Hagar The Egyptian:

Hagar the Egyptian Savina J. Teubal, 1990 In this fascinating piece of detective work biblical scholar Savina J Teubal peels away millennia of patriarchal distortion to reveal the lost world of great independent women at the dawn of western civilization Cover p 4 The Land of the Body Sarah Pearce, 2007 This book presents the first extended study of the representation of Egypt in the writings of Philo of Alexandria Philo is a crucial witness not only to the experiences of the Jews of Alexandria but to the world of early Roman Egypt in general As historians of Roman Alexandria and Egypt are well aware we have access to very few voices from inside the country in this era Philo is the best we have As a commentator on Jewish Scripture Philo is also one of the most valuable sources for the interpretation of Egypt in the Pentateuch He not only writes very extensively on this subject but he does so in ways that are remarkable for their originality when compared with the surviving literature of ancient Judaism In this book Sarah Pearce tries to understand Philo in relation to the wider context in which he lived and worked Key areas for investigation include defining the Egyptian in Philo's world Philo's treatment of the Egypt of the Pentateuch as a symbol of the land of the body Philo's emphasis on Egyptian inhospitableness and his treatment of Egyptian religion focusing on Nile veneration and animal worship **Finding Hagar** Michael F. Kuhn, 2019-08-14 Finding Hagar probes the relentless pursuit by the living God of a fugitive woman who falls outside the line of his chosen people This pursuit ensures Hagar's destiny by giving her an identity as one who is seen and known by God himself Hagar's story centers around a deeply personal dialogue with God concerning her past and her future her story and her dreams and while his promises are rooted in her reality they also carry her forward to a new horizon of hope Often recognized as one of the Bible's most powerful stories of God's love which is always undeserved and unmerited this book is a reminder of God's abundant grace towards all people at a time when there is much division and animosity towards the descendants of Hagar As we witness major displacement of peoples around the world the story of Hagar of God's encounter with a displaced and oppressed woman inspires hope and purpose for today's fractured global community *Hagar, Sarah, And Their Children* Letty M. Russell, In different ways Judaism Christianity and Islam all trace their beginnings to Abraham His wives Hagar and Sarah though also pivotal in the story have received far less attention In this book however noted Jewish Christian and Muslim scholars focus on Hagar Sarah and their children from Ishmael and Isaac to their many descendants through the centuries Moving from ancient and medieval sources to contemporary appropriations of the Sarah and Hagar story the authors begin with an overview of the three religions from their scriptural beginnings to their contemporary questions They then explore how the story was developed after its canonization in rabbinic interpretations in the stories of Islam and in the teachings of the early church fathers They also present contemporary womanist and feminist perspectives Timely relevant and provocative this book provides an entree into interreligious discussion and understanding All the Women of the Bible Herbert Lockyer, 1988 This volume part of Lockyer's All Series contains detailed indexing of the life and times of all the

women of the Bible Egypt on the Pentateuch's Ideological Map Franz V. Greifenhagen, 2003-04-01 This book explores the references to Egypt in the Pentateuch twice as dense as in the rest of the Hebrew Bible in the context of the production of the text's final form during the Persian period Here as Greifenhagen shows Egypt functions ideologically as the primary other over against which Israel's identity is constructed while its role in Israel's formation appears as subsidiary and as a superseded stage in a master narrative which locates Israel's ethnic roots in Mesopotamia But the presentation of this powerful neighbour is equivocal a dominant anti Egyptian stance coexists with alternative though subordinate pro Egyptian views suggesting that the Pentateuchal narrative was produced within a context of ideological conflict over attitudes towards a land that provided a home for Jewish fugitives and emigrants **Mothers of Promise** Tammi J. Schneider, 2008-08-01 Eve Noah's wife Sarah Tamar Asenath and others played a critical role in shaping the nation and faith of Israel But we need to look closely at their stories to fully understand their impact Respected Hebrew scholar and archaeologist Tammi Schneider takes us into the biblical account by carefully reading the stories of all the women in Genesis and illuminating the text with cultural background and archaeological insights Her careful and creative approach challenges traditional ways of seeing these women and gives a fresh perspective on familiar stories The result is a readable thoughtful and biblically grounded look at the roles and functions of Genesis women and a solid resource for studies of Genesis women in the Bible and women's issues Swedenborg's Works Emanuel Swedenborg, 1907 Stony the Road We Trod Cain Hope Felder, 1991-01-01 A hallmark of American black religion is its distinctive use of the Bible in creating community resisting oppression and fomenting social change **The LORD Who Listens** Charles C. Helmer IV, 2024-02-26 In *The LORD Who Listens* Charles C. Helmer IV draws on Holy Scripture and the theology of Karl Barth to offer a theological interpretation of God's hearing Prioritizing this neglected biblical theme Helmer develops a theological grammar for speaking of God's hearing that maintains a strong creator creature distinction and then proceeds to demonstrate the profound implications God's hearing has for the doctrines of anthropology Christology and thus for understandings of the gospel In contrast to passibilist liberationist strategies God's hearing is argued to furnish existentially and theologically superior resources for those who cry out to be heard by God **Challenging Contextuality**, 2024-07-31 *Challenging Contextuality Bibles and Biblical Scholarship in Context* provides a new and innovative contribution to the study of biblical texts by bringing together current approaches to biblical interpretation The volume sets the agenda for the future of the field and provides a synthesis of approaches to date In doing so it aligns itself with the broadly shared hermeneutical conviction that contextuality is a catalyst for interpretation This applies in equal measure to approaches and methods that are often framed as traditional or mainstream e g the methodological canon of the historical critical approach as the offspring of the European Enlightenment and those that are often dubbed contextual e g forms of feminist or indigenous interpretation The volume grounds contextual biblical interpretation within the broader landscape of biblical studies and the chapters are all interested in the contexts in

which bibles are read Rather than a series of examples of contextual biblical interpretation this book is concerned with what it means to do contextual biblical interpretation how contextual biblical interpretation challenges biblical scholarship and what chances there are for this mode of inquiry What contexts are engaged and elucidated when it comes to bible use What contexts are made visible and invisible How can different contexts be theorized and understood The volume argues that it is not context that matters rather contemporary contexts should be a challenge and a chance for biblical scholarship its present and its future

Bible Blindspots Jione Havea, Monica Jyotsna Melanchthon, 2021-11-03 Several of the ways and cultures that the Bible privileges or denounces slip by unnoticed When those the privileged and the denounced are not examined they fade into and hide in the blind spots of the Bible This collection of essays engages some of the subjects who face dispersion physical displacement that sparks ideological bias and othering ideologies that manifest in social distancing and political displacement These include among others the builders of Babel Samaritans Melchizedek Jezebel Judith Gomer Ruth slaves and mothers In addition to considering the drive to privilege or denounce the contributors also attend to subjects ignored because the Bible's blind spots are not examined These include planet Earth indigenous Australians Palestinians Dalits minjungs battered women sexual abuse victims religious minorities mothering men gays and foreigners This collection encourages interchanges and exchanges between dispersion and othering and between the Bible and context It flows in the currents of postcolonial and gendered studies and closes with a script that stages a biblical character at the intersection of the Bible's blind spots and modern readers' passions and commitments
