

1994

A stylized graphic in shades of orange, yellow, and green. It depicts a family: a large figure at the bottom representing a parent, and several smaller figures above representing children. The figures are composed of simple geometric shapes like diamonds and rectangles. The background is a gradient of warm colors.

Foster Parent Retention And Recruitment The State Of The Art In Practice And Policy:

Foster Parent Retention and Recruitment Eileen Mayers Pasztor, Suzan F. Wynne, 1995 This report organizes into one document state of the art information on foster parent retention and recruitment policies and practices developed over the past 20 years Practical detailed recommendations any agency can use to serve children birth families and foster families more effectively The Challenge of Permanency Planning in a Multicultural Society Gary R. Anderson, Bogart R.

Leashore, 1997 Explains to child welfare workers supervisors trainers and program managers the importance of cultural knowledge sensitivity and skill for putting permanency and stability into the lives of at risk children Considers the role of culture in a family's life and how to use that understanding to prevent unnecessary out of home placements judge when the time is right to reunify parents and children and determine when adoption is the best choice Paper edition 0302 3 19 95 Also published as the Journal of Multicultural Social Work v 5 nos 1 2 3 4 1997 Annotation copyrighted by Book News Inc Portland OR

Child Welfare for the Twenty-first Century Gerald P. Mallon, Peg McCartt Hess, 2014-02-18 The Adoption and Safe Families Act ASFA which became law in 1997 elicited a major shift in federal policy and thinking toward child welfare emphasizing children's safety permanency and well being over preserving their biological ties at all costs The first edition of this volume was the earliest major social work textbook to map the field of child welfare after ASFA's passage detailing the practices policies programs and research affected by the legislation's new attitude toward care This second edition highlights the continuously changing child welfare climate in the U S including content on the Fostering Connections Act of 2008 Gerald P Mallon and Peg McCartt Hess have updated the text throughout drawing from real world case examples using data obtained from the national Child and Family Services Reviews and emerging empirically based practices They have also added chapters addressing child welfare workforce issues supervision and research and evaluation Divided into four sections child and adolescent well being child and adolescent safety permanency for children and adolescents and systemic issues within services policies and programs this newly edited volume provides a current understanding of family support and child protective services risk assessment substance and sexual abuse issues domestic violence issues guardianship reunification kinship and foster family care adoption and transitional living programs Recognized scholars practitioners and policy makers also discuss meaningful engagement with families particularly Latino families health care for children and youth including mental health care effective practices with LGBT youth and their families placement stability foster parent recruitment and retention and the challenges of working with immigrant children youth and families President Clinton's Budget Proposal for New Funding for Child Welfare Services Targeted for Family Support and Preservation Services United States. Congress. House. Committee on Ways and Means. Subcommittee on Human Resources, 1993 **The Child Welfare Challenge**, 2017-07-28 This newly revised and updated edition of a widely adopted text continues to address a broad array of issues in supporting children and strengthening families It includes key information about federal legislation as well as policy related

outcomes research in child welfare The first edition of The Child Welfare Challenge was hailed by Social Work as an excellent source from which to gain an in depth understanding of the practice and policy dimensions of child maltreatment foster care and adoption and by the Journal of Sociology and Social Welfare as essential reading for anyone interested in knowing more about child welfare practice in social work Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape current child welfare practice and possible future directions In addition to describing the major challenges facing the child welfare field the book highlights some of the service innovations that have been developed as these could be used to help address some of these challenges In child welfare the focus is on families and children whose primary recourse to services has been through publicly funded agencies The contributors consider historical areas of service foster care and adoptions in home family centered services child protective services and residential services in which social work has a legitimate long standing and important mission This is a comprehensive book but one that appreciates the fact that many areas such as daycare and early intervention invite exploration It is unique in that each chapter describes how policy initiatives and research can or should influence program design and implementation

