**ORDAINED OF THE LORD** E. SCHUYLER ENGLISH, H.A Ironside, Rev Terry Kulakowski, Editor, 2015-12-02 That the life story of this servant of Christ should be chronicled for others was inevitable for there is so much in that life Equally certain though the author was the only one who knew it then was the fact that it should be written by me For a period of five or more years I had prayed that when the time should come for Dr Ironside s biography to be recorded I might be the one selected for the task There is doubtless much that I have overlooked in chronicling the lifework of Harry Ironside What I have written has been done to the end that Christ in all His power and beauty and faithfulness may be seen in what has been wrought through His servant and that men and women may be encouraged along life s path and incited to fuller yieldedness to the Lord through the record of a faithful steward E S E **Ordained of the Lord** Eugene Schuyler English, Henry Allan Ironside, 1979 *Ordained of the Lord, H. *FULL ASSURANCE - H. A. IRONSIDE* H. A. IRONSIDE,2014-12-04 This is a very helpful book for professing Christians who struggle for assurance of salvation The author s own words describes it contents perfectly In writing the following pages I have had but one outstanding object before me to make as plain as I possibly can just how any troubled soul may find settled peace with God I am thinking particularly of those people who believe the Holy Scriptures to be divinely inspired and who recognize that salvation is only to be found in Christ but somehow have missed the peace of a perfect trust and though earnestly desiring to know the LORD are floundering in per plexity of mind May all who read this discover that through Christ s finished work we can have full assurance of sins forgiven and a home in heaven Death of the Church Victorious Ovid Need, *Death of the Church Victorious* traces with abundant documentation the roots and modern growth of Protestant Zionism and dispensational theology i e God working in different ways in different periods of time from its roots in the late 1700 s to the late 1900 s The new and unique ideas presented during that time were considered unorthodox even heresy But through dedication and hard work men such as John Darby George Muller Hudson Taylor and Dwight Moody changed Christianity from victory to defeat and exalted Zionism over the Gospel Church Now non dispensational theology is considered unorthodox Moody s Northfield conferences the Civil War and the publication of Scofield s popular Reference Bible allowed Zionism and dispensationalism to become legitimate Biblical doctrines in America If Protestants find a monk s retreat from the world wrong is their otherworldliness any the less objectionable Ovid Need s study of *Death of the Church Victorious* Tracing the Roots and Implications of Otherworldliness is a work of major importance A false spirituality and an otherworldliness of anti Biblical characters have long plagued the Christian Church and hobbled its progress Pastor Need analyzes those views in evangelical circles which are working against the future of the faith His study is a summons to a Biblical faith and power It is written with grace and insight Its timelessness cannot be overstated It is a joy to read and a

work that the Christian community should be grateful for R J Rushdoony from the Foreword Pastor Need brings to light dispensationalism's dire effects pessimism instead of prevailing cowardice instead of conquering isolation instead of involvement a system offering a rapturous sneaking away at any moment instead of encouraging the saints to subjugate and subdue the enemy until victory is obtained Dave MacPherson from the foreword This title is a direct print from and original copy
