the War extends the story of sacrifice and heroism to the university at large. An estimated ten thousand men and women with University of Alabama ties served in the military during World War II. At least 350 of them lost their lives falling 21 different countries on 15 islands of the Pacific and on five of seven seas. Some served long torturous months in prisoner of war camps and many others were wounded. The stories shared in this book illustrate the sacrifice of thousands of men and women who went to war to preserve peace and democracy in America and to reclaim freedom for countless millions throughout the world.

USS Alabama Karyn W. Tunks, 2023-10-09. Home to thousands of US sailors the USS Alabama fought bravely in World War II but after she finished her service the battleship was set to be scrapped. The people of Alabama decided they had to save the ship named for their proud state. No one was more determined than Alabama's schoolchildren. Author Karyn Tunks traces the story of the children's efforts in this informative and entertaining account. Tunks reveals a wealth of detail about life at sea before the ship was decommissioned and the many challenges Alabamians faced in securing the ship's permanent home. Artist Julie Dupr Buckner captures the feeling of the era in her detailed vivid illustrations of the ship, those who called her home and those who saved her for future generations. Complete with a glossary, illustrated ship's diagram and timeline, *USS Alabama* Hooray for the Mighty A offers beginning readers a glimpse of the fascinating history of the battleship and how even the smallest of actions can produce incredible results. *The Great War in the Heart of Dixie* Martin T.

Olliff, 2008-10-12. There has been much scholarship on how the U.S. as a nation reacted to World War I but few have explored how Alabama responded. Did the state follow the federal government's lead in organizing its resources or did Alabamians devise their own solutions to unique problems they faced? How did the state's cultural institutions and government react? What changes occurred in its economy and way of life? What if any were the long-term consequences in Alabama? The contributors to this volume address these questions and establish a base for further investigation of the state during this era. Contributors: David Alsobrook, Wilson Fallin Jr., Robert J. Jakeman, Dowe Littleton, Martin T. Olliff, Victoria E. Ott, Wesley P. Newton, Michael V. R. Bridges, 2014-05-13. *Send the Alabamians* recounts the story of the 167th Infantry Regiment of the WWI Rainbow Division from their recruitment to their valiant service on the bloody fields of eastern France in the climactic final months of World War I. To mark the centenary of World War I, *Send the Alabamians* tells the remarkable story of a division of Alabama recruits whose service Douglas MacArthur observed had not been surpassed in military history. The book borrows its title from a quip by American General Edward H. Plummer who commanded the young men during the inauspicious early days of their service. Impressed with their ferocity and esprit de corps but exasperated by their rambunctiousness, Plummer reportedly exclaimed, "In time of war send me all the Alabamians you can get but in time of peace for Lord's sake send them to somebody else." The ferocity of the Alabamians so apt to get them in trouble at home proved invaluable in the field. At the climactic Battle of Croix Rouge, the hot-blooded 167th exhibited unflinching valor and in the face of machine guns, artillery shells and poison gas.

Severance,2012-11-01 *Portraits of Conflict* A Photographic History of Alabama in the Civil War is the tenth volume in this acclaimed series showing the human side of the country s great national conflict Over 230 photographs of soldiers and civilians from Alabama many never seen before are accompanied by their personal stories and woven into the larger narrative of the war both on the battlefield and the home front **"The Home Front" During World War II in Rural Alabama** Howard L.
