**Sir Arthur Travers Harris**

## Halifax At War:

**Sailors, Slackers, and Blind Pigs** Stephen Kimber, 2010-06-25 The untold story of how war transformed the city of Halifax Stephen Kimber recreates life in Halifax during the Second World War a city transformed by the influx of military and civilian personnel serving the war effort Poorly governed and corrupt the city erupted at the end of the war in Europe in the infamous V E Day riots of May 1945 Halifax was the only Canadian city directly caught up in the drama danger death and disaster of our last good war Through the eyes and experiences of the people who lived it sailors slackers civilians prohibitionists spies profiteers and just plain local folk Stephen Kimber brings this extraordinary period of history to life From an initial outpouring of imperial patriotism and local paternalism to the final Bacchanalian orgy of booze looting dancing in the streets public fornication and general mayhem this is the true untold story of how a city changed a war and a war changed a city Drawing on primary sources ranging from local government and military archives to personal diaries Kimber recreates life in Halifax during the Second World War so convincingly that readers will feel that they have journeyed back in time to meet some of the most colourful characters ever encountered in a history book *Roster of North Carolina Troops in the War Between the States* North Carolina. General Assembly, 1882 **Roster of North Carolina Troops in the War Between the States** John W. Moore, 2024-04-09 Reprint of the original first published in 1882 **Halifax at War** Brian James Rapier, 1987 Beskriver det fra 2 verdenskrig kendte engelske bombefly Halifax [Nova Scotia at War, 1914-1919](#) Brian Douglas Tennyson, 2021-04-06 An in depth historical study of Nova Scotia s role in WWI and its lingering impact on the region its people and its economy Though the First World War ended in 1918 it continued to haunt Canada for generations In Nova Scotia at War 1915 1919 historian Brian Douglas Tennyson examines what was for the people of Canada an unprecedented period collective military trauma As Tennyson demonstrates the war effort didn t end with the brave soldiers and sailors who went overseas It also touched the lives of civilians who worked in the fishery on the farms and in the forests coals mines and steel mills A specialist in early twentieth century Canadian political history Tennyson examines the economic impact of the war with incisive clarity In an often overlooked cost of the conflict it shattered Nova Scotia s dream of becoming the Atlantic gateway and the industrial heartland of Canada This volume includes 30 black and white photos [The Windsors at War](#) Alexander Larman, 2023-04-18 The next volume in Alexander Larman s biographical chronicle of the Windsor family as they go to war with Adolf Hitler and each other At the beginning of 1937 the British monarchy was in a state of turmoil The previous king Edward VIII had abdicated the throne leaving his unprepared and terrified brother Bertie to become George VI surrounded by a gaggle of courtiers and politicians who barely thought him up to the job Meanwhile as the now Duke of Windsor awaited the decree that would allow him to marry his mistress Wallis Simpson he took an increased interest in the expansionist plans of Adolf Hitler He may even have gone so far as to betray his country in the process And as double agents and Nazi spies thronged the corridors of Buckingham Palace the only man the King could trust was his Prime

Minister Winston Churchill But they faced a formidable even unbeatable adversary his own brother The Windsors at War tells the never before told story of World War Two in Britain and America with a fresh focus on the royal family their conflicted relationships and the events that rocked the international press How did this squabbling dysfunctional family manage to put their differences aside and unite to help win the greatest conflict of their lifetimes Alexander Larman author of The Crown in Crisis now chronicles the Windsor family at war with Germany and each other

**Official Records of the Union and Confederate Navies in the War of the Rebellion**, 1896 Official Records of the Union and Confederate Navies in the

War of the Rebellion United States. Naval War Records Office, 1895 Britain and a Widening War, 1915-1916 Peter Liddle, 2016-11-30 In a series of concise thought provoking chapters the authors summarize and make accessible the latest scholarship on the middle years of the Great War 1915 and 1916 and cover fundamental issues that are rarely explored outside the specialist journals Their work is an important contribution to advancing understanding of Britains role in the war and it will be essential reading for anyone who is keen to keep up with the fresh research and original interpretation that is transforming our insight into the impact of the global conflict The principal battles and campaigns are reconsidered from a new perspective but so are more general topics such as military leadership the discord between Britains politicians and generals conscientious objection and the part played by the Indian Army The longer term effects of the war are also considered facial reconstruction developments in communication female support for men on active service grief and bereavement the challenge to religious belief battlefield art and the surviving vestiges of the war Peter Liddle and his fellow contributors have compiled a volume that will come to be seen as a landmark in the field Contributors Andrew BamjiClive BarrettNick BosanquetJames CookeEmily GlassGraeme GoodayAdrian GregoryAndrea HetheringtonRobert JohnsonSpencer JonesPeter LiddleJuliet MacdonaldJessica MeyerDavid MillichopeNS NashWilliam PhilpottJames PughDuncan RedfordNicholas SaundersGary SheffieldJack SheldonJohn SpencerKapil Subramanian Official records of the Union and Confederate navies in the war of the Rebellion, publ. by R. Rush and R.H. Woods [and others]. United States navy dept, 1900

Despatch on War Operations, 23rd February, 1942, to 8th May, 1945 Sir Arthur Travers Harris, 1995 This document of historical significance is now available to the general public for the first time