The Child Welfare Challenge, Third Edition Peter J. Pecora, James K. Whittaker, Anthony N. Maluccio, Richard P. Barth, Diane DePanfilis, 2009 The volume emphasizes families and children whose primary recourse to services has been through publicly funded child welfare agencies The book considers historical areas of service foster care and adoptions in home family centered services child protective services and residential services where social work has an important role Authors also address how child welfare programs interface with the many fields of practice in which child and family services are provided or that involve substantial numbers of social work programs such as services to adolescent parents child mental health education and juvenile justice agencies This new edition will continue to serve as a fundamental introduction for new practitioners as well as summary of recent developments for experienced policymakers administrators and practitioners Peter J Pecora is managing director of research services for the Casey Family Programs and professor in the School of Social Work at the University of Washington He is the author of numerous professional articles and books James K Whittaker is Charles O Cressey endowed professor in the School of Social Work University of Washington He is a frequent consultant on family support and group care interventions He is the series editor of Modern Applications of Social Work for Transaction Publishers Anthony N Maluccio is Professor Emeritus Graduate School of Social Work University of Connecticut Richard P Barth is Professor and Dean School of Social Work University of Maryland Diane DePanfilis is Professor and Associate Dean School of Work University of Maryland Robert D Plotnick is Professor Daniel Evans School of Public Affairs University of Washington

Resources in Education, 1997 Applied Policy Research J. Fred Springer, Peter J. Haas, Allan Porowski, 2017-06-26 Beginning with an orientation and overview of policy research outlining the processes of policy analysis and evaluation from start to finish Applied Policy Research 2e then walks students through an examination of case studies to

demonstrate how these theories play out in real policy situations Illustrative figures help students understand the stages of policy research and end of chapter tools such as discussion questions assignments and activities and case studies at a glance help students master not only the particulars of each case but the broader skills needed in future research This book will be essential reading in all policy research courses with a focus on practical outcomes and student preparation for public service

Innovation in the Public and Nonprofit Sectors Patria De Lancer Julnes, Ed Gibson, 2015-12-09 In the organizational context the word innovation is often associated with private sector organizations which are often perceived as more agile adaptable and able to withstand change than government agencies and nonprofit organizations But the reality is that while they may struggle public and nonprofit organizations do innovate These organizations must find ways to use shrinking resources effectively improve their performance and achieve desirable societal outcomes Innovation in the Public Sector provides alternative frameworks for defining categorizing and studying innovation in government and in the nonprofit sector Through a diverse collection of international case studies this book broadens the discussion of innovation in public and nonprofit organizations demonstrating the hurdles organizations face and examining the technological advances and managerial ingenuity innovators use to achieve their goals both within and beyond the boundaries of the innovating organization The chapters shed light on key issues including how to conceptualize innovation how organizations decide between competing good ideas how to implement innovation how to contend with challenges to innovation how to judge success in innovation This book provides current and future public managers with the understanding and skills required to manage change and innovation and is essential reading for all those studying public management public administration and public policy

Encyclopedia of Parenting Charles A. Smith, 2013-04-03 Parenting receives growing amounts of attention from researchers and what was once considered chiefly an art is now also recognized for being a science Our knowledge of parenting has increased significantly in the last few decades new developments continue to happen daily The Encyclopedia of Parenting provides in reference book format what we now know about parents parenting and the parent child relationship synthesized in some 250 alphabetically arranged entries Each entry is written by an expert contributor and provides an authoritative overview of a particular topic Subjects covered include child activity child outcomes child states parent behaviours parental situations external and community factors systematic concerns the transition to parenthood available resources persons who have added to our knowledge of the field Entries draw on a wide range of disciplines including psychology education and sociology Each entry closes with a bibliography and the volume concludes with a selected list of works for further reading

