The escape from Egypt is the pivotal event in the Old Testament Through it God gave his people their freedom For forty tumultuous years God and Moses and a chronically rebellious people suffered and fought and established the foundations of a legal system and a system of ethics that changed the world The Old Testament reminds us that we must never forget the Exodus or we will forget who we are And as we learn about the Exodus we learn who we are Biblical Succession Planning

Joshua D. Henson, 2025-01-25 This book focuses on the contemporary applications of effective and ineffective leader succession narratives for contemporary organizational leadership From Moses and Joshua to Paul and Timothy the Old and New Testaments are replete with narratives described the leader transitions of prophets judges kings apostles and pastors Leadership succession is a complex process in that each situation is contextually unique This book explores 10 narratives in the Bible that demonstrate the contextual complexities of leader succession and how leaders navigated it for the good and bad Each chapter focuses on a different example of leader succession six Old Testament narratives three New Testament narratives and one chapter that takes a more holistic Scriptural approach The chapters provide practical organizational leadership principles that can be applied to contemporary succession planning Overall this work contributes to an emerging field of succession planning and informs organizational leaders how to lead from a Biblical perspective *Seek the Peace of*

*Jerusalem* Omer Salem, 2017-12-19 Over the last seven decades since the formation of the State of Israel there has been no shortage of Jews and Arabs desiring peace in Israel Palestine the Holy Land Most peacemaking attempts failed because the parties did not see peace as a win win deal The prevailing mantra in this conflict is win lose or no deal Today the Palestinians are not willing to make a deal with the Israeli Jews because they perceive that a deal with the Israeli Jews means the Palestinians will lose Also the Israelis are not willing to make a deal with the Palestinian Arabs because they perceive that a deal with the Palestinian Arabs means the Israelis will lose There are also other geopolitical factors affecting this conflict This conflict is gradually shifting toward a battle fueled by people relying on religious texts to prolong the struggle **The**

**Land, the Bible, and History** Alain Marchadour, David Neuhaus, Cardinal Carlo Maria Martini, 2009-08-25 This unique book offers a Catholic view of the Holy Land in the debate that rages among Jews Christians and Muslims Alain Marchadour and David Neuhaus two biblical scholars and priests living in Jerusalem clearly analyze the Promised Land as concept history and contested terrain in Catholic teaching and doctrine They offer an analytical reading of the entire Christian Bible Old and New

Testaments with reference to the idea of the Land promised by God They explore early and medieval attitudes especially with regard to the Holy Places and the Jewish people Moving carefully to the present day they focus on anti-Semitism the tragedy of the Shoah Western colonialism in the Middle East the creation of the State of Israel and the birth of the Palestinian refugee problem as they examine Catholic reactions to the tumultuous events of the nineteenth and twentieth centuries particularly the renewal of Catholic thought in the aftermath of the Second Vatican Council Studying the most recent Church documents Marchadour and Neuhaus confront the ongoing struggle for peace justice and reconciliation in the Middle East This illuminating book is an essential tool for all those struggling to understand the links between the Bible the Church and contemporary Middle Eastern realities especially in Israel and Palestine *Theological Exegesis of Scripture, Volume I* Paul C. McGlasson, 2022-07-05 There are many books about theological exegesis there are far fewer books of theological exegesis This volume on the Pentateuch begins a six volume work of theological exegesis that will span select passages from the whole of the Christian Bible The aim is to read Scripture according to its theological shape as a witness to the living claim of God upon church and world made known in Jesus Christ The theological frame of the Pentateuch is grounded in the freely given promise of God which gathers not only the people of God but humanity and the whole creation into the one purpose of God's redemptive love Indeed we live by that selfsame promise today and must struggle to understand and act in our world in light of it The book and the series are intended for teachers pastors students and readers attentive to the theological and spiritual dimensions of the biblical witness in all its brilliance and mystery **The Bible educator, ed. by E.H.
