Gwr The General Strike

Sam Davies, Bob Morley

Gwr The General Strike:

The GWR and the General Strike (1926) Christopher R. Potts,1996 *The GWR Handbook* David Wragg,2017-08-01 For many the GWR was synonymous with holidays by the sea in the West Country but it was built to serve as a fast railway line to London especially for the merchants and financiers of Bristol Its operations stretched as far as Merseyside it provided most services in Wales and it was the main line to Cardiff Bristol Cornwall and Birmingham This book a classic first published in 2006 reveals the equipment stations network shipping and air services bus operations including Western National and overall reach and history of the GWR Forming part of a series along with The LMS Handbook The LNER Handbook and The Southern Railway Handbook this new edition provides an authoritative and highly detailed reference of information about the GWR

The General Strike 1926 David Brandon,2023-06-30 The General Strike was one of the most significant events in twentieth century Britain The miners were locked out and the mass of rank and file trade unionists then came out on strike in their support With their families and some middle class sympathizers the miners and the labor and trade union movement found itself pitched against the political establishment the apparatus of the state the powerful mineowners backed by the Conservative Government and most of the media of the time in what was the sharpest form of class conflict short of political revolution It had always said that the British didn't do general strikes In 1926 they certainly did 2026 will mark the one hundredth anniversary of the General Strike and under the very different economic social and political conditions of post industrial post Brexit Britain it is worth revisiting and examining the complicated coming together of factors which were eventually to lead to those extraordinary days in May 1926 when the fate of the nation lay in the balance The author examines the economic social and political processes taking places from the mid nineteenth century and argues that this major confrontation between labor and capital was probably inevitable He examines particularly the symbiotic relationship between the coal miners and the railway workers and the troubled industrial relations in those industries His informed and lucid account should interest students of modern British history labor history and the fortunes of the railways in this period

Swindon Works: The Legend Rosa Matheson,2016-05-02 The age of steam is past the heyday of Swindon Works is long gone but the legend lives on What made the Great Western Railway's Swindon Works iconic Was it its worldwide reputation perhaps its profound impact in shaping the new town of Swindon or that it melded those who worked there into one big family In a new and exciting format this book by popular railway historian Rosa Matheson helps explain why the never ending love story endures With big facts and fascinating stories it is a must read not only for ex Works employees and their families nor just for GWR fans and railway enthusiasts but also for any newcomer seeking to find a good way into railway history

An Introduction to Great Western Locomotive Development Jim Champ,2018-02-28 The first thought when contemplating a new study of the Great Western Railway locomotive fleet must surely be to ask what can there be left to say But there is no single source which gives a general introduction to the Great Western locomotive fleet There are monographs on individual

classes an excellent multi volume detail study from the RCTS and superb collections of photographs but nothing that brings it all together This work is intended to provide that general introduction The volume begins with a series of short essays covering general trends in design development whilst the main body of the volume covers individual classes For each class there is a small table containing some principal dimensions and paragraphs of text covering an introduction renumbering key changes in the development of the class and information on withdrawal The volume concludes with appendices covering the development and types of standard boilers the various numbering schemes used by the GWR the arcane subject of locomotive diagrams and lot numbers and a short reference on the many lines the GWR engulfed The majority of illustrations are new profile drawings to a consistent format Described as sketches they are drawn to a consistent scale but do not claim to be scale drawings Much minor equipment has been omitted and the author has certainly not dared to include rivets Although most are based around GWR weight diagrams they are not simple traces of the original drawings Detail has been added from other sources components copied from different drawings and details have been checked against historical and modern photographs One must also bear in mind that steam locomotives were not mass produced Minor fittings frequently varied in position and changes were made over the locomotives lifetimes Nevertheless this collection of drawings provides a uniquely consistent view of the GWR locomotive fleet

