Economics Of Greed Antivirus:

Economics of Greed AntiVirus George Matafonov, 2004-10-01 Today we live in a world of great inequality In an age of abundance the majority of the world's population goes hungry We continue to consume the world's resources at a rate we know will bankrupt future generations We continue to destroy our biosphere seemingly oblivious to all the danger signs We continue to kill each other in greater numbers than ever despite all the lessons of history Why The answer is simple The majority of us in the Western world subscribe to the worldview of the economics of greed We have come to accept its basic tenets as the reality of our times just like the Germans accepted and held onto the reality of the Nazis even as the bombs rained down Don't believe it Take the survey at www.economicsofgreedantivirus.com and then read this book to see what we can do about it before it's too late
