Halal Food Good Eat London:

Halal Food Jumaatun Azmi, 2003-01-01 This book tackles the biggest city in the world and includes 100 restaurants take away counters and cafes that serve halal dishes The reviews on the London eating establishments are frank and are sprinkled with interesting observations of the places and surrounding areas This means you will know which restaurant you would want to save a month's salary for or just to eat there to survive All halal in all of London Features over 100 reviews of restaurants and cafes descriptive photographs easy to read maps index and icons to find the exact place you want *The Halal Frontier* J. Fischer, 2011-08-16 In *The Halal Frontier* Johan Fischer shows that halal literally lawful or permitted is no longer an expression of esoteric forms of production trade and consumption but part of an expanding globalised market This book explores modern forms of halal understanding and practice in the halal consumption of middle class Malays in the diaspora *Halal Matters* Florence Bergeaud-Blackler, Johan Fischer, John Lever, 2015-07-16 In today's globalized world halal meaning permissible or lawful is about more than food Politics power and ethics all play a role in the halal industry in setting new standards for production trade consumption and regulation The question of how modern halal markets are constituted is increasingly important and complex Written from a unique interdisciplinary global perspective this book demonstrates that as the market for halal products and services is expanding and standardizing it is also fraught with political social and economic contestation and difference The discussion is illustrated by rich ethnographic case studies from a range of contexts and consideration is given to both Muslim majority and minority societies *Halal Matters* will be of interest to students and scholars working across the humanities and social sciences including anthropology sociology and religious studies *The Bloomsbury Reader on Islam in the West* Edward E. Curtis, 2015-10-22 For more than a millennium Islam has been a vital part of Western civilization Today however it is sometimes assumed that Islam is a foreign element inside the West and even that Islam and the West are doomed to be in perpetual conflict The need for accurate reliable scholarship on this topic has never been more urgent *The Bloomsbury Reader on Islam in the West* brings together some of the most important up to date scholarly writings published on this subject The Reader explores not only the presence of Muslim religious practitioners in Europe and the Americas but also the impact of Islamic ideas and Muslims on Western politics societies and cultures It is ideal for use in the university classroom with an extensive introduction by Edward E Curtis IV and a timeline of key events in the history of Islam in the West A brief introduction to the author and the topic is provided at the start of each excerpt Part 1 on the history of Islam in the West probes the role of Muslims and the significance of Islam in medieval early modern and modern settings such as Islamic Spain colonial era Latin America sixteenth century France nineteenth century Crimea interwar Albania the post World War II United States and late twentieth century Germany Part 2 focuses on the contemporary West examining debates over Muslim citizenship the war on terrorism anti Muslim prejudice and Islam and gender while also providing readers with a concrete sense of how Muslims practise and live out Islamic ideals
