Jon Whitman, 2015-01-08 To what extent can imaginative events be situated in time and history From the medieval to the early modern period this question is intriguingly explored in the expansive literary genre of romance This collective study edited by Jon Whitman is the first systematic investigation of that formative process during more than four hundred years While concentrating on changing configurations of romance itself the volume examines a number of important related reference points from epic to chronicle to critical theory Recalling but qualifying conventional approaches to the three matters of Rome Britain and France the far reaching inquiry engages major works in a variety of idioms including Latin French English German Italian and Spanish With contributions from a range of internationally distinguished scholars this unique volume offers a carefully coordinated framework for enriching not only the reading of romance but also the understanding of changing attitudes toward the temporal process at large **Teaching Medieval and Early Modern**

Cross-Cultural Encounters K. Attar, L. Shutters, 2014-12-17 Drawing from theatre English studies and art history among others these essays discuss the challenges and rewards of teaching medieval and early modern texts in the 21st century university Topics range from the intersections of race religion gender and nation in cross cultural encounters to the use of popular culture as pedagogical tools *Teaching the Italian Renaissance Romance Epic* Jo Ann Cavallo, 2018-12-01 Offers pedagogical techniques for teaching Italian Renaissance romance epics in college classrooms including considerations of writing by women madrigals art film satire cartography representations of Muslim characters reception in French English and Spanish literature and digital role playing games Provides syllabus suggestions for undergraduate and graduate courses

and extensive resources *Virgil in the Renaissance* David Scott Wilson-Okamura, 2010-08-12 The disciplines of classical scholarship were established in their modern form between 1300 and 1600 and Virgil was a test case for many of them This book is concerned with what became of Virgil in this period how he was understood and how his poems were recycled What did readers assume about Virgil in the long decades between Dante and Sidney Petrarch and Spenser Boccaccio and Ariosto Which commentators had the most influence What story if any was Virgil's Eclogues supposed to tell What was the status of his Georgics Which parts of his epic attracted the most imitators Building on specialized scholarship of the last hundred years this book provides a panoramic synthesis of what scholars and poets from across Europe believed they could know about Virgil's life and poetry **Art and Music in the Early Modern Period** Katherine A. McIver, 2017-07-05 The relationship between music and painting in the Early Modern period is the focus of this collection of essays by an international group of distinguished art historians and musicologists Each writer takes a multidisciplinary approach as he or she explores the interface between music performance and painting or between music and art theory The essays reflect a variety and range of approaches and offer methodologies which might usefully be employed in future research in this field The volume is dedicated to the memory of Franca Trinchieri Camiz an art historian who worked extensively on topics related to art and music and who participated in some of the conference panels from which many of these essays originate Three of Professor Camiz's own essays are included in the final section of this volume together with a bibliography of her writings in this field They are preceded by two thematic groups of essays covering aspects of musical imagery in portraits issues in iconography and theory and the relationship between music and art in religious imagery Trade and Romance Michael Murrin, 2024-05-31 In *Trade and Romance* Michael Murrin examines the complex relations between the expansion of trade in Asia and the production of heroic romance in Europe from the second half of the thirteenth century through the late seventeenth century He shows how these tales of romance ostensibly meant for the aristocracy were important to the growing mercantile class as a way to gauge their own experiences in traveling to and trading in these exotic locales Murrin also looks at the role that growing knowledge of geography played in the writing of the creative literature of the period tracking how accurate or inaccurate these writers were in depicting far flung destinations from Iran and the Caspian Sea all the way to the Pacific With reference to an impressive range of major works in several languages including the works of Marco Polo Geoffrey Chaucer Matteo Maria Boiardo Luís de Camões Fernão Mendes Pinto Edmund Spenser John Milton and more Murrin tracks numerous accounts by traders and merchants through the literature first on the Silk Road beginning in the mid thirteenth century then on the water route to India Japan and China via the Cape of Good Hope and finally the overland route through Siberia to Beijing All of these routes originally used to exchange commodities quickly became paths to knowledge as well enabling information to pass if sometimes vaguely and intermittently between Europe and the Far East These new tales of distant shores fired the imagination of Europe and made their way with surprising accuracy as Murrin

