Ezekiel The Prophet And His Message:

Ezekiel Ralph W. Klein,2024-03-12 Ezekiel was an ordinary person called mortal by God more often than his own name Yet because of the radical times Ezekiel reacted in a radical way through his unusual lifestyle and his sharp theological diagnosis His important message about judgment and hope came at a critical moment of Israel s history This volume is not a biography about the prophet Ezekiel It is a literary and theological analysis of a biblical document left behind by a nearly anonymous and mostly unknown prophet Ralph W Klein analyzes the shape of the book deciphers its imagery comments on its technical vocabulary and relates its parts to one another Ezekiel s passionate diagnosis of the incompatibility between the failings of ancient Israel and the potential for its ongoing history also calls into question modern assumptions about the inevitable viability of synagogue church and society His nearly unbounded optimism about the radical transformations that can be expected when God dwells with people has important implications for all heirs of the prophet in the community of the faithful who know that the name of their city is or ought to be Yahweh is there *The Message of Ezekiel* Christopher J. H. Wright,2024-07-02 Christopher Wright opens our eyes to see and understand the message of Ezekiel Ezekiel s vision of the glory of God its departure and return is set first within Israel s history and then in the culmination of God s promises in Christ Embedded in the pattern of the strange and the wonderful is a word that still speaks to God s people today
