Flaubert Gustave Flaubert,2014-05-08 We were in class when the head master came in followed by a new fellow not wearing the school uniform and a school servant carrying a large desk Those who had been asleep woke up and every one rose as if just surprised at his work The head master made a sign to us to sit down Then turning to the class master he said to him in a low voice Monsieur Roger here is a pupil whom I recommend to your care he ll be in the second If his work and conduct are satisfactory he will go into one of the upper classes as becomes his age The new fellow standing in the corner behind the door so that he could hardly be seen was a country lad of about fifteen and taller than any of us His hair was cut square on his forehead like a village chorister s he looked reliable but very ill at ease Although he was not broad shouldered his short school jacket of green cloth with black buttons must have been tight about the arm holes and showed at the opening of the cuffs red wrists accustomed to being bare His legs in blue stockings looked out from beneath yellow trousers drawn tight by braces He wore stout ill cleaned hob nailed boots Madame Bovary Gustave Flaubert,2019-09-05 Madame Bovary is the

debut novel of French writer Gustave Flaubert published in 1856 The eponymous character lives beyond her means in order to escape the banalities and emptiness of provincial life When the novel was first serialized in La Revue de Paris between 1 October 1856 and 15 December 1856 public prosecutors attacked the novel for obscenity The resulting trial in January 1857 made the story notorious After Flaubert s acquittal on 7 February 1857 Madame Bovary became a bestseller in April 1857 when it was published in two volumes A seminal work of literary realism the novel is now considered Flaubert s masterpiece and one of the most influential literary works in history The British critic James Wood writes Flaubert established for good or ill what most readers think of as modern realist narration and his influence is almost too familiar to be visible About Flaubert Gustave Flaubert was born December 12 1821 in Rouen France and died May 8 1880 He was the fourth child of a distinguished doctor who was the head of the hospital in that city Gustave was a sensitive and quiet boy he read a lot and since the family lived in a house on the hospital grounds he early gained a knowledge of scientific techniques and ideas He

attended a secondary school in Rouen and in 1841 was sent against his will to study law in Paris In the capital he made new friends and moved in literary circles His talent for writing was stimulated by these experiences In 1844 Flaubert became the victim of a serious nervous illness which cannot be identified precisely but which was probably related to epilepsy
