Cracking the Timeline Ruth Rosemary,2023-03-10 History versus science history versus history or history with science who has it right In this book you will be challenged to think differently about BC history Discover a calendar that is over five thousand years old and how the younger calendars go with it in this timeline Discover a reason why different dates are assigned to the same event Explore why the Second Temple of Judaism which stood partly BC and partly AD for about 420 years can have a start date in the 500s BC and 300s BC Discover concurrent event reading of the Bible as it relates to history Discover the accuracy preserved by forefathers and more With the use of the Gregorian calendar beginning in the 1500s we read BC history with dates that go backward as events move forward This is exactly the opposite of our current dates where the dates move forward as events move forward In this book there is a BC to AD timeline of the Bible some history and some prophesied events As you read you will go on a journey through history and put together past and present through what was written down about events and prophesied events 157 **You Are Younger Than Your Age** Lawrence La Rose,2014-02-11

The world is blindfolded by two systems known as the lunar calendar and the Gregorian calendar and both are giving inaccurate timelines for archaeological discoveries radiocarbon dating and your actual age **You Are Younger than Your Age** seeks to clarify any doubts about your actual age and the age of the other worlds It offers comprehensive information about creationism and spirituality as well as the functioning of the other distinctive worlds For example Jerusalem is situated in the center of Africa and not the Middle East as previously thought This guide is simple to follow and guides you to an understanding of the twenty one year cycle of the moon and sun It portrays accurate facts calendars charts and figures There is no climate change or global warming The Antarctica is not completely mapped and a new crafted world map is urgently needed Changes mean hope for future generations The book is supported by the scriptures in the Bible and it is full of comprehensive information about creationism and spirituality Finally it can lead you to the beacon of a divine light **Brief**

G. White, 2015-03-01 Reared in the ways of the God of the heavens during his early childhood Moses who was drawn from the water was moved from his humble abode to one of privilege with every amenity Temptation abounded but the teaching of his mother in the way of truth lingered in his mind even as he was tutored in the schools of the pharaoh With his leadership and military training behind him yet convinced of his sacred duty he ached to see his people suffer Thus Moses committed the same grave error of many of his ancestors taking matters into his own hands An Egyptian oppressor died because of Moses misguided fervor which sent him fleeing as a fugitive In the mountains of Moses refuge God broke down the strongholds of Egyptian influence As forty years of Moses life passed in his wilderness hideaway God instilled in His servant lessons of faith patience humility and reverence When Moses was humbled God met him at the burning bush He trembled at the thought of returning to the land of his birth to face a brotherly foe Only then did God lay out His detailed instruction to rescue the Hebrew people Together Moses and his brother Aaron took the message of God to the earthly king Let My people go The pharaoh met the brothers approach with wrath I know not Jehovah neither will I let Israel go boasting that their God had no power to deliver them Hence a series of plagues bombarded the people of the Nile Just before the tenth and final plague Moses instructed God's chosen with their course of action They needed to submit to His command through obedience to heavenly direction just as we need to be surrendered so that we can be saved When the cry of bereavement rose from the land of sun gods and papyrus reeds the Hebrews were ready to go The pharaoh once denounced the sovereign God Who is Jehovah that I should obey His voice to let Israel go cried out as he hovered over the limp body of his firstborn Rise up and get you forth from among my people Also take your flocks and herds and be gone Thus the descendants of Abraham Isaac and Jacob left the land of their bondage When the grieving king learned that the whole enslaved nation had marched to the Red Sea instead of the desert his ire burned within him When the pursuing army approached the God Almighty enveloped the opposition in a foggy cloud blinding their view As the darkness deepened over the Egyptians predators confusion and dismay reigned To the Hebrew people however that same cloud illuminated the encampment with the light of day and hope resurged in their hearts When Moses lifted his rod over the swelling waters they parted creating a walled pathway through the sea God's pillar lighted their way from shore to shore in that night of flight The Psalmist penned of the following morning when the last Israelite footstep was safely on the eastern shore The clouds poured out water the skies sent out a sound thine arrows also went abroad The voice of thy thunder was in the heaven the lightnings lightened the world the earth trembled and shook Psalm 77 17 18 Thus the Egyptians pursuers followed their firstborn into death In only one night God's people experienced complete deliverance men women children and even their livestock God has a plan of deliverance for those who have chosen Him as their Savior Lord and Friend that is greater than that of the miracle at the Red Sea We may lay claim to

the sacrifice of our Redeemer and keep our eyes ever focused on Him rather than what sin may offer us for a season
