Halfcrown Colony A Historical Profile Of Hong Kong:

Half-crown Colony James Pope-Hennessy,1979 **Scouting in Hong Kong, 1910-2010** Paul Kua,2024-05-05
Scouting in Hong Kong 1910 2010 Citizenship training in colonial and Chinese contexts originally issued in 2011 as a hardcover book when the Hong Kong youth movement celebrated its centenary is republished with revisions in 2024 as a paperback and an ebook The narratives and analyses developed here covered the what how when and who and the why and so what of the development of the Hong Kong Scout Movement from 1910 to 2010 using a large volume of primary sources It tells the story of Hong Kong Scouting based the theme of citizenship training for youth and its defining categories esp that of race class gender and age both colonial and post colonial The book is also richly illustrated with interesting and instructive images many of which came from the Hong Kong Scout Archives The study originally based on a Ph D dissertation is not meant to be an institutional hagiography Instead it is a critical study aimed at both general readers and readers with more specific interests and should enrich their understanding of the histories of Scouting youth citizenship education the colonies the British Empire and decolonization China and Hong Kong **Half-crown Colony** James Pope-Hennessy,1970 **The A to Z of the Hong Kong SAR and the Macao SAR** Ming K. Chan,Sonny Shiu-Hing Lo,2010-04-01 The Hong Kong Special Administrative Region of the People s Republic of China is located on the southeastern coast of China and the Macao SAR can be found off of China s southern coast Both regions have recently been released from European colonial rule Hong Kong from British control in 1997 and Macao from Portugal in 1999 As SARs Hong Kong and Macao retain a high degree of autonomy and they control all issues except those of state e g diplomatic relations and national defense The A to Z of the Hong Kong SAR and the Macao SAR includes maps photographs a list of acronyms a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places and events as well as political economic and social background However unlike the rest of the series all these sections are presented in duplicate one for Hong Kong and one for Macao The authoritative analysis and informative data presented clearly elucidate the unique situation of these two territories *Democracy, Asian Values, and Hong Kong* Bob Beatty,2003-08-30 On July 1 1997 China took control over Hong Kong where Britain had begun a process of introducing democracy Beatty examines the process of democratization in Hong Kong with the argument that democratic development will continue despite being under Chinese rule Through a series of 128 interviews with 89 Hong Kong elites from 1997 2002 including legislators and party leaders as well as participant and direct observation of 15 campaigns for the Legislative Council in 1998 Beatty analyzed political leaders beliefs and commitment towards democratic development and institutions and put them into the context of the post handover environment Evidence from the interviews is used to test the proposition that adherence to Asian values undermines democracy and Beatty probed Hong Kong elites about their beliefs regarding the rule of law freedom of the press civil liberties and the possible trade offs between economic development and democratization A major finding from the in depth interviews is that while Hong Kong

