Gustavo Gutierrez An Introduction To Liberating Theology:

Gustavo Gutierrez Robert McAfee Brown, 2013-03-01 Here is a definitive introduction to liberation theology through the life and work of its most significant proponent Gustavo Gutierrez Robert McAfee Brown draws extensively on Gutierrez's own writings some never published in English and on personal conversations with him Brown clearly and compellingly presents the basics of liberation theology and the differences between North American and Latin American theologies The form of Gustavo Gutierrez is that of a drama Brown's initial program notes introduce and situate the author the actors the critics He sets the stage with a history of church and state in Latin America and introduces its definitive figures themes and milestones A collective biography of Gutierrez's spiritual predecessors is followed by a biography of Gutierrez himself which takes critical account of his works Then we are ready dramatically and theologically to move to the first act that of commitment to the poor The second act in two scenes explores first liberation theology's method of critical reflection on praxis and also its content nothing less than the Word of God Brown delves next into the controversies and criticisms Gutierrez faces especially the challenges from authorities in Rome Finally in act three readers discover that in this particular drama they too are on stage and must take part by reflecting on what this drama really means for them **A Theology of Liberation: History,**

Politics, and Salvation 50th Anniversary Edition with New Introduction by Michael E. Lee) Gustavo Gutierrez, 2023-11-10 One of Christianity Today's 100 Top Books of the Twentieth Century One of Church Times UK Top 100 Christian Books of All Time This new edition of the work that became the foundation for Latin American liberation theology marks the 50th anniversary of the publication of its publication in English by Orbis Books 1973 **Essential Writings**

Gustavo Gutierrez, James B. Nickoloff, 1996 Drawing from all of his many published books as well as little known essays and several pieces translated specially for this volume Gustavo Gutierrez Essential Writings provides an overview and an entry into the mind of a great modern Christian thinker Twenty five years after the publication of his classic work A Theology of Liberation this anthology offers a comprehensive view of the work of this Peruvian priest and theologian Gutierrez has permanently altered the modern theological landscape challenging all theologians and the world church to hear the gospel message from the underside of history from the perspective of the poor and oppressed **BOOK JACKET Title Summary field** provided by Blackwell North America Inc All Rights Reserved **A Theology of Liberation** Gustavo Gutierrez, 1988-01-01

This is the credo and seminal text of the movement which was later characterized as liberation theology The book burst upon the scene in the early seventies and was swiftly acknowledged as a pioneering and prophetic approach to theology which famously made an option for the poor placing the exploited the alienated and the economically wretched at the centre of a programme where the oppressed and maimed and blind and lame were prioritized at the expense of those who either maintained the status quo or who abused the structures of power for their own ends This powerful compassionate and radical book attracted criticism for daring to mix politics and religion in so explicit a manner but was also welcomed by those who

had the capacity to see that its agenda was nothing more nor less than to give good news to the poor and redeem God's people from bondage

Feminist Ethics and Natural Law Cristina L. H. Traina, 1999-04-28 Heated debates over such issues as abortion contraception ordination and Church hierarchy suggest that feminist and natural law ethics are diametrically opposed Cristina L H Traina now reexamines both Roman Catholic natural law tradition and Anglo American feminist ethics and reconciles the two positions by showing how some of their aims and assumptions complement one another After carefully scrutinizing Aquinas's moral theology she analyzes trends in both contemporary feminist ethics theological as well as secular and twentieth century Roman Catholic moral theology Although feminist ethics reject many of the methods and conclusions of the scholastic and revisionist natural law schools Traina shows that a truly Thomistic natural law ethic nonetheless provides a much needed holistic foundation for contemporary feminist ethics On the other hand she offers new perspectives on the writings of Josef Fuchs Richard McCormick and Gustavo Gutierrez arguing that their failure to catch the full spirit of Thomas's moral vision is due to inadequate attention to feminist critical methods This highly original book proposes an innovative union of two supposedly antagonistic schools of thought a new feminist natural law that would yield more comprehensive moral analysis than either existing tradition alone This is a provocative book not only for students of moral theology but also for feminists who may object to the very notion of natural law ethics suggesting how each might find insight in an unlikely place

Liberation Theology Curt Cadorette, Marie Giblin, Marilyn J. Legge, Mary H. Snyder, 2004-04-27 In the past twenty five years liberation theology has emerged as one of the most influential challenging and controversial movements in modern theology Whether in its Asian African Latin American or African American forms liberation theology has undertaken to reexamine the dimensions of Christian faith from the perspective of the marginalized and oppressed Here at last is a collection of readings from a cross section of the world's leading exponents of liberation theology designed to offer an overview of liberation theology and its central themes Topics included are methodology christology ecclesiology and spirituality Each chapter includes a helpful introduction and questions for discussion making this an ideal introductory text for students as well as scholars and other general readers Contributors Maria Pilar Aquino Tissa Balasuriya Dominique Barbe Clodovis Boff Leonardo Boff Ernesto Cardenal Chung Hyun Kyung James H Cone Jean Marc Ela Ivone Gebara Gustavo Gutierrez Mary Hunt Sallie McFague Mary John Mananzan Carlos Mesters Anne Nasimiyyu Wasike Sun Ai Park Jon Sobrino Charles Villa Vicencio Yong Ting Jin

