Foundations Bible Commentarythe Of Revelation:

Foundations Bible Commentary--the Book of Revelation Othniel Talmadge Spence,2001-03-01 Revelation: Tribulation and Triumph Practical Christianity Foundation,2020-08-08 Tribulation and TriumphThe King is coming This Devotional Commentary on the book of Revelation candidly addresses various controversial issues and offers challenging devotional comments assuring the redeemed and warning the unsaved about the unchanging Truth of God s Holy Word May we heed the words of Christ and open our ears to hear what the Spirit says to the churches a credible honest sincere and engaging study challenging to the scholar appealing to the sceptic and nurturing to the seeking Josh McDowell Author Speaker **All Power to the Lamb** James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,1987 Priesthood and Temple in John's Apocalypse Timothy B. Tse,2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a

Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality *Mark: Jimmy Swaggart Bible Commentary* Jimmy Swaggart,2006 MARK BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God How Firm a Foundation? Timothy R. Cunningham,2013-03-28 This book helps Christian voters and politicians think through two perennial questions Are we required to apply the judicial laws of the Old Testament to our present day political contexts And if we are required to obey these laws how shall we do so Against the historic Protestant consensus that posits Christians as bound to advocate and apply only the moral principles underlying these laws Christian Reconstructionists have recently argued that obedience to and promotion of all divinely unamended Mosaic civil laws remains the Christian s new covenant duty After testing the most thorough statement of the Reconstructionist view as presented by the late Greg Bahnsen in his *Theonomy in Christian Ethics* against Scripture and the Westminster Confession *How Firm a Foundation* demonstrates that the Reconstructionist ethical perspective is unbiblical unconfessional and ultimately unhelpful while the historic Protestant position expressed in the Westminster Confession of Faith remains the biblical and useful perspective Christians need to guide contemporary uses of the Mosaic judicial laws Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,2003 Bible Study Course: Lesson 2 - The Word of God: The Foundation of Knowledge United Church of God,2011-11-16 God s Word reveals the true values by which we must live if we are to solve our massive relationship problems and the other seemingly insoluble dilemmas that threaten to overwhelm us Inside this Bible study lesson Introduction The Word of God The Foundation of Knowledge

Student Workbook for the Self-Confrontation Bible Study BCF Biblical Counseling Foundation,BCF Writing Team,2024-06-20 The Student Workbook is designed to lead you through a personal life application study of God s Word using the Self Confrontation manual as a reference The Workbook leads you through key Scripture passages and points you to relevant portions of the Self Confrontation manual It can be used for your own personal study in a one on one discipleship format or in a small group setting The lessons have blank portions to complete based on passages from the Bible This is part of what you might call your written homework The Self Confrontation Bible Study is a great way for you to spend daily time in God s Word with the emphasis on your own walk with the Lord and your relationships with others These principles are timeless and cultureless and they will change your life when applied with God s enabling power [Life in Christ](#) William Robert West,2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it *Practically Identical Bibles: The Geneva Bible, the KJV, and the NKJV?* Rick

Norris,2017-09-03 This thought provoking book discusses a scripturally based view of English Bible translations such as the Geneva Bible the KJV and the NKJV It considers and responds to several KJV only allegations against the NKJV with many facts from the Geneva Bible the KJV and the NKJV It demonstrates that a consistent application of KJV only allegations would harm the KJV itself Problems with inconsistent human KJV only reasoning are properly exposed **The Lamb Christology of the Apocalypse of John** Loren L. Johns,2014-11-10 Revision of the author s thesis Ph D Princeton Theological Seminary 1998 **Asbury Bible Commentary** Zondervan,2022-10-04 A one volume evangelical Wesleyan commentary on the entire Bible John Wesley believed the Bible to be the Word of God and he insisted that Wesleyan teaching conform to that standard This commentary carefully explains the Bible book by book in terms of the intentions of the authors who composed it At the same time it is an inspiring exposition of the Bible s message for us and the peoples of all times The work includes introductory articles that reinforce the historic Wesleyan view of the infallibility and authority of the Scriptures Written by nearly fifty scholars this work is a collaboration to aid pastors Sunday school teachers Bible study leaders college and seminary students and others who love the Word of God **Discipleship Handbook** General Conference Sabbath School and Personal Ministries,2018-01-01 There is no higher calling than to be a disciple of Jesus Christ Nothing compares to knowing and following the Savior of the world To know Him is to love Him and to follow Him is a wonderful adventure Still the discipleship journey is full of pitfalls and snares that threaten to lead us away from the narrow path that leads to heaven If the devil had his way every Christian would be lulled to spiritual slumber or led into forbid den paths that would steal the heart away from God Therefore even after we are baptized it is imperative that we continue to grow into active and mature disciples of Christ The Discipleship Handbook will benefit anyone seeking such an experience with Jesus It may be used for personal study or in Sabbath schools prayer meetings small groups or one on one settings It is more than a book about discipleship Rather it contains everything needed for a six month Bible based discipleship plan for Seventh day Adventist churches and their members The Discipleship Handbook was developed to ensure that the most essential areas of discipleship are covered The devotional life personal witnessing church life Christian lifestyle and evangelism each receive special emphasis For newer members the 26 chapters of the Discipleship Handbook serve as the heart of 26 weekly meetings with a more experienced mentor **How Firm a Foundation** Hal Harless,2004 Do covenants or dispensations structure the biblical revelation The historic conflict between Covenant and Dispensational theology has resulted in a neglect of biblical covenants in Dispensationalism As a corrective this book offers a variant of Dispensationalism designated Covenantal Dispensationalism Analyzing both ancient Near Eastern and biblical covenants this work clearly demonstrates that the character of each dispensation is the sum of the stipulations of the operative covenants Therefore this book concludes that covenants structure the biblical revelation and that resulting structure is Dispensationalism **Publication** ,1991 **Through the Lens of An Ancient Yisra'elite Bible Study** Benjamin Nieves Carrasquillo Jr.,2025-05-28 The

information contained in this book is based on 23 years of thorough academic research teaching and schooling The book avoids any form of western bias no presuppose ideas ideologies or theories The book is an in depth study of the Biblical text within the context of the ancient culture language traditions and customs of a first century Yisra elite *Dictionary Of Modern American Philosophers* John R. Shook,2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought
