Hairy Toe:

The Hairy Toe ,2011 *The Hairy Toe* Daniel Postgate,1999-09 An old woman finds a hairy toe and she soon wishes she hadn't in this spine tickling traditional American tale **Scared Witless** Mitch Weiss,2006 A collection of folktales primarily from the United States as well as one adaptation and two original stories each followed by tips for novice storytellers Focus on Comprehension - 3 Louis Fidge,1999 Focus on Comprehension offers three levels of differentiated activities designed to help children develop a wide range of comprehension skills Already a popular solution for SATs comprehension practice this new program follows the range of texts and objectives required by the National Literacy Strategy Framework for Teaching **Focus on Comprehension** Louis Fidge,1999 **Golden Wings & Hairy Toes** Todd McLeish,2016-02-01 This book profiles fourteen of New England's most rare and endangered flora and fauna mammals birds insects plants and fish by following the biologists who are researching monitoring and protecting them Each chapter includes a first person account of the author's experience with these experts as well as details about the species life history threats and conservation strategies McLeish traps bats in Vermont and lynx in Maine gets attacked by marauding birds in Massachusetts and observes the metamorphosis of dragonflies in Rhode Island He visits historical cemeteries to see New England's rarest plant tracks sturgeon in the Connecticut River and observes a parade of what may be the rarest mammal on earth the North Atlantic right whale in Cape Cod Bay The book's title comes from the name of one of the birds in the book the golden winged warbler and the unusual characteristic used to distinguish the rare Indiana bat from its common cousins its hairy toes McLeish a longtime wildlife advocate and essayist has a gift for communicating scientific information in an interesting and accessible way His goal in this book to make an emotional connection to a variety of fascinating animals and plants is successfully conveyed to the reader who comes away amazed by the complexity of individual species and the ecosystems necessary for their survival Sometimes there are surprises how lynx benefit from the clear cutting of forests or how utility companies often blamed for environmental degradation have accidentally succeeded in creating excellent habitat for golden winged warblers along their power line corridors Such examples support McLeish's assertion that we can meet the immense challenges to species preservation such as global warming acid rain and mercury poisoning as well as the difficulty of adding new species to the 1973 Endangered Species Act As McLeish's book shows each rare species has an important story to tell about the causes of its population decline the obstacles each face in rebuilding a sustainable population and the people who go to extraordinary lengths to give these species a chance to thrive Golden Wings & Hairy Toes Kimberly A. Jarvis,Todd McLeish,2007-10-31 A lively and often surprising look at fourteen of New England's most endangered species *Creepy Scary Stories* Sean Mosley,2012-06-14 Who Took My Hairy Toe? ,2001 An old man known for taking what isn't his picks up the wrong thing one Halloween night and its owner wants it back **Spooky Maryland** S. E. Schlosser,2020-07-01 Pull up a chair or gather round the campfire and get ready for thirty four creepy tales of ghostly

hauntings eerie happenings and other strange occurrences in Maryland Set in the Old Line State s city streets rural communities wooded mountains and vast shoreline the stories in this entertaining and compelling collection will have readers looking over their shoulders again and again Maryland s folklore is kept alive in these expert retellings by master storyteller S E Schlosser and in artist Paul Hoffman s evocative illustrations Set way back near the cold calm waters of Crisfield in the quiet rural farmlands of Venton and in the dark heavily wooded swamplands of Cambridge the stories in this entertaining and compelling collection will have you looking over your shoulder again and again Readers will feel an icy wind on the back of their necks on a warm evening Whether read around the campfire on a dark and stormy night or from the backseat of the family van on the way to grandma s this is a collection to treasure **Slug and Other Stories** Megan Milks,2021-11-09

Carefully considered successful instances of experimental fiction disrupt gender genre and identity in this deranged otherworldly collection Literary Hub A woman metamorphoses into a giant slug another quite literally eats her heart out a wasp falls in love with an orchid and hair starts sprouting from the walls These stories slip and slide between genres from video games to fan fiction body horror to choose your own adventure as characters cycle through giddy changes in gender physiology species and identity Collapsing boundaries between bodies and forms these fictions interrogate the visceral gross and absurd This book is fucking weird wrote Brit Mandelo in 2015 It s only gotten weirder since *Slug and Other Stories* is a revised and expanded edition of a contemporary cult classic Finally back in print this collection is a testament to the messy anti logic of queer feelings by a revelatory new voice Sweet Land of Story Pleasant DeSpain,2000 Thirty six true tall and traditional tales primarily from the nineteenth century or earlier selected by a professional storyteller and divided by the region of the United States from which they originated *A Poetry Teacher's Toolkit* Collette Drifte, Mike Jubb,2013-10-23