The Road Not Taken Frank McLynn, 2012-07-05 Britain has not been successfully invaded since 1066 nor in nearly 1 000 years has it known a true revolution one that brings radical systemic and enduring change The contrast with Britain s European neighbours France Germany Italy Spain Greece Russia is dramatic all have been convulsed by external warfare revolution and civil war and experienced fundamental change to their ruling elites or social and economic structures Frank McLynn takes seven occasions when Britain came closest to revolution the Peasants Revolt of 1381 the Jack Cade rebellion of 1450 the Pilgrimage of Grace in 1536 the English Civil Wars of the 1640s the Jacobite Rising of 1745 6 the Chartist Movement of 1838 48 and the General Strike of 1926 Why at these dramatic turning points did history finally fail to turn McLynn examines Britain s history and themes of social religious and political change to explain why social turbulence stopped short of revolution on so many occasions

A History of the Great Western Railway Colin Maggs, 2013-09-15 A narrative history of the most iconic railway company of the great age of steam

A Historical Dictionary of Railways in the British Isles David Wragg, 2009-04-21 Railways played a key role in Britain s social economic and industrial history These companies have long since gone but all over the country relics remain to remind us of that pioneering age David Wragg s Historical Dictionary of Railways in the British Isles is a comprehensive single volume reference guide to the old railway companies and their heritage He provides brief histories of the companies and their many sided activities and he gives biographies of the men who created the rail network He covers what is now the Irish Republic and Northern Ireland as well as the Channel Islands and the Isle of Man His book is essential reading and reference for enthusiasts of every region and period of railway history

History of the Great Western Railway: 1923-1948, by O. S.

Nock Edward Terence MacDermot,1967 *Great Western Railway Stars, Castles and Kings* Allen Jackson,2018-09-23 GWR Great Western Railway George Jackson Churchward Boilers Valves GWR 4 6 0 De Glehn Compound 4 4 2 Atlantic Star Class Scissors Valve Gear L London and North Western Railway WWII LNER London and North Eastern Railway LMSR London Midland and Scottish Railway Castle Class Cheltenham Spa Express King Class Shrivenham Collision 1948 Locomotive Exchanges railway preservation William Dean Swindon steam engine Belpaire locomotive firebox 5043 Earl of Mount Edgcumbe R M Deeley Lode Star North Star Dog Star Evening Star Morning Star Polar Star Red Star Rising Star Royal Star Shooting Star Western Star Swallowfield Park Knight of the Garter Knight of the Thistle Knight of the Patrick Knight of the Bath Knight of St John Knight of the Golden Fleece Knight of the Black Eagle Knight of Li ge Knight of the Grand Cross Knight Templar Knight Commander William Stanier Caerphilly Castle Caldicot Castle Cardiff Castle Carmarthen Castle Chepstow Castle Pembroke Castle Pendennis Castle Powderham Castle Warwick Castle Windsor Castle Midgham derailment King Edward VII King William IV King George IV King George III King George II King George I King William III King James II King Charles II King Charles I King James I King Edward VI King Edward VIII King Henry VII King Richard III King Edward V King Edward IV King Henry VI King Henry V King Henry IV King Richard II King Edward III King Edward II King Edward I King Henry III King John King Richard I King Henry II King Stephen steam locomotive British Railways Shakespeare Express The Bristolian Cornish Riviera Express Cheltenham Flyer *Swindon Works 1930-1960* Peter Timms,2014-08-15 From 1841 when the Great Western Railway began building its works at Swindon to 1986 when the works were closed Swindon was a railway town **The Golden Age of the Great Western Railway** Tim Bryan,1991 Using archive photographs artefacts and memorabilia and drawing on images of the Great Western Railway in preservation the author paints a portrait of God s wonderful railway at the height of its prosperity and influence The book looks at the period from 1895 to 1914 The Branch Lines of Worcestershire Colin Maggs,2010-10-15 A lavishly illustrated title from acknowledged railway expert Colin G Maggs presenting the story of Worcestershire s branch lines The Economist ,1926 The Great Western Railway in the First World War Sandra Gittins,2010-08-16 In August 1914 the GWR was plunged into war the like of which this country had never experienced before Over the years that followed life changed beyond measure both for the men sent away to fight and the women who took on new roles at home Not since 1922 has the history of the GWR in the First World War been recorded in a single volume Using modern data bases and enjoying greater access to archives Sandra Gittins has been able to produce a complete history which traces the GWR from the early optimistic days through the subsequent difficult years of the Great War including Government demands for war manufacture increased traffic and the tragic loss of staff From GWR ships and ambulance trains to the employment of women every part of the story is told including the saddest of all which is represented by a Roll of Honour **Southern Railway, Lord Nelson Class 4-6-0s** Tim Hillier-Graves,2020-09-19 The Lord Nelson Class has come to be viewed as an also ran amongst express locomotives and is largely overlooked for that reason It had the

