Eskew's biography improves upon earlier popular treatments of the Savannah Georgia born songwriter to produce a sophisticated insightful evenhanded examination of one of America's most popular and successful chart toppers Johnny Mercer Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world Eskew contends that Mercer and much of his music remained rooted in his native South being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians At Capitol Records Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music When rock n roll diminished opportunities at home Mercer looked abroad collaborating with international composers to create transnational songs At heart Eskew says Mercer was a jazz musician rather than a Tin Pan Alley lyricist and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience [The American Poet Who Went Home Again](#) Aberjhani,2008-04 [Halfrubber](#) Dan Jones,1980 *The Dickson Baseball Dictionary (Third Edition)* Paul Dickson,2011-06-13 The definitive work on the language of baseball one of the Five Best Baseball Books Wall Street Journal Hailed as a staggering piece of scholarship Wall Street Journal and an indispensable guide to the language of baseball San Diego Union Tribune The Dickson Baseball Dictionary has become an invaluable resource for those who love the game Drawing on dozens of nineteenth and early twentieth century periodicals as well as contemporary sources Dickson's brilliant illuminating definitions trace the earliest appearances of terms both well known and obscure This edition includes more than 10 000 terms with 18 000 individual entries and more than 250 photos This impressively comprehensive The Nation book will delight everyone from the youngest fan to the hard core aficionado **The New Dickson Baseball Dictionary** Paul Dickson,1999 Still not sure what makes a sinker different from a curve Can't remember when the M M boys played with the Yankees Want to know where the seventh inning stretch comes from Then you've done the right thing by picking up this book the most complete collection of baseball terms and slang to be found between two covers Impeccably researched The New Dickson Baseball Dictionary covers all the bases [The Humility of the Brutes](#) Ron Smith,2017-08-14 The title of Ron Smith's new collection comes from Yeats's observation that creators must go from desire to weariness and so to desire again and live but for the moment when vision comes to our weariness like terrible lightning in the humility of the brutes The poems in The Humility of the Brutes move beyond Yeats's journey using precise language and memorable phrasing to push through skepticism and guide us toward the mystical as we struggle to understand our past and our present [The Quotable Southerner](#) Polly Powers Stramm,2020-01-01 Southerners have always had something to say Focusing on the unique qualities of both the landscape and people Quotable Southerner showcases the linguistic insight of the region's native and adopted sons and daughters Sometimes insightful sometimes hilarious these quotes will have readers smiling laughing and