McIver, 2017-09-29 Expanding interdisciplinary investigations into gender and material culture Katherine A McIver here adds a new dimension to Renaissance patronage studies by considering domestic art the decoration of the domestic interior as opposed to patronage of the fine arts painting sculpture and architecture Taking a multidimensional approach McIver looks at women as collectors of precious material goods as organizers of the early modern home and as decorators of its interior By analyzing the inventories of women s possessions McIver considers the wide range of domestic objects that women owned such as painted and inlaid chests painted wall panels tapestries fine fabrics for wall and bed hangings and elaborate jewelry pendant earrings brooches garlands for the hair necklaces and rings as well as personal devotional objects Considering all forms of patronage opportunities open to women she evaluates their role in commissioning and utilizing works of art and architecture as a means of negotiating power in the court setting in the process offering fresh insights into their lives limitations and the possibilities open to them as patrons Using her subjects financial records to track their sources of income and the circumstances under which it was spent McIver thereby also provides insights into issues of Renaissance women s economic rights and responsibilities The primary focus on the lives and patronage patterns of three relatively unknown women Laura Pallavicina Sanvitale Giacomina Pallavicina and Camilla Pallavicina provides a new model for understanding what women bought displayed collected and commissioned By moving beyond the traditional artistic centers of Florence Venice and Rome analyzing instead women s artistic patronage in the feudal courts around Parma and Piacenza during the sixteenth century McIver nuances our understanding of women s position and power both in and out of the home Carefully integrating extensive archival Seeking Real Truths: Multidisciplinary Perspectives on Machiavelli Patricia Vilches, Gerald Seaman, 2007-07-30 The thought and influence of Machiavelli have had a significant impact on a variety of academic disciplines including political science and government history literature language theatre and philosophy Rather than inscribe Machiavelli within the boundaries of a single academic approach tradition or discourse this volume assembles multidisciplinary perspectives on his writings on government on his creative works and on his legacy The result is intended to appeal at once to generalists seeking baseline knowledge of Machiavelli and to specialists who are interested in critical views of Machiavelli that use a broad lens and that approach their subject from different angles Contributors include Susan Ashley Salvatore Bizzarro Julia Bondanella JoAnn Cavallo Salvatore Di Maria Marie Gaille Nikodimov Eugene Garver Joseph Khoury William Klein Sante Matteo Gerry Milligan RoseAnna Mueller John Roe Gerald Seaman Charles Tarlton Patricia Vilches and Mary Walsh Charlemagne in Italy Jane E. Everson, 2023 An exploration of the many depictions of Charlemagne in the Italian tradition of chivalric narratives in verse and prose Chivalric tales and narratives concerning Charlemagne were composed and circulated in Italy from the early fourteenth to the mid sixteenth century and indeed subsequently flourished in forms of popular theatre which continue today But are they history or fiction Myth or fact Cultural

memory or deliberate appropriation Elite culture or popular entertainment Oral or written performed or read Beginning in the age of Dante with the earliest tales composed for Italians in the hybrid language of Franco Italian which draw inspiration from the French tradition of Charlemagne narratives the volume considers the compositions of anonymous reciters of cantari and the prose versions of the Florentine Andrea da Barberino before discussing the major literary contributions to the genre by Luigi Pulci Matteo Maria Boiardo and Ludovico Ariosto The focus throughout is on the ways in which the portrait of Charlemagne seen as both Emperor and King of France is persistently ambiguous affected by the contemporary political situation and historical events such as invasion and warfare He emerges through these texts in myriad guises from positive and admirable to negative and despised

Encyclopedia of Italian Literary Studies Gaetana Marrone, Paolo Puppa, 2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars

Beyond Isabella Sheryl E. Reiss, David G. Wilkins, 2001-06-01 Who were the secular female patrons of art and architecture in Renaissance Italy beyond Isabella d Este This volume brings together fourteen essays which examine the important and often unrecognized roles aristocratic and bourgeois women played in the patronage of visual culture during the Italian Renaissance Themes include the significance of role models for female patrons the dynamics of conjugal patronage and the widespread patronage activities of widows Collectively the essays demonstrate how resourceful women expressed themselves through patronage despite the limitations of a highly structured patriarchal society Thus Isabella d Este was by no means unique as a secular female patron and the studies offered here should encourage scholars to move further beyond Isabella in their assessment of women s patronage of art and architecture in Renaissance Italy

Encyclopedia of Italian Literary Studies: A-J Gaetana Marrone, 2007 Publisher description **Re-evaluating Pico** Sophia Howlett, 2020-12-01 This book offers a re evaluation of Giovanni Pico della Mirandola the prominent Italian Renaissance philosopher and prince of Concord It argues that Pico is part of a history of attempted concordance between philosophy and theology reason and faith His contribution is a syncretist theological philosophy based on Christianity Platonism Aristotelianism and Jewish Kabbalism After an introduction Chapter 2 discusses Pico s career his power relations and his work Chapters 3 and 4 place his three pillars of Platonism Aristotelianism and Kabbalism in their historical context

examines shared histories and introduces the scholars around Pico who contributed so much in each of these traditions introducing for example Christian Kabbalism including exploring Pico's complex relationship with Marsilio Ficino Chapter 5 examines the problems of concordance within Pico's cosmology and metaphysics including the question of God and the role of the Intellect Chapter 6 describes Pico's exceptionalist version of the mystical ascent as an individualized ascetic experience Pico eschews the contemporary desire to use a renewed Christian thinking or Christian classical metaphysics to change the world towards a Golden Age or a second coming to present a personal path to God with no return to the world
