Gypsy Spirit On The Road To Find Out Part Two:

Reflections Laurie Johnson,2022-09-27 Grab a cup of coffee or a glass of iced tea and take a walk with me through this book of reflections in which you will find the beauty of love life and yes some heartbreak and tears Share the dreams and memories with me from day to day Some memories and thoughts or just fantasy feel the sweetness and promise of a new day dawning Life is so full of diversity and change some good days and some bad and most of which we have no control of As you read some pages you can almost hear the laughter and joy others you may feel the heartbreak and tears As in our life we must search and find those precious moments or look back to those memories Sometimes we find the joy in the searching rather than in the finding There will be pages you connect with and others will make you wonder We all have that need to reach out and just know that we have been there There is a healing in the written words to those whose hearts they speak to So as you thumb through these reflections of my life and thoughts I hope that you feel the strength and courage that it takes to just live life Sit back and feel the warmth of the sun or the freshness of the morning dew Life is so worth living to the fullest of our ability I hope this brings to mind all the memories and treasures hidden away and forgotten Catalog of Copyright Entries Library of Congress.