**Poland and the Second World War, 1938-1948** Evan McGilvray, 2019-04-30 A detailed chronicle of Poland s efforts during World War II from beginning to end by the author of Narvik and the Allies The invasion of Poland by German forces quickly joined by their then allies the Soviets ignited the Second World War Despite determined resistance Poland was quickly conquered but Poles continued the struggle to the very last day of the war against Germany resisting the occupier within their homeland and fighting in exile with the Allied forces Evan McGilvray drawing on intensive research in Polish sources gives a comprehensive account of Poland s war He reveals the complexities of Poland s relationship with the Allies forced to accept their Soviet enemies as allies after 1941 then betrayed to Soviet occupation in the post war settlement as well as the divisions between Polish factions that led to civil

war even before the defeat of Germany The author narrates all the fighting involving Polish forces including such famous actions as the Battle of Britain Tobruk Normandy Arnhem and the Warsaw Rising but also lesser known aspects such as Kopinski s Carpathian Brigade in Italy Polish troops under Soviet command and the capture of Wilhelmshaven on the last day of the war      *Black Soldiers in a White Man's War* Gordon D. Pollock,2018-12-04 This book investigates the story of 600 Black men from across North America and the Caribbean who in 1917 went to war in a labour unit No 2 Construction Battalion Regarded then by senior Command as morally infectious a century later they have become central actors in a powerful cultural myth celebrated in folk tales poetry drama and text *Black Soldiers in a White Man s War* examines critically that mythical narrative Based on service records of the 600 volunteers and 35 courts martial in the unit it probes the lives of these soldiers who laboured in the forests of France during 1917 and 1918 *Black Soldiers in a White Man s War* will shock some but for the majority of readers it will present a fresh vibrant portrait of a group of young Black men who at a time of international crisis volunteered to fight the King s enemies It will also open readers to experiences these men faced as they returned to a post war racist society      **Churchill and the Politics of War, 1940-1941** Sheila Lawlor,1994-05-12 This book offers a reappraisal of Churchill s role as Britain s wartime leader and in particular reconsiders his response to the dominant strategic challenges of his first year as prime minister Based on a detailed examination of the public and private records of both political and military leaders Dr Lawlor analyses what were often conflicting views and reactions to events She suggests that Churchill s own position reflected the uncertainties differences and vacillations of his colleagues and that he was a far more sophisticated and astute politician than he allowed himself to appear The first part of the book considers the various reactions among the British leadership to the fall of France and the Battle of Britain The second and third parts analyse the discussions and decisions which led to British action in the Middle East and to sending military support to Greece

**British Foreign Policy in the Second World War** Ernest Llewellyn Woodward,1962      *The Balkans in World War Two* C. Catherwood,2003-11-03 Between 1939 and 1941 Britain had a terrible dilemma She was keen to see Turkey Bulgaria Greece Romania and Yugoslavia join the Allies against Nazi Germany But the 1939 Molotov Ribbentrop Pact had changed everything the Balkan countries were far more afraid of Stalin than of Hitler Britain and France were also concerned about the Soviets giving so much oil to Germany in 1940 Britain almost went to war with the USSR in an attack on the Caucasus This book looks at how Britain tried to solve these dilemmas and ultimately failed to do so      *Britain and America After World War II* Richard Wevill,2012-05-15 The period immediately after World War II was a vital one for diplomatic relations and with the Soviet Union emerging as a new superpower it was particularly important for Britain s relations with America This is the first book to focus on the role of the British Embassy in Washington during this period According to Richard Wevill the British Embassy was pivotal in the fulfilment of key British foreign financial and imperial policy objectives Applying the implications of new archival material to the turning points of the period including a detailed review of Lord Halifax s

ambassadorship under Attlee a re evaluation of the part of Roger Makins in the atomic energy discussions and the Embassy's influence in relation to Palestine Wevill argues for a more nuanced understanding of the special relationship in its most formative period He offers a recasting of a crucial period of twentieth century history providing fascinating new detail on Britain's relations with President Truman as well as with Secretaries of State George Marshall and Dean Acheson Charting the beginnings of one of modern history's most influential alliances this book will be a primary reference point for students and scholars of History the Cold War Politics and International Relations

**Leadership and Responsibility in the second World War** Brian Farrell, 2004-05-11 Leadership and Responsibility in the Second World War examines how well political diplomatic and military leaders particularly in Great Britain handled the daunting challenge of a worldwide conflagration It seeks to determine if a connection can be delineated between leadership responsibility success and failure specifically if any connection can be found between reluctance to shoulder responsibility and failure to produce results In doing so the authors challenge widely accepted views on major wartime controversies such as the role of Neville Chamberlain and his Conservative party at the outbreak of the war the reasons the British failed to reach an alliance with the Soviet Union in 1939 and the motives that drove Claus von Stauffenberg to attempt to assassinate Adolf Hitler

**The Second World War** Chris Bambery, 2014-05-08 The Second World War casts a long shadow portrayed as a necessary and paradigmatic war that defeated fascism During recent wars in Iraq Afghanistan and elsewhere US presidents and British prime ministers have tried to claim they were following in the footsteps of Winston Churchill by standing up to dictators In The Second World War Chris Bambery tests this position in a thorough account of the war and demonstrates why it continues to dominate TV history channels and school history books Arguing that the conflict was as much about a division of the world between the great powers as it was as a rising of ordinary people against fascism he offers a nuanced and radical analysis that sets the book apart from conventional histories of the war

**Halifax at War** William Naftel, 2008-10-15 A history of Halifax's extraordinary role in the Second World War
