Pereira da Silva, 2008-01-01 A companion to the bestseller The Impact of Economic Policies on Poverty and Income Distribution this title deals with theoretical challenges and cutting edge macro micro linkage models The authors compare the predictive and analytical power of various macro micro linkage techniques using the traditional RHG approach as a benchmark to evaluate standard policies such as a typical stabilization package and a typical structural reform policy      Organization and Development of Russian Business Tatiana Dolgopyatova, Ichiro Iwasaki, Andrei A. Yakovlev, 2009-07-16 This book is designed to scrutinize the Russian business sector in transition with special attention to firm organization business integration corporate governance and company management Using a unique dataset of Russian joint stock companies the authors empirically analyze key issues for understanding the Russian corporate sector      **The Impact of Private Sector Participation in Infrastructure** Luis A. Andres, J. Luis Guasch, Thomas Haven, Vivien Foster, 2008-07-25 Infrastructure plays a key role in fostering growth and productivity and has been linked to improved earnings health and education levels for the poor Yet Latin America and the Caribbean are currently faced with a dangerous combination of relatively low public and private infrastructure investment Those investment levels must increase and it can be done If Latin American and Caribbean governments are to increase infrastructure investment in politically feasible ways it is critical that they learn from experience and have an accurate idea of future impacts This book contributes to this aim by producing what is arguably the most comprehensive privatization impact analysis in the region to date drawing on an extremely comprehensive dataset      Contemporary Oligarchies in Developed Democracies Shelly Gottfried, 2019-04-01 The book analyzes concentrations of wealth and power in developed democracies It shows that economic measures which states adopted during the 1980s and 1990s had evolved first into liberal oligarchy and later after the 2007 2008 global financial crisis into illiberal and populist oligarchy The shape and content of these two kinds of oligarchy have been determined largely because of practices and political strategies that powerful state and market actors employed This project will appeal to a wide audience including academics researchers students and anyone who is interested in oligarchy political power IR political economy and sociology