political elites reject the Singapore model and the Asian Values argument many do believe in trade offs between economic development and democratization Beatty also offers sharp insight into the thinking of Hong Kong political elites and transcends the particular politics of Hong Kong and delves in the broader subject of elite beliefs and attitudes An important analysis for scholars students and other researchers involved with China Hong Kong Asian politics and political values and political development in general City Between Worlds Leo Ou-fan Lee,2010-05-01 Hong Kong is perched on the fault line between China and the West a Special Administrative Region of the PRC Leo Ou fan Lee offers an insider s view of Hong Kong capturing the history and culture that make his densely packed home city so different from its generic neighbors The search for an indigenous Hong Kong takes Lee to the wet markets and corner bookshops of congested Mong Kok remote fishing villages and mountainside temples teahouses and noodle stalls Cantonese opera and Cantopop But he also finds the real Hong Kong in a maze of interconnected shopping malls a jungle of high rise residential towers and the neon glow of Chinese owned skyscrapers in the Central Business District where land development global trade capital accumulation consumerism and free market competition trump every value except family Lee illuminates the relationship between Hong Kong s geography and its colonial experience revisiting colonial life on the secluded Peak in the opium filled godowns along the harborfront and in crowded plague infested tenements He examines with a critic s eye the Hong Kong story in film and fiction romance in the bars and brothels of Wan Chai crime in the walled city of Kowloon ennui on the eve of the 1997 handover Whether viewed from Tsing Yi Bridge or the deck of the Star Ferry from Victoria Peak or Lion Rock Hong Kong sparkles here in all its multifaceted complexity a city forever between worlds **China, Taiwan, Hong Kong** Arlene D. C. Luster,1969 Historical Dictionary of the Hong Kong SAR and the Macao SAR Ming K. Chan,Sonny Shiu-Hing Lo,2006-09-05 The Historical Dictionary of the Hong Kong SAR and the Macao SAR is divided into two parts one for each region Introductory information such as the list of acronyms and maps precedes both parts but then separate chronologies introductions dictionaries appendixes and bibliographies are provided for both Hong Kong and Macao providing an in depth examination of both SARs A photospread completes the volume Back Cover *Cumulative Bibliography of Asian Studies, 1966-1970* ,1972 The Fall of Hong Kong Philip Snow,2003-01-01 The definitive account of the wartime history of Hong Kong On Christmas Day 1941 the Japanese captured Hong Kong and Britain lost control of its Chinese colony for almost four years a turning point in the process by which the British were to be expelled from the colony and from East Asia This book unravels for the first time the dramatic story of the Japanese occupation and reinterprets the subsequent evolution of Hong Kong Magnificent The clarity of mind Snow brings to his labor of storytelling and contextualizing is amazing John Lanchester Daily Telegraph Beautifully written with many telling anecdotes Lawrence D Freedman Foreign Affairs Very good Provides a much more nuanced picture than has appeared before in English of life among Hong Kong s different communities before and during the Japanese occupation Economist **Anglo-China** Christopher Munn,2013-12-16 A study of the first three

decades of British rule in Hong Kong focusing on the troubled and controversial process of establishing a British colony at Hong Kong and on the reception of British rule by people in the region **Errante Golondrina** Macario Ofilada,2003

The Publishers' Trade List Annual ,1971 **Tracing China** Helen F. Siu,2016-08-01 Tracing China's journey began from exploring rural revolution and reconstitutions of community in South China Spanning decades of rural urban divide it finally uncovers China's global reach and Hong Kong's cross border dynamics Helen Siu traverses physical and cultural landscapes to examine political tumults transforming into everyday lives and fathom the depths of human drama amid China's frenetic momentum toward modernity Highlighting complicity Siu portrays how villagers urbanites cadres entrepreneurs and intellectuals laden with historical baggage venture forward But have they victimized themselves in the process This essay collection informed by critical social theories and shaped by careful scrutiny of fieldwork and archival texts is woven by key historical anthropological themes culture history power place making and identity formation Siu stresses process and contingency and argues that culture and society are constructed through human actions with nuanced meanings moral imagination and contested interests Challenging the notion that social political changes are mere linear historical progressions she traces layers of the past in present realities Helen Siu is one of the world's leading specialists on Chinese rural and urban society Her essays collected here cover a wide range of topics of interest to anthropologists sociologists geographers economists and political scientists Siu focuses on the underside of social life in South China a quality so often missing in the work of others She writes with great skill and empathy James L Watson Fairbank Professor of Chinese Society and Professor of Anthropology Emeritus Harvard University No one has woven the threads of ethnography social structure and cultural performance so brilliantly together as Helen Siu has in Tracing China This rich tapestry of her finest scholarship illuminates how culture power and history can be deployed to yield wholly original and convincing understandings of southern China James C Scott Sterling Professor of Political Science and Anthropology Yale University New York Times Saturday Review of Books and Art ,1973 **The New York Times Book Review Index, 1896-1970: Subject index** ,1973
