Performing Femininity Rachel Morley, 2016-12-15

Oriental dancers ballerinas actresses and opera singers the figure of the female performer is ubiquitous in the cinema of pre Revolutionary Russia From the first feature film Romashkov's Stenka Razin 1908 through the sophisticated melodramas of the 1910s to Viskovsky's The Last Tango 1918 made shortly before the pre Revolutionary film industry was dismantled by the new Soviet government the female performer remains central In this groundbreaking new study Rachel Morley argues that early Russian film makers used the character of the female performer to explore key contemporary concerns from changing conceptions of femininity and the emergence of the so called New Woman to broader questions concerning gender identity Morley also reveals that the film makers repeatedly used this archetype of femininity to experiment with cinematic

When You Look in the Face of the Rose Sylvia Runkle, 2013-04-24

This channeled writing is the first of four books channeled through Sylvia Runkle by a Spirit Guide identified as Jonathan However the channeling seems to come from a group more than from a single entity The book revolves around Sylvia's first two of four training trips to Russia in the mid 90s but are not really about these trips The essence of the message seems to be about raising the vibrational level of the people of Earth as well as of the Earth itself In Book 4 we read Earth must raise vibration level must entrain in one direction When the vibrations reach a critical mass Mankind can make the shift into its next reality The message is at the same time spiritual and practical in a day to day way The reader is actually listening in to a message directed to Sylvia The beginning is a somewhat awkward as Sylvia feels her way into receiving the message In fact the book ebbs and flows as the connection is stronger or weaker The awkward parts have been left in to allow an aspiring

channeler to get a sense of how it happens And they are well made up for where the message flows Sylvias small personal drama mentioned in Book 1 Will the anticipated but not confirmed first trip to Russia actually occur is amusingly resolved early in the second book The channeling ends at the end of Book 4 as she writes on the plane returning from the second training she presented in Russia These trips add background but the message transcends the setting The channeled writing comes as a rhythm Each days writing begins with short phrases written as verse as the channeler blends with those coming through and then switches to a rhythmic prose The rhythm seems to be an important part of the message and they often encourage saying certain words aloud such as peace home and love The words and the rhythm seem somehow to blend to affect the vibrations of the reader Dracula in Visual Media John Edgar Browning, Caroline Joan (Kay) Picart, 2014-01-10 This is a comprehensive sourcebook on the world s most famous vampire with more than 700 citations of domestic and international Dracula films television programs documentaries adult features animated works and video games as well as nearly a thousand comic books and stage adaptations While they vary in length significance quality genre moral character country and format each of the cited works adopts some form of Bram Stoker s original creation and Dracula himself or a recognizable vampiric semblance of Dracula appears in each The book includes contributions from Dacre Stoker David J Skal Laura Helen Marks Dodd Alley Mitch Frye Ian Holt Robert Eighteen Bisang and J Gordon Melton *The Solace Thorn* Jodde Maree, 2011-12-14 John Mc Guckin Jodde Maree s poetry is a distinct journey through the heart of life The journey takes the reader through many twists and turns always ending at life s one true love and affection for all Shallow the mind that finds no beauty in living life s dreams Jodde Maree in her poetry captures all the emotions in life McKinley Cooper The imagery and langue of this work is rich and weighty stunning Athena Artemis Breathtaking Terrence Michael Sutton I find her work so wonderful Kevin Gorman Sublimely crafted Shina Farad You are a gifted writer of prolific verse *Antonio Triana and the Spanish Dance* Rita Vega de Triana, 2016-02-04 This book also traces the evolution of the Spanish Dance technique marked as it is by a turbulent history Antonio Triana was a dancer of mature artistry dignity and power His physical and technical achievements went beyond what is generally known about Spanish Dance His dance presented the essence of the Spanish character and in his choreography he used his traditional background for his brilliant inspirations He partnered the legendary La Argentinita Pilar Lopez and Carmen Amaya with spirit and gallantry Over the years he developed a very distinct method of teaching and he became one of the foremost Spanish Flamenco dancers and teachers of his time Rita Vega de Triana formed the Triana Ballet Espa ol with her late husband She currently teaches Hispanic dance and related subjects at the University of Texas at El Paso and directs her own school as well as performing around the United States as a guest artist and choreographer Jet , 1952-08-07 The weekly source of African American political and entertainment news **Festival** Stephen Downs, Randall Martin, Bruce Vilanch, 1983 Based on the medieval French chateaufable Aucassin et Nicolette This delightful and easy to produce musical is the story of lovers who have a devil of a time getting together Publisher 12

THE CHERRY ON HIS CIGAR J. A. Stevens, 2014-04. Winston D. Brownstone. Radically insane from birth, his extreme intelligence, however, empowered him to forethink his crimes from a very early age and over the years murdered countless men and women. Brutal and bloody their deaths, and he enjoyed every moment, especially defiling the dead bodies in the most lurid, carnal manner imaginable, but no longer confident in his superior mastery of eluding authorities, his intellect suddenly unable to curb the unfamiliar anxiety, crushing his capability to reason because now the rabies virus completely infected his mind. THE CHERRY ON HIS CIGAR spans thirteen years, propelling the reader on a roller coaster ride filled with passion, love, hate, fear, and vengeance, journeying across America down along the coast of Costa Rica, over to American Samoa, and up through The Bering Strait. **S. Spain It focuses on three intellectuals who chronicle contemporary life including journalist Francisco Umbral three filmmakers who engage with the many nationalisms of the Spanish state Victor Erice Bigas Luna and Julio Medem and three crucial topics that are expressed in many media the replaying of history the rise and fall of the city and the practice of everyday life Ranging from the ethnographic photography of Cristina Garcia Rodero to the high tech architecture of Santiago Calatrava and from the hyperrealist painting of Antonio Lopez to the neo flamenco dance of Joaquin Cortes this book is also the first to draw on theorists of the intellectual field the production of space and the arts of bricolage Pierre Bourdieu Henri Lefebvre and Michel de Certeau Refuting the charge that contemporary Spanish culture is trivial or superficial this book argues that it is fully engaged in the aesthetic and historical project of modernity Flamenco Dancers CB
