L. Rife, 2001-02 ALIEN ABDUCTION OVER A CENTURY AGO The story was related to a Catholic priest by an elderly man on his deathbed The man claimed that as a boy he was part of a posse searching for stolen cattle in the mountains south of Tucson Arizona in 1899 when a huge silver bowl in the sky flew ahead of the posse The lawman in charge ordered the group to split up The witness said a tiny man in silver colored clothes confronted him with a hollow tube The boy drew his revolver and fired six shots into the creature The little man flickered like a candle flame and disappeared The boy rejoined the posse and the lawman set off alone to investigate About an hour later the silver bowl rose into the air and took off When the posse rode to the area where they'd seen the UFO ascend they found the lawman's horse but no sign of the man himself An Apache tracker with the group said the depth of the animal's hoofprints showed the man had left the horse at a certain point However there were no bootprints at the spot indicating he'd dismounted and proceeded on foot The posse searched the area for several days but found no trace of the missing lawman

Believe and Destroy Christian Ingrao, 2018-03-09 There were eighty of them They were young clever and cultivated they were barely in their thirties when Adolf Hitler came to power Their university studies in law economics linguistics philosophy and history marked them out for brilliant careers They chose to join the repressive bodies of the Third Reich especially the Security Service SD and the Nazi Party's elite protection unit the SS They theorized and planned the extermination of twenty million individuals of allegedly inferior races Most of them became members of the paramilitary death squads known as Einsatzgruppen and participated in the slaughter of over a million people Based on extensive archival research Christian Ingrao tells the gripping story of these children of the Great War focusing on the networks of fellow activists academics and friends in which they moved studying the way in which they envisaged war and the world of enemies which in their view threatened them The mechanisms of their political commitment are revealed and their roles in Nazism and mass murder Thanks to this pioneering study we can now understand how these men came to believe what they did and how these beliefs became so destructive The history of Nazism shows Ingrao is also a history of beliefs in which a powerful military machine was interwoven with personal experiences fervour anguish utopia and cruelty
