Ulysses* Alistair MacLean, 1955 "*H.M.S. Ulysses*", **Hms Ulysses, by Alistair Maclean** Alistair MacLean, 1955 *Alistair MacLean's War* Mark Simmons, 2022-06-02 It is no coincidence that many of Alistair MacLean's most successful novels were sea stories In 1941 he was called up after volunteering for the Royal Navy and served as Ordinary Seaman Able Seaman and Leading Torpedo Operator For the majority of his service he was on HMS Royalist a modified Dido class light cruiser seeing action in the Arctic and operations against the German battleship Tirpitz The ship then deployed to the Mediterranean taking part in Operation Dragoon the invasion of the South of France and later in operations against German occupied Greek Islands in the Aegean After which MacLean and Royalist were deployed to the Indian Ocean and operations against the Japanese in Malaya Burma and Sumatra His wartime experiences coupled with exceptional literary skill resulted in the runaway success of his first novel HMS Ulysses 1955 followed by *The Guns of Navarone* 1957 and *South by Java Head* 1958 These three blockbusters cemented his position as one of the most successful and highly paid authors of the era While not a whole life biography Mark Simmons' book provides a fascinating insight into Maclean's war service and subsequent works which deserve enduring popularity **H.M.S. Ulysses** Herbert John Fleure, 1956 *A Final Grain of Truth* Jack Webster, 2013-10-24 Jack Webster has had a lifetime of adventure as a respected and highly commended journalist meeting the rich and famous and experiencing what the world has to offer From his upbringing in rural Aberdeenshire where he survived a serious heart condition and had to overcome a debilitating stammer to a glittering career which took him all over the world it has been an incredible journey and a life well lived Now to complete his autobiographical trilogy *A Final Grain of Truth* brings his story up to date reliving magical encounters with incredible people like Charlie Chaplin Muhammad Ali Winston Churchill Margaret Thatcher Field Marshal Montgomery Barnes Wallis Richard Rodgers of Rodgers and Hammerstein fame Hitler's friend and mentor Dr Ernst Hanfstaengl Christine Keeler oil billionaire Paul Getty and a host of others as he reflects on his work his life and his own remarkable story Full of wonderful anecdotes and written with style and panache *A Final Grain of Truth* is entertaining heartwarming and full of enlightening insights and reflections culled from a life rich with experience *The British Pacific Fleet* David Hobbs, 2020-01-31 Magnificent and important should be on the shelves of anyone with a genuine interest in the history of the

Royal Navy in the Second World War Military History Monthly In August 1944 the British Pacific Fleet did not exist Six months later it was strong enough to launch air attacks on Japanese territory and by the end of the war it constituted the most powerful force in the history of the Royal Navy fighting as professional equals alongside the US Navy in the thick of the action How this was achieved by a nation nearing exhaustion after five years of conflict is a story of epic proportions in which ingenuity diplomacy and dogged persistence all played a part As much a political as a technical triumph the BPF was uniquely complex in its make up its C in C was responsible to the Admiralty for the general direction of his Fleet took operational orders from the American Admiral Nimitz answered to the Government of Australia for the construction and maintenance of a vast base infrastructure and to other Commonwealth Governments for the ships and men that formed his fully integrated multi national fleet This ground breaking new work by David Hobbs describes the background creation and expansion of the BPF from its first tentative strikes through operations off the coast of Japan to its impact on the immediate post war period including the opinions of USN liaison officers attached to the British flagships The book is the first to demonstrate the real scope and scale of the BPF s impressive achievement Perhaps the greatest Royal Navy story of at least the twentieth century Aircrew Book Review **The Man with the Golden Typewriter** Fergus Fleming,2015-11-03 On August 16 1952 Ian Fleming wrote to his wife Ann My love This is only a tiny letter to try out my new typewriter and to see if it will write golden words since it is made of gold He had bought the golden typewriter as a present to himself for finishing his first novel Casino Royale It marked in glamorous style the arrival of James Bond agent 007 and the start of a career that saw Fleming become one the world s most celebrated thriller writers And he did write golden words Before his death in 1964 he produced fourteen best selling Bond books two works of non fiction and the famous children s story Chitty Chitty Bang Bang Fleming s output was matched by an equally energetic flow of letters He wrote constantly to his wife publisher editors fans friends and critics and to the wife of the man whose name Fleming appropriated for his hero charting 007 s progress with correspondence that ranged from badgering Jonathan Cape about his quota of free copies a coin was tossed and Fleming lost to apologizing for having mistaken a certain brand of perfume and for equipping Bond with the wrong kind of gun His letters also reflect his friendship with such contemporaries as Raymond Chandler Noel Coward and Somerset Maugham This entertaining and engaging compilation traces the arc of Fleming s literary career and details the inner working of James Bond Set against the backdrop of his Jamaican retreat Goldeneye and a troubled marriage Fleming s letters are filled with wit humor and occasional self doubt They reveal an intimate portrait of a man an era and a literary phenomenon *Lives of the Novelists* John Sutherland,2012-03-27 No previous author has attempted a book such as this a complete history of novels written in the English language from the genre s seventeenth century origins to the present day In the spirit of Dr Johnson s Lives of the Poets acclaimed critic and scholar John Sutherland selects 294 writers whose works illustrate the best of every kind of fiction from gothic penny dreadful and pornography to fantasy romance and high literature

