and numerous case studies of lawsuits involving museum collections What Every Museum Director Should Know about Working with Boards Edward M. Luby, 2024-09-16 While new directors learn how to manage and lead museums as part of their professional training and career development the skills and knowledge required to work with boards which are instrumental to a museum director's work must somehow be acquired on the job as one's career progresses What Every Museum Director Should Know about Working with Boards is designed to empower new and aspiring museum directors by equipping them with the skills and knowledge to work with boards What Every Museum Director Should Know about Working with Boards uses museum based vignettes of all too true situations encountered by new museum directors to illustrate what museum directors need to understand about their work with museum boards so that they have the skills and knowledge to identify assess and successfully navigate the common issues they will inevitably encounter as a director Following the vignette analysis of the situation and strategic guidance are offered A new director's understanding of how boards are structured and operate how they will interact with the board and what areas they will work on with the board are all critical to a new museum leader's success However busy new directors often do not have time to access the many widely dispersed resources about working with boards or to ascertain what parts of board operations will most affect their daily work Consequently What Every Museum Director Should Know about Working with Boards outlines how boards are organized discusses the common points of contact between the director and the museum's board and examines the kinds of challenges museum directors will likely encounter in working with their boards Given the importance of museum boards to the success of museums and a director's understanding of boards to their own career development What Every Museum Director Should Know about Working with Boards is an essential resource for new and aspiring museum directors **Books in Print Supplement** ,2002 Museum Law Marilyn E. Phelan, 1994 Conceptualizing and Researching Governance in Public and Non-Profit Organizations Luca Gnan, Alessandro Hinna, Fabio Monteduro, 2013-02-08 The first volume of the series aims to give an outline of the state of the art and the most recent research being done on public and non profit governance at the international level with particular emphasis in Europe