Liberating Paul Neil Elliott, 2005-02-01 For centuries the apostle Paul has been invoked to justify oppression whether on behalf of slavery to enforce unquestioned obedience to the state to silence women or to legitimate anti-Semitism To interpret Paul is thus to set foot on a terrible battleground between spiritual forces But as Neil Elliott argues the struggle to liberate human beings from the power of Death requires Liberating Paul from his enthrallment to that power In this book Elliott shows that what many people experience as the scandal of Paul is the unfortunate consequence of the way Paul has usually been read or rather misread in the churches In the first half of the book Elliott examines the many texts historically interpreted to support oppression or maintain the status quo He shows how often Paul's authentic message has been interpreted in the light of later pseudo Pauline writings In Part Two Elliott applies a political key to the interpretation of Paul Though subsequent centuries have turned the cross into a symbol of Christian piety Elliott forcefully reminds us that in Paul's time this was the Roman mode of executing rebellious slaves a fact that has profound political implications

The Brazilian Popular Church and the Crisis of Modernity Manuel A. Vasquez, 1998 This 1997 study explores one of the most dramatic current interactions between religion and politics the development of progressive Catholicism in Latin America In particular it examines economic social and religious obstacles to progressive theology in Brazil This popular church built a utopian vision of social emancipation drawing on Catholic social thought humanistic Marxism and existentialism It was a major democratizing force as Brazil emerged from dictatorship in the late 1970s In the 1980s however the popular appeal of progressive Catholicism

came under threat Focusing on a Catholic community near Rio de Janeiro Manuel A V siqueira's incisive study shows how economic and political changes have affected religious practices and argues that the plight of progressive Catholicism in Brazil forms part of a wider crisis of modernity and of humanist discourses **The Tapestry of Christian Theology**

Gregory C. Higgins, 2003 This unique and supremely readable textbook recounts the thought of nine influential twentieth century theologians in the light of biblical narrative to better understand the Christian life By drawing upon the achievement of major thinkers Rosemary Ruether Gustavo Gutierrez Reinhold Niebuhr Dietrich Bonhoeffer Karl Rahner Jurgen Moltmann Hans Kung Yves Congar and Wolfhart Pannenberg and rooting it within the rich fabric of its biblical context Creation Exodus Conquest Exile the Incarnation the Crucifixion the Resurrection Pentecost and the End of Time The Tapestry of Christian Theology traverses a landscape both historical and spiritual one that traces and encourages a new understanding of both perspectives and illumines a greater insight into our own lives Here is a rigorous and wide ranging textbook for college theology courses also suitable for the general reader [An Introduction to Catholicism](#) Lawrence S.

Cunningham, 2009-02-16 The Vatican The Inquisition Contraception Celibacy Apparitions and miracles Plots and scandals The Catholic Church is seldom out of the news But what do its one billion adherents really believe and how do they put their beliefs into practice in worship the family and society This down to earth account goes back to the early Christian creeds to uncover the roots of modern Catholic thinking It avoids getting bogged down in theological technicalities and throws light on aspects of the Church's institutional structure and liturgical practice that even Catholics can find baffling why go to confession How are people made saints What is infallible about the Pope Topics addressed include scripture and tradition sacraments and prayer popular piety personal and social morality reform mission and interreligious dialogue Lawrence Cunningham a theologian prize winning writer and university teacher provides an overview of Catholicism today which will be indispensable for undergraduates and lay study groups **The Survivor's Guide to Theology** M. James

Sawyer, 2016-04-11 Men and women embarking on the study of systematic theology quickly find themselves awash in a sea of unfamiliar theological terms historical names and philosophical isms The Survivor's Guide to Theology is both a life preserver to help stay afloat and a compass to help navigate these often unfamiliar waters While many books on systematic theology provide introductory material still the reader is often forced to dive right into actual theology without adequate framework for understanding Resources for building this framework are available but scattered This unique book brings them together in one place The Survivor's Guide to Theology is ideal for both introduction and review reference The first part deals with the question What is Theology It addresses issues categories theory of knowledge and more The second part surveys nine major theological systems For each the author provides history and background overview of content and theological distinctive and a critique The final part provides the reader with biographical sketches of significant theologians a brief dictionary of common theological terms and an annotated bibliography of major theological works **Reconstructing Old Testament**

Theology Walter Brueggemann, 2005-06-15 In this informative and keen look at contemporary trends in Old Testament theology Perdue builds on his earlier volume *The Collapse of History* 1994 He investigates how a variety of perspectives and methodologies have impacted how the Old Testament is read in the twenty first century including literary criticism rhetorical criticism feminist womanist and mujerista theologies liberation theology Jewish theology postmodernism and postcolonialism Perdue provides a sensitive reading of the aims of these approaches as well as providing critique and setting them in their various cultural contexts In his conclusion the author provides a look at the future and how these various voices and approaches will continue to impact how we carry out Old Testament theology
