Half-Known Life G.J. Barker-Benfield,2004-11-23 Now a classic in the field The Horrors of the Half KnownLife is an important foundational text in the construction of masculinity female identity and the history of midwifery Encyclopedia of Lesbian Histories and Cultures Bonnie Zimmerman,2013-08-21 Volume one of this two volume set focuses on lesbian history and culture beginning in 1869 when the study of homosexuality was said to have begun with the establishment of sexology It is intended as a reference for students and scholars in many fields as well as the general public

Male-to-Female Crossdressing in Early Modern English Literature Simone Chess,2016-04-14 This volume examines and theorizes the oft ignored phenomenon of male to female MTF crossdressing in early modern drama prose and poetry inviting MTF crossdressing episodes to take a fuller place alongside instances of female to male crossdressing and boy actors crossdressing which have long held the spotlight in early modern gender studies The author argues that MTF crossdressing episodes are especially rich sources for socially oriented readings of queer gender that crossdressers genders are constructed and represented in relation to romantic partners communities and broader social structures like marriage economy and sexuality Further she argues that these relational representations show that the crossdresser and his her allies often benefit financially socially and erotically from his her queer gender presentation a corrective to the dominant idea that queer gender has always been associated with shame containment and correction By attending to these relational and beneficial representations of MTF crossdressers in early modern literature the volume helps to make a larger space for queer genderqueer male bodied and queer feminine representations in our conversations about early modern gender and sexuality

The Berrybender Narratives Larry McMurtry,2010-06-01 The complete collection of Larry McMurtry s major four volume series following the Berrybender family aristocratic English and fiercely out of place on their journey to see the American West as it begins to open up Sin Killer It is 1830 the dawn of a new era in America s growth when Lord and Lady Berrybender embark on a journey up the Missouri River to explore the frontier and to broaden the horizons of their children Tasmin a budding young woman of grit beauty and determination her vivacious and difficult sister and her brother As they journey by rough stages up the Missouri they meet with all the dangers difficulties beauties and temptations of the untamed West For Tasmin these temptations include Jim Snow a frontiersman ferocious Indian fighter and part time preacher known up and down the Missouri as the Sin Killer The Wandering Hill Abandoning their luxurious steamer which is stuck in the ice

near the Knife River the Berrybenders make their way overland to the confluence of the Missouri and the Yellowstone rivers to spend the winter in conditions of siege at the trading post of Pierre Boisdeffre By now Tasmin is a married woman or as good as living with the elusive young mountain man Jim Snow pregnant with his child and about to discover that he has secrets he hasn't told her For his part Jim is about to discover that in taking the outspoken tough minded stubbornly practical young aristocratic woman into his teepee he has bitten off more than he can chew By Sorrow's River The Berrybender party once again takes to the trail across the endless Great Plains of the West towards Santa Fe where they intend those who are lucky enough to survive the journey to spend the winter Along the way they meet up with a varied cast of characters from the history of the West Kit Carson the famous scout Le Partezon the fearsome Sioux war chief two aristocratic Frenchmen whose eccentric aim is to cross the Great Plains by hot air balloon a band of raiding Pawnee and many other astonishing characters who prove once again that the rolling grassy plains are not in fact nearly as empty of life as they look Folly and Glory Under irksome though comfortable arrest with her family in Mexican Santa Fe Tasmin Berrybender who would once have followed Jim Snow anywhere is no longer even sure she likes him or knows where to go to next Neither does anyone else even Captain Clark of Lewis Clark fame is puzzled by the great changes sweeping over the West replacing red men and buffalo with towns and farms As the Berrybenders embark on a desperate journey to New Orleans starving dying of thirst and in constant bloody battle with slavers pursuing them both Jim Snow and Tasmin find themselves forced to choose among conflicting loves and finally decide where their futures lie

placing them in their cultural and historical contexts particularly uncovering the contribution of epistolarity to erotic discourse and to the history of sexuality and gender in diverse eras and locations within Classical to Late Antiquity The Heroine Eaton Stannard Barrett, 2020-08-01 Reproduction of the original The Heroine by Eaton Stannard Barrett The Witch and the Clown Ann, Barry Ulanov, 1987-02-01 The Ulanovs examine the images of the witch and the clown not only as mere literary anthropological or historical themes but as determining much of the complexity of human sexual life The common notions of male sexuality based upon strength and aggression and female sexuality upon weakness and submission are thoroughly undone in this analysis **Queer Vietnam** Richard Quang-Anh Tran, 2025-05-13 Queer Vietnam recovers the forgotten stories of variant genders and sexualities in early twentieth century Vietnam By the beginning of the 1900s European imperialism had spread Western notions of gender across much of Asia narrowing and delegitimizing what had been a wide range of acceptable gender practices But in Vietnam Western influence on gender remained uneven at best Through archival research and innovative readings of literary sources Richard Quang Anh Tran argues that Vietnamese culture embraced a much less rigid view of the human body and that a far more capacious vision of gendered personhood existed in this period than has been previously assumed Popular love stories involved cross dressing monks and traditional women who don male garb to fight in battle And accounts of proto lesbian friendships and a futuristic human civilization populated by a higher form of hermaphroditic species all found avid readers Together this material reveals that in Vietnam's interwar period tradition coexisted with and jostled against the modern While current perceptions of Vietnamese history rest on the exclusion of the queer subjects who depart from heteronormative ways of being this book brings them to the center and opens up new directions for both the historical study of gender and Vietnam's modernity *The Metaphysics of Sex ...in a Changing World!* Christopher Alan Anderson, 2014-07-16 Is sex metaphysical This is to say does it have a purpose and a nature that is encoded in the very construct of the universe These are the questions the author takes up in this day and age where most everything is up for grabs This writing is not without an examination of sensitive issues and explicit terms Think of it as a third way if you will It resides between the fixed identity of our declining religions and the fluid identity of the emerging L G B T Q movement In that it presents to us all another choice In the end it is about a construct for sexual balance that any reader can understand and use as a guide for his or her life Keywords Metaphysics Sex Relationship Procreation Soul Life Birth Love Desire Healing
