Shakespeare's plays and poems Who are some of the most notable African American authors What are the three main variations of the sonnet What famous writers belonged to The Bloomsbury Group Literature Lovers Book of Lists is both exciting and informative at the same time *Call Me Coach* Paul F. Dietzel, 2008-09-15 When LSU head football coach Paul Dietzel saw Billy Cannon field an Ole Miss punt on LSU's own eleven yard line on a stifling Halloween night in 1959 his shouts of No no no turned to Go go go as Cannon eluded tackler after tackler sending fans in Tiger Stadium into a frenzy and earning himself that year's Heisman Trophy Dietzel is probably best known for leading LSU to its first national championship the year before Cannon's legendary run but his career in athletics also carried him to numerous posts across the country and put him in the company of some of the best coaching minds of all time In *Call Me Coach* Dietzel affectionately recalls his rich and varied life in college football In 1948 Dietzel decided to forgo medical school at Columbia University to become the plebe football coach at West Point As an assistant over the next few years he worked with Bear Bryant at the University of Kentucky Colonel Red Blaik and Vince Lombardi at West Point and Sid Gillman at the University of Cincinnati Taking the job of head coach at LSU in 1955 he reversed the Tigers losing skid and using the wing T formation and a revolutionary three team substitution system incorporating the White Team the Go Team and the renowned Chinese Bandits crafted 1958's unbeaten championship season The thirty three year old Dietzel was voted National Coach of the Year by the widest margin ever Back at West Point from 1961 to 1965 Dietzel rallied the Cadets to finally beat Navy and as South Carolina's football coach and athletics director from 1966 to 1974 he took the Gamecocks to their first bowl game in twenty five years and mandated the recruitment of black athletes in all sports programs After twenty years as a head coach with 109 wins and 95 losses at three schools and a postseason record of 11 victories and 3 defeats Dietzel retired from coaching in 1974 later serving as athletics director at Indiana and LSU Through Dietzel's eyes readers glimpse college football during a simpler time but also see that many facets of the game including recruitment challenges job insecurity press relations and fickle fans remain constant Highlights among the book's many unforgettable anecdotes are a 1962 interview with Howard Cosell discussion about West Point's football team with General Douglas MacArthur and a rare disagreement with Bear Bryant during a staff meeting Dietzel's recollections of his early and later years help complete the story of the man In a warm raconteur's voice he describes his impoverished childhood in Ohio his own participation in high school and college sports and his stint flying B 29 missions over Japan during World War II His postretirement endeavors have included providing color commentary for TV selling fudge teaching skiing and watercolor painting Always at the top of Dietzel's priorities have been friends family and faith Gratitude rings as a constant refrain in *Call Me Coach* and sports enthusiasts everywhere will be grateful that Dietzel has shared these recollections of his remarkable life **CHASING TUMBLEWEEDS** Bernie Keating, 2014-05 The sagebrush prairie passed by outside the bus window and the landscape grew dim in the fading sunset leaving his hometown far behind Maybe the tumbleweeds swirling in the wind alongside the bus were an omen time would

scatter bad memories just like wind chasing tumbleweeds *A Landscape with Dragons* Michael D. O'Brien, 2011-05-24 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and misleading In his book *A Landscape with Dragons* Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to *A Landscape with Dragons* is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children's culture O'Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children's book or film made you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through high school