misfortune to be sandwiched on Southern metals between the classic and much revered King Arthurs and Schools and by Bullied s controversial Pacifics In such company any design might suffer by comparison And yet when first appearing they attracted plaudits from railway professionals including the footplate crew and the public alike But with only 16 being built their impact was muted and any faults in their design were magnified beyond their actual impact In truth they deserved far better than this and were in fact sturdy reliable performers that served the company well on the heavy boat trains for which they were designed and across their other passenger services for 30 years and more in peace and war Much has been written about these locomotives but no story is ever complete with new information and photographs emerging to deepen our understanding of them This book provides an in depth view that re examines these impressive engines using new material eye witness accounts contemporary assessments and more than 200 photographs and drawings

History of the Great Western Railway Edward Terence MacDermot,1967 **The Railway Grouping 1923 to the Beeching Era** Bob

Pixton,2024-04-30 When King George V ascended to the throne in 1910 world trade was increasing and at home the country s private enterprise railways were booming with larger trains and more freight being carried than ever before Over the next fifty years the country had experienced not one but two world wars Railways had been forcefully reorganised not once but twice eventually becoming state owned With the Government now in control of the railway s finances reformation was on the horizon in the medicine of Dr Beeching This volume sets out to chart the passage of the railways during these turbulent times Contrary to popular belief life on the railways during these times was not all doom and gloom but times of innovation competition new buildings new lines and the spread of electrification This was the era of faster larger non stop expresses streamlined trains we even showcased our best trains abroad not once but twice More and more people were taking holidays by trains and holiday camps emerged Challenging the position of steam engines were new diesel locomotives The Festival of Britain 1951 and the Coronation of Elizabeth 1953 saw the country emerge from the devastation and crippling debt after World War 2 On the horizon were devastating rivals that wounded the previously unassailable position of steam trains motor lorries and family cars With looming unsustainable finances the Government solicited external help to help sort out matters

County Borough Elections in England and Wales, 1919-1938: A Comparative Analysis Sam Davies,Bob Morley,2016-12-05 These volumes provide an essential comprehensive work of reference for the annual municipal elections that took place each November in the 83 County Boroughs of England and Wales between 1919 and 1938 They also provide an extensive and detailed analysis of municipal politics in the same period both in terms of the individual boroughs and of aggregate patterns of political behaviour Being annual these local election results give the clearest and most authoritative record of how political opinion changed between general elections especially useful for research into the longer gaps such as 1924 29 and 1935 45 or crisis periods such as 1929 31 They also illuminate the impact of fringe parties such as the Communist Party and the British Union of Fascists and also such questions as the role of women in politics the significance of religious and ethnic

differentiation and the connection between occupational and class divisions and party allegiance Analysis at the ward level is particularly useful for socio spatial studies A major work of reference County Borough Elections in England and Wales 1919 1938 is indispensable for university libraries and local and national record offices Each volume has approximately 700 pages

Labour and Business in Modern Britain Charles Harvey, John Turner, 2024-10-21 Labour and Business in Modern Britain 1989 examines the history of labour relations in British business using important empirical research The study of labour process and the dynamics of the labour market are key and each chapter stands alone as an investigation of an important episode an important industry or an important theoretical question refracted through an historical problem