Encyclopedia of Primary Prevention and Health Promotion Thomas P. Gullotta, Martin Bloom, 2003-01-31 Foundational topics such as history ethics and principles of primary prevention as well as specific issues such as consultation political issues and financing The second section addresses such topics as abuse depression eating disorders HIV AIDS injuries and religion and spirituality often dividing such topics into separate entries addressing childhood

adolescence and adulthood **Journal of Social Casework** ,2006 **Child Day Care** Bruce Hershfield,Karen Selman,1997-01-01 With more parents in the work force today than ever before child day care has become an essential element of family life In the mid 1990s over 60 percent of employed mothers with children under the age of six worked full time over 20 percent of mothers in the work force were their family s sole wage earner and over one million single fathers had children under the age of 18 More than half of all children under age six have parents in the work force and the mothers of 54 percent of these children are working This vital compendium makes it clear that comprehensive child care services are not only important to economic well being but are a vital part of the continuum of child welfare as such The purpose of child day care is to supplement and enhance the care attention to developmental needs and the protection that children receive from their parents Child Day Care is an effort to define a nurturing environment that cultivates the physical emotional intellectual and social potential of the child as it helps all family members pursue their own individual and collective goals The fifteen essays in Child Day Care encompass these and other vital matters Chapters linking child day care and child welfare child poverty welfare reform and training are presented because they are timely and critical if child day care is to remain a viable service to support and strengthen families in an era of high participation in the working force The effectiveness of specifically designed day care programs for specialized populations and purposes is discussed in several chapters In addition several others examine current theories and innovations that may change the future of child day care services _not only in the United States but worldwide As the editors make clear all too often the goals of child day care are high but the quality of the actual services provided are not This cutting edge volume seeks to redress this situation Among the contributors are such well known figures as Sheila Kammerman Alfred J Kahn Martha G Roditti Marcia K Meyers Barbara Fink Diane Trister Dodge and Richard Fiene Take Me Home Jill Duerr Berrick,2009 There is a profound crisis in the United States foster care system Jill Duerr Berrick writes No state has passed the federally mandated Child and Family Service Review two thirds of the state systems have faced class action lawsuits demanding change well over half of all children who enter foster care never go home *Adult Development and Well-Being* Catherine N. Dulmus,Karen M. Sowers,2014-01-02 Foster well being in an institutional setting Human services workers are consistently discovering more about how important adult well being is as a foundation of positive human development Adult Development and Well Being The Impact of Institutional Environments closely examines this relationship and provides creative strategies to improve outcomes for adults within institutional settings or systems Leading experts discuss the latest research offer insightful perspectives on adult development issues and provide policy recommendations to effectively foster change This important resource targets specific issues and provides practical answers to questions about how to positively affect human behavior by cultivating well being Social work professionals know that adult development and well being are directly impacted by institutional setting Adult Development and Well Being The Impact of Institutional Environments explores current theory

literature and studies on the various positive or negative influences institutions has on the self and intimate and social relationships This text is extensively referenced and includes various tables to clearly present data Topics in Adult Development and Well Being The Impact of Institutional Environments include the experiences of grandparents raising grandchildren full time as a result of military deployment various influences on the adjustment to long term care how the onset of mental illness impacts a person s sense of self and belief systemsand the value of the mental health system study of the impact of welfare reform policies on welfare and caregiving for low income foster mothers the impact on normal sexual development for institutionalized individuals a study on the well being of caregivers according to the kinship care arrangement burnout and turnover in social service organizations the impact of the United States Census on law public policy and distribution of privilege Adult Development and Well Being The Impact of Institutional Environments is crucial eye opening reading for social work professionals policymakers researchers educators and students A Qualitative Exmamination [i.e. Examination] of the Perceived Impact of Foster Care on Biological Children of Foster Parents Stephene A. Diepstra,2007 **Children's Homes Revisited** David Berridge,Isabelle Brodie,1998 Based on a three year national research study Children s Homes Revisited explores the current state of residential child care at grass roots level and compares the present situation to that of a decade ago *The World of Foster Care* M. J. Colton,Margaret Williams,1997 An international reference book which describes the role and structure of foster family care systems in 30 countries Endorsed by the International Foster Care Organization IFCO an easily accessible compact comprehensive description of foster family care as it operates in different countries *Youth Law News* ,2003 *CWLA Standards of Excellence for Services to Strengthen and Preserve Families with Children* Child Welfare League of America,2003