Each author was chosen Professor Sutherland explains because his or her books are well worth reading and are likely to remain so for at least another century Sutherland presents these authors in chronological order in each case deftly combining a lively and informative biographical sketch with an opinionated assessment of the writer's work Taken together these novelists provide both a history of the novel and a guide to its rich variety Always entertaining and sometimes shocking Sutherland considers writers as diverse as Daniel Defoe Henry James James Joyce Edgar Allan Poe Virginia Woolf Michael Crichton Jeffrey Archer and Jacqueline Susann Written for all lovers of fiction *Lives of the Novelists* succeeds both as introduction and re introduction as Sutherland presents favorite and familiar novelists in new ways and transforms the less favored and less familiar through his relentlessly fascinating readings

From Journey's End to The Dam Busters

Roland Wales, 2016-09-30 Kingston playwright R C Sherriff came to fame with his First World War drama *Journey's End* which was based on his own experiences as a young officer on the Western Front Its success made him a household name and opened the door to a highly lucrative career as a novelist playwright and screenwriter in Hollywood and in Britain Many of his movies *The Invisible Man* *Goodbye Mr Chips* *The Four Feathers* *Odd Man Out* *Quartet* and of course *The Dam Busters* are still well known but the man behind them much less so This book rediscovers Sherriff using his own words his letters diaries published and unpublished manuscripts to shed light on a man who ironically gained his greatest success from the trench warfare he found so difficult to bear

Torpedoes: Hunting the Enemy in World War II

Pasquale De Marco, 2025-04-09 In the vast expanse of the North Atlantic a silent and deadly battle raged during the Second World War It was a battle between the Allies and Germany a battle for control of the vital sea lanes upon which the war effort depended The German U boats or submarines were the scourge of the Atlantic They operated in large numbers often forming wolfpacks that could overwhelm and sink Allied merchant ships with impunity The U boat threat was so severe at times that it brought Britain to the brink of starvation and forced the United States to enter the war This book tells the story of the U boat sailors the men who fought in these deadly submarines It is a story of courage sacrifice and determination These were men from all walks of life brought together by a common cause They were highly trained and skilled and they faced incredible dangers on a daily basis They knew that every patrol could be their last but they never gave up They fought in cramped and dangerous conditions often submerged for weeks at a time They endured the constant threat of depth charges and aerial attack They witnessed the death of their comrades and they knew that they could be next But they never gave up They continued to fight even when the odds were stacked against them They knew that they were fighting for their country and they were determined to win This is their story It is a story that deserves to be told and remembered If you like this book write a review

[Arctic Convoys 1942](#)

Mark Lardas,2022-09-15 A new history of the most crucial few months of the Arctic Convoys when Germany's air power forced the Allies to retreat to the cover of winter Between spring and autumn 1942 Germany was winning the battle of the Arctic Convoys Half of PQ 15 was sunk in May PQ 17 was virtually obliterated in July and in September 30 percent of PQ 18 was sunk The Allies were forced to suspend the convoys until December when the long Arctic nights would shield them Mark Lardas argues that in 1942 it was Luftwaffe air power that made the difference With convoys sailing in endless daylight German strike aircraft now equipped and trained for torpedo attacks and bases in northern Norway available the Luftwaffe could wreak havoc Three quarters of the losses of PQ 18 were due to air attacks But in November the Luftwaffe was redeployed south to challenge the Allied landings in North Africa and the advantage was lost Despite that the Allies never again sailed an Arctic convoy in the summer months Fully illustrated with archive photos striking new artwork maps and diagrams this is the remarkable history of the Luftwaffe's last strategic victory of World War II **The Journals: Volume 1**
