**Tony Gibbons, Emily Sutherland**

## **Hadrians Dream:**

**Hadrian's Dream** Asa Benveniste, Ken Campbell, 1990      **Hadrian's Echo** Steve Apfel, 2011-12 A brilliant demolition of the standard pretence that anti Zionism is about frustration with Israel's treatment of the Palestinians rather than an obsessive fixation with the Jewish state Efraim Karsh Director Middle East Forum Research Professor of Middle East and Mediterranean Studies King's College London I recommend Hadrian's Echo to anyone who wants to understand the phenomenon of Israel bashing Professor Gerald M Steinberg Bar Ilan University and Executive Director of NGO Monitor Guidance from the Bench You of all people jury members may not blindly assume that a law professor who forsakes varsity gown and corridors and decamps to Palestine packs his scholarly habits You may not assume that he will by force of habit act objectively impartially and with integrity Yes he was appointed for those qualities But so was Richard Falk who lately issued an apology for smearing Jews and dogs Permit me to remind you of the weight of evidence before the recess The Rapporteur's job title is a mine of disinformation historically false legally full of holes explicitly anti Israel Worse than that by presupposing Israel's guilt the professor tramples the most important of legal principles innocent until proven guilty Turning their own words on renowned lawyers and journalists the author hoists Israel's critics by their own petard A man of wide experience STEVE APFEL was born in Johannesburg attended school in Pietersburg did his national service as a naval cadet studied politics and economics at the University of Witwatersrand and has a master of economics from the University of SA He was a District Officer in the former Rhodesia an analyst for an international mining house research manager for an electrical group import agent in Britain and since 1997 has been Director of the School of Management Accounting Johannesburg His travels and work have taken him through Western and Eastern Europe Turkey South America and the Middle East His novel The Paymaster was published in 1997 and a second novel is in the pipeline In 2002 he turned to activism and writer against the anti Israel movement and over a decade has upset apple carts aplenty Books on the Arab Israeli conflict are almost a genre but Hadrian's Echo is a different book entirely There is more than one conflict and unless we know which one we mean we are doomed to move round Israel's detractors and not through them and be left with understanding but no insight From Hadrian's Echo The author proceeds with penetrating analysis to give that insight as he sweeps the reader through the fascinating contest of words images and law Questions perhaps never before addressed are tackled What is the difference between a critic of Israel and an activist against Israel Why do some Israelis toil to make their country an outcast among nations How do people manage to deny the Holocaust without denying it By what methods are our perceptions of the conflict manipulated by the media Why do activists hold Israel to seemingly absurd standards Why do critics of Israel accuse their opponents of trying to gag them when the opponents are doing no such thing But the reader will find Hadrian's Echo much more than a scholarly work It has a creative force that flows like a passion And notwithstanding the grave issues handled a sardonic humour runs through the book We encounter species like the Uniquely Jewish bomb the

Cauliflower man the Juggernaut Jew and the Dinner jacket denier Parts of the book have an interactive form that gets the reader involved Other parts recreate a tribunal with the reader in the jury box Hadrian's Echo is a book that entertains while it enlightens All in all it is both an essential work of reference and a wonderfully good read **Following Hadrian** Elizabeth Speller, 2004-10-14 One of the greatest and most enigmatic Roman emperors Hadrian stabilized the imperial borders established peace throughout the empire patronized the arts and built an architectural legacy that lasts to this day the great villa at Tivoli the domed wonder of the Pantheon and the eponymous wall that stretches across Britain Yet the story of his reign is also a tale of intrigue domestic discord and murder In *Following Hadrian* Elizabeth Speller illuminates the fascinating life of Hadrian rule of the most powerful empire on earth at the peak of its glory Speller displays a superb gift for narrative as she traces the intrigue of Hadrian's rise making brilliant use of her sources and vividly depicting Hadrian's bouts of melancholy his intellectual passions his love for a beautiful boy whose death sent him into a spiral and the paradox of his general policies of peace and religious tolerance even as he conducted a bitter three year war with Judea Most important the author captures the emperor as both a builder and an inveterate traveler guiding readers on a grand tour of the Roman Empire at the moment of its greatest extent and accomplishment **Marguerite Yourcenar's Hadrian** Keith Bradley, 2024-01-31 Marguerite Yourcenar is best known as the author of the 1951 novel *Mmoires d Hadrien* her recreation of the life of the Roman emperor Hadrian The work can be examined from the perspective of the issues raised by writing Roman imperial biography at large and the many ways in which *Mmoires* has a claim to historical authenticity In Marguerite Yourcenar's *Hadrian* Keith Bradley explains how *Mmoires d Hadrien* came to be written gives details of Yourcenar's own biography and describes some of the intricate historical problems that her novel's portrait of Hadrian presents He draws on Yourcenar's correspondence her interviews with journalists and her literary corpus as a whole emphasizing Yourcenar's profound knowledge of the ancient evidence on which her life of Hadrian is based and exploiting a wide range of contemporary Yourcenarian criticism The book pays special attention to the methods by which Yourcenar believed Hadrian's life history to be recoverable compares examples of modern life writing and contrasts the procedures of conventional Roman biographers Revealing how and why *Mmoires d Hadrien* is as it is Marguerite Yourcenar's *Hadrian* illustrates how imaginative literary recreation is often little different from historical speculation [Hadrian's Wall](#) Jessie Mothersole, 1923

**Integrity and Historical Research** Tony Gibbons, Emily Sutherland, 2012-03-12 There have been serious debates between historians novelists and filmmakers as to how best present historical narratives When writers and filmmakers talk of using historical research with integrity what exactly do they mean *Integrity and Historical Research* examines this question in detail The first chapter discusses the concept of integrity The chapters that follow reflect on this philosophical treatment in the light of fiction and film that deals with history in a number of ways How should writers and filmmakers use lives Can and may people who are now dead and who may have lived long ago be defamed The authors include academics historians

social historians medievalists oral historians literary theorists historical novelists and script writers They examine the theoretical influences and practical choices that involve and concern writers and filmmakers who rely on historical research The desire to be accurate may often conflict with the need to produce a work that goes beyond the mere depiction of events in order to excite the interest of readers and to hold that interest At the same time there is a developing emphasis on historians to write well in clear accessible prose which may involve using the novelists techniques How much license may be given to writers of fiction and filmmakers in their depiction of historical characters and events This book begins to answer this question while inviting further discussion

**Empire and Religion** Elena Muñiz Grijalvo, Juan Manuel Cortés Copete, Fernando Lozano Gomez, 2017-07-10 This volume explores the nature of religious change in the Greek speaking cities of the Roman Empire Emphasis is put on those developments that apparently were not the direct result of Roman actions the intensification of idiosyncratically Greek features in the religious life of the cities Heller Mu iz Camia the active role of a new kind of Hellenism in the design of imperial religious policies Gordillo Galimberti Rosillo L pez or the locally different responses to central religious initiatives and the influence of those local responses in other imperial contexts Cort s Melfi Lozano Rizakis All the chapters try to suggest that religion in the Greek cities of the empire was both conservative and innovative and that the Roman factor helps to explain this apparent paradox
