SusanClaire s current students have found that scraps suddenly become so much more tempting to work with after they have set up what she calls her Leftovers Pantry. When scraps are intentionally organized and stored they no longer find themselves digging through piles of mismatched yardage. Once stocked they can easily create the quilt blocks described in this book such as 4 patches 9 patches rectangles half square triangles Flying Geese and Snowballs. SusanClaire walks quilters through setting up a pantry piece by piece and what to do with larger fabric yardage stacks. As a bonus she links her organizational content to her YouTube videos for each section and includes additional tips for thrifty quilting. It s scrap organization for patchwork gratification.
