Dillon, 1979 Conference report on agricultural economics of green revolution choice of technology and rural development in relation to small farmers in developing countries considers methodological aspects of new agricultural sector technologies attitudes towards risk and agricultural policy in view of technology design and presents case studies involving cattle production tenant farmer implications etc In Colombia and Brazil Bibliography pp 197 to 204 and graphs Conference held in Cali 1975 November 26 to 28 Agricultural Economics Research, 1986 **Methods of Micro-level Analysis for Agricultural Programmes and Policies** Martin Upton, J. M. Dixon, 1994-01-01 *A Methodology for On-farm Cropping Systems Research* Hubert G. Zandstra, 1981 **Social Sciences And Farming Systems Research** Jeffrey R Jones, Ben J Wallace, Robert Booth, Robert E Rhoades, 2019-07-11 The publication of this book has required the cooperation of many people along the way From its very conception the project of bringing together experiences from ongoing Farming Systems Research projects has faced a problem of communication due to the dispersal of the participants Dr William Partridge and Lynne Goldstein were instrumental in the initial presentation of the symposium on Social Science participation in Farming Systems Research at the 83rd Annual Meeting of the American Anthropological Association Ben Wallace has done an admirable job not only as editor but as a linchpin in an throughout the process of organizing the conference and preparing the manuscript He deserves credit for expediting countless activities that could never have otherwise been accomplished because of the vagaries of international mails and telecommunications **The Balance Between Industry and Agriculture in Economic Development** Sukhamoy Chakravarty, 1989-08-14 **A Select Bibliography On Economic Development** John P. Powelson, 2019-05-20 This bibliography of more than 2 000 titles contains both books and journal articles primarily those published since 1970 Most of the entries are annotated The material is classified according to forty eight categories and there is also a list of relevant titles for each major country in Africa Asia and Latin America **The Farming Game Now** J. P. Makeham, L. R. Malcolm, 1993-03-26 The only applied textbook on farm management specifically designed for Australian agricultural students and farmers confronts the complexities of the 1990s wherein farm businesses are forced to adapt to

technological changes and new financial pressures *Economic Consequences of the New Rice Technology* International Rice Research Institute,1978 **The Analysis of Response in Crop and Livestock Production** John L. Dillon,Jamie G Anderson,2012-12-02 The role of the agricultural scientist is to manipulate crop and livestock response phenomena so that they serve society's needs better enabling countries to obtain full benefit from their agricultural resources By producing food more efficiently resources can be made available for non agricultural development and other needs beyond the essentials of food and fibre This text provides an introductory outline of the analytical principles involved in appraising the efficiency of crop fertilizer and livestock feed response It provides students of both agricultural science and economics with a simple but formal exposition of the why how and wherefore of the principles of crop and livestock analysis thereby helping to further cooperative effort among biological and economic researchers The third edition has been updated and revised with additions relating to the principles of modelling the concept of economic duality as pertinent to response processes the appraisal of aggregate response and the economics of response research *Agricultural Economics and Rural Sociology* Wallace C. Olsen,1991 The first of an eight volume series The Literature of the Agricultural Sciences this book analyzes the trends in the published literature of agricultural economics and rural sociology during the past fifty years It uses citation analysis and other bibliometric techniques to identify the primary journals report series and monographs of current importance to the developed industrial countries as well as those in the Third World Issues in Indian Agricultural Development M. Zarkovic,2019-04-10 This work analyzes growth and structural change in Indian agriculture over the last three decades In order to develop a global perspective the Indian agricultural growth experience is introduced using parallels and contrasts with other parts of the Third World The book is characterized by an empirical approach to the underlying economic data and a multi disciplinary approach to the ramifications of agricultural growth Considered among these are the transformation of the female labor force population migrations and changes in human welfare This book differs from the numerous others on Indian agriculture insofar as it takes a regional perspective focusing on the causes and effects of inter state variations

Proyecto Cooperativo de Investigacion Sobre Tecnologia Agropecuaria en America Latina (PROTAAL) , **Farming Systems Research And Development** W. W. Shaner,2019-03-08 In recent years policy makers have been paying more attention to the problems of small farmers in developing countries with the idea of increasing their production and standard of living The policy makers objectives are twofold I 1 I to help those whose welfare is materially below the rest of society and 121 to help a country increase its agricultural production With adequate agricultural policies these two objectives are mutually reinforcing For example increased food production gives farm households additional food for consumption and surpluses for sale Farmers can then use the money from these sales to buy items they do not produce and the buyers of farm products benefit from the increased supplies **The Rice Economy of Asia** Randolph Barker,Robert W. Herdt,Beth Rose,1985 The purpose of this book is to present a comprehensive picture of the role of rice in the food and agricultural
